**March Violets** Aug 14 2021 THE FIRST NOVEL IN PHILIP KERR'S ACCLAIMED HISTORICAL MYSTERY SERIES When private investigator Bernie Gunther agrees to track down some stolen jewels, his search takes him down the dangerous streets of pre-World War 2 Berlin and into the path of the most influential players in Nazi Germany... Wisecracking cop turned private investigator Bernie Gunther specializes in missing persons, and as the Third Reich's power has grown, Bernie has become a very busy man. But as he takes on cases involving millionaire industrialists, stolen diamonds, and Hitler's most powerful cronies, Bernie finds himself mired in the brutality and corruption of a country on the brink of war. Hard-hitting, fast-paced, and richly detailed, March Violets is noir writing at its blackest and best.

**A German Requiem** May 23 2022 Post-World War 2, Bernie Gunther investigates the murder of an American Nazi-hunter amongst the ruins of the Third Reich in this riveting thriller in Philip Kerr's bestselling historical mystery series. Vienna, 1947. Bernie Gunther had his first brush with evil as a policeman in 1930s Berlin and came to know it intimately as a private eye under the Nazis, when each case drew him deeper into the enormities of the regime. Now the war is over and Bernie is in Vienna, trying to clear an old friend and ex-Kripo colleague of the murder of an American officer. Amid decaying imperial splendor Bernie traces concentric circles of evil that lead him to a former head of the Gestapo and to a legacy that makes the atrocities of the war seem lily-white in comparison...

Brahms's Elegies Jul 21 2019 A unique insight into the relationship between Brahms's music and his philosophical and literary context from a modernist perspective.

**Their Promised Land** Nov 24 2019 Ian Buruma's maternal grandparents, Bernard and Winifred (Bun & Win), wrote to each other regularly throughout their life together. The first letters were written in 1915, when Bun was still at school at Uppingham and Win was taking music lessons in Hampstead. They were married for more than sixty years, but the heart of their remarkable story lies within the span of the two world wars. After a brief separation, when Bernard served as a stretcher bearer on the Western Front during the Great War, the couple exchanged letters whenever they were apart. Most of them were written during the Second World War and their correspondence

is filled with vivid accounts of wartime activity at home and abroad. Bernard was stationed in India as an army doctor, while Win struggled through wartime privation and the Blitz to hold her family together, including their eldest son, the later film director John Schlesinger (Midnight Cowboy, Sunday Bloody Sunday), and twelve Jewish children they had arranged to be rescued from Nazi Germany. Their letters are a priceless record of an assimilated Jewish family living in England throughout the upheavals of the twentieth century and a moving portrait of a loving couple separated by war. By using their own words, Ian Buruma has created a spellbinding homage to the sustaining power of a family's love and devotion through very dark days

Mag Men Apr 29 2020 For more than fifty years, Walter Bernard and Milton Glaser have revolutionized the look of magazine journalism. In Mag Men, Bernard and Glaser recount their storied careers, offering insiders' perspective on some of the most iconic design work of the twentieth century. The authors look back on and analyze some of their most important and compelling projects, from the creation of New York magazine to redesigns of such publications as Time, Fortune, Paris Match, and The Nation, explaining how their designs complemented a story and shaped the visual identity of a magazine. Richly illustrated with the covers and interiors that defined their careers, Mag Men is bursting with vivid examples of Bernard and Glaser's work, designed to encapsulate their distinctive approach to visual storytelling and capture the major events and trends of the past half century. Highlighting the importance of collaboration in magazine journalism, Bernard and Glaser detail their relationships with a variety of writers, editors, and artists, including Nora Ephron, Tom Wolfe, Gail Sheehy, David Levine, Seymour Chwast, Katherine Graham, Clay Felker, and Katrina vanden Heuvel. The book features a foreword by Gloria Steinem, who reflects on her work in magazines and her collaborations with Bernard and Glaser. At a time when uncertainty continues to cloud the future of print journalism, Mag Men offers not only a personal history from two of its most innovative figures but also a reminder and celebration of the visual impact and sense of style that only magazines can offer.

**Choral Monuments** Sep 15 2021 Choral Monuments provides extensive material about eleven epoch-making choral masterworks that span the history of Western culture. Included are: Missa Pange

lingua (Josquin Desprez); Missa Papae Marcelli (G. P. da Palestrina); B Minor Mass (J. S. Bach); Messiah (G. F. Handel); The Creation (Joseph Haydn); Symphony #9 (Ludwig van Beethoven); St. Paul (Felix Mendelssohn); Ein deutsches Requiem (Johannes Brahms); Messa da Requiem (Giuseppe Verdi); Mass (Igor Stravinsky); and War Requiem (Benjamin Britten). The works are presented in separate chapters, with each chapter divided into three basic sections-history, analysis, and performance practice. Discussions of history are focused on relevancies-the genesis of the designated work in reference to the composer's total choral output, the work's place within the musical environment and social climate of its time, and essential features of the work that make it noteworthy. In addition, the compositional history addresses three other factors: the work's public reception and critical response, both at the time of its composition and in ensuing years; the history of score publications, detailing the various differences between editions; and the texts of the composition. The material regarding textual treatment, which often includes the complete texts of the works being discussed, concentrates on primary concerns of the text's usage; also included in the discussion are noteworthy aspects of texts separate from the music as well as biographical details of librettists and poets, if appropriate. The analysis section of each chapter outlines and describes musical forms and other types of compositional organization, including parody technique, mirror structures, and motto repetitions, as well as salient compositional characteristics that directly relate and contribute to the work's artistic stature. Numerous charts and musical examples illustrate the discussions. The discussion of performance practices includes primary source quotations about a wide range of topics, from performing forces, tempo, and phrasing of each work to specific issues such as tactus, text underlay, musica ficta, metric accentuation, and ornamentation.

**Aesthetics, Problems in the Philosophy of Criticism** Sep 03 2020 This second edition features a new 48-page Afterword--1980 updating Professor Beardsley's classic work.

*Nineteenth-Century Choral Music* Jul 25 2022 Nineteenth-Century Choral Music is an in-depth examination of the rich repertoire of choral music and the cultural phenomenon of choral music making throughout the period. The book is divided into three main sections. The first details the attraction to choral singing and the ways it was

linked to different parts of society, and to the role of choral voices in the two principal large-scale genres of the period: the symphony and opera. A second section highlights ten choral-orchestral masterworks that are a central part of the repertoire. The final section presents overview and focus chapters covering composers, repertoire (both small and larger works), and performance life in an historical context from over a dozen regions of the world: Britain and Ireland, the Czech Republic, France, Germany, Hungary, Italy, Latin America, the Philippines, Poland, Russia, Scandinavia and Finland, Spain, and the United States. This diverse collection of essays brings together the work of 25 authors, many of whom have devoted much of their scholarly lives to the composers and music discussed, giving the reader a lively and unique perspective on this significant part of nineteenth-century musical life.

*The Quest for the Nazi Personality* Jan 27 2020 Half a century after the collapse of the Nazi regime and the Third Reich, scholars from a range of fields continue to examine the causes of Nazi Germany. An increasing number of young Americans are attempting to understand the circumstances that led to the rise of the Nazi party and the subsequent Holocaust, as well as the implication such events may have for today as the world faces a resurgence of neo-Nazism, ethnic warfare, and genocide. In the months following World War II, extensive psychiatric and psychological testing was performed on over 200 Nazis in an effort to understand the key personalities of the Third Reich and of those individuals who "just followed orders." In addressing these issues, the current volume examines the strange history of over 200 Rorschach Inkblot protocols that were administered to Nazi war criminals and answers such questions as: \* Why the long delay in publishing protocols? \* What caused such jealousies among the principals? \* How should the protocols be interpreted? \* Were the Nazis monsters or ordinary human beings? This text delivers a definitive and comprehensive study of the psychological functioning of Nazi war criminals -- both the elite and the rank-and-file. In order to apply a fresh perspective to understanding the causes that created such antisocial behavior, these analyses lead to a discussion within the context of previous work done in social and clinical psychology. Subjects discussed include the authoritarian personality, altruism, obedience to authority, diffusion of responsibility, and moral indifference. The implications for current political events are also examined as Neo-Nazism, anti-Semitism, and ethnic hate are once again on the rise. While the book does contain some technical material relating to the psychological interpretations, it is intended to be a scholarly presentation written in a narrative style. No prior knowledge of psychological testing is necessary, but it should be of great benefit for those interested in the Rorschach Inkblot test, or with a special interest in psychological testing, personality assessment, and the history of psychology. It is also intended for readers with a broad interest in Nazi Germany.

*A Quiet Flame* Jan 07 2021 Argentina, 1950: Bernie Gunther arrives in Buenos Aires only to be caught up in the hunt for a killer. A young girl has been murdered in circumstances that strongly resemble those of

Bernie's final case as a Berlin homicide detective, a case he didn't solve. The local chief of police is convinced that the killer is to be found among the several thousand ex-Nazis who have come to Argentina since 1945. So who better than Bernie Gunther to help track him down?

**Brahms: A German Requiem** Sep 27 2022 A detailed study examining The German Requiem, Brahms's controversial, and his largest, masterpiece.

**The Pale Criminal** May 11 2021 Hard-boiled detective Bernie Gunther takes on a depraved serial killer terrorizing 1930's Berlin in the second gripping mystery in Philip Kerr's New York Times bestselling series. In the sweltering summer heat wave of 1938, the German people anxiously await the outcome of the Munich conference, wondering whether Hitler will plunge Europe into another war. Meanwhile, private investigator Bernie Gunther has taken on two cases involving blackmail. The first victim is a rich widow. The second is Bernie himself. Having been caught framing an innocent Jew for a series of vicious murders, the Kripo—the Berlin criminal police—are intent on locating the real killer and aren't above blackmailing their former colleague to get the job done. Temporarily promoted to the rank of Kommissar, Bernie sets out to solve the dual mysteries and begins an investigation that will expose him to the darkest depths of humanity...

*Dies Irae* Mar 21 2022 Since time immemorial, the response of the living to death has been to commemorate the life of the departed through ceremonies and rituals. For nearly two millennia, the Christian quest for eternal peace has been expressed in a poetic-musical structure known as the requiem. Traditional requiem texts, among them the anonymous medieval Latin poem *Dies Irae* ('Day of Wrath'), have inspired an untold number of composers in different ages and serving different religions, Western and Eastern. This book, the first comprehensive survey of requiem music for nearly half a century, provides a great deal of diverse and detailed information that will be of use to the professional musician, the musical scholar, the choral conductor, the theologian and liturgist, and the general reader. The main body of the guide is a description of some 250 requiems. Each entry includes a concise biography of the composer and a description of the composition. Details of voicing, orchestration, editions, and discography are given. An extensive bibliography

includes dictionaries, encyclopedias, prayer books, monographs, and articles. An appendix lists more than 1700 requiems not discussed within the main text.

*Guide to the Tuba Repertoire, Second Edition* Nov 05 2020 Guide to the Tuba Repertoire is the most comprehensive investigation ever undertaken into the literature and discography of any single musical instrument. Under the direction of R. Winston Morris and Daniel Perantoni, this publication represents more than 40 years of research by dozens of leading professionals throughout the world. The guide defines the current status of the tuba and documents its growth since its inception in 1835. Contributors are Ron Davis, Jeffrey Funderburk, David Graves, Skip Gray, Charles A. McAdams, R. Winston Morris, Mark A. Nelson, Timothy J. Northcut, Daniel Perantoni, Philip Sinder, Joseph Skillen, Kenyon Wilson, and Jerry A. Young.

*The Lady from Zagreb* Oct 04 2020 In this Edgar® Award-nominated novel in Philip Kerr's New York Times bestselling series, former detective and unwilling SS officer Bernie Gunther is on the hunt for a beautiful femme fatale... Berlin, 1942. Three players take the stage. The first, a gorgeous actress—the rising star of a giant German film company controlled by the Propaganda Ministry. The second, the very clever, very dangerous Propaganda Minister Joseph Goebbels—a close confidant of Hitler, ambitious schemer, and flagrant libertine. Finally, there's Bernie Gunther—a former Berlin homicide bull now forced to run errands at the Propaganda Minister's command. When Goebbels tasks Bernie with finding the woman the press have dubbed "the German Garbo," his errand takes him from Zurich to Zagreb to the killing fields of Croatia. It is there that Bernie finds himself in a world of mindless brutality where everyone has a hidden agenda—perfect territory for a true cynic whose instinct is to trust no one.

**The Life and Work of Pauline Viardot Garcia** Aug 22 2019 This is the second volume of the Life and Work of Pauline Viardot Garcia: The Years of Grace, 1863–1910. Viardot was an international opera singer, composer and teacher who was seminal in the world of music in the 19th century. She came from a famous family of musicians, her father being the Spanish tenor, composer and teacher, Manuel del Popolo Vicente Rodriguez Garcia. Her mother, Joaquina Sitchès, was also a singer and taught Pauline; her brother Manuel was an eminent singing teacher and inventor of the laryngoscope and her sister was the legendary singer, Maria Malibran. Her friends and colleagues are household names, including the writer George Sand and her lover Frederick Chopin, Clara and Robert Schumann, Johannes Brahms, Richard Wagner, Gabriel Fauré, Jules Massent and Franz Liszt who taught Pauline piano and on whom she had a girlish crush. Though considered ugly, she had a unique fascination and many men fell in love with her, including her husband, Louis Viardot, historian and man of letters; the Russian writer, Ivan Turgenev; Maurice Sand, artist son of George Sand; the composers Charles Gounod and Hector Berlioz, as well as her mentor, the painter Ary Scheffer. Although famous in her day, after her death in 1910 she fell into obscurity but her songs are appearing again and her influence as a teacher has spread worldwide. The first volume largely covers Viardot's international singing career

from 1836 to 1863 and the second volume, although also featuring her performances, concentrates more fully on her work as a composer and teacher as well as a famous musical hostess. Although ostensibly the life, professional and personal, of an amazing individual, the book is also a portrait of an age, culturally, socially and politically. As the author's first volume about Viardot, the Life and Work of Pauline Viardot Garcia: The Years of Fame, 1836-1863, was only the second biography in English of the singer, her work has been seminal and has attracted interest worldwide. The second volume, The Years of Grace, published by Cambridge Scholars Publishing, has been enthusiastically anticipated and includes a CD of three Viardot songs, performed by Giles Davies.

**Johannes Brahms** Jan 19 2022 First published in 2011. Johannes Brahms: A Research and Information Guide is an annotated bibliography concerning both the nature of primary sources related to the composer and the scope and significance of the secondary sources which deal with him, his compositions, and his influence as a composer and performer. The second edition will include research published since the publication of the first edition and provide electronic resources.

César Franck Jun 19 2019 César Franck (1822-1890) was one of the most remarkable composers of the 19th century, and yet 38 years have elapsed since a biography of him last appeared in English. Now, with César Franck: His Life and Times, R. J. Stove fills this critical gap in the history of late 19th-century classical music with a full-length study of the man and his music. This book draws on numerous sources never before cited in English, painting a picture of a great musician and deeply loved man, whose influence in both his native and adopted lands was exceptional. César Franck: His Life and Times is an engagingly written biography sure to interest classical music listeners of all stripes.

The Music Lover's Quotation Book Jun 12 2021 A collection of quotations relating to music by composers, performers, writers, critics and fans, covering a wide range of musical genres and time periods.

Music in the Words: Musical Form and Counterpoint in the Twentieth-Century Novel Feb 08 2021 There is a strong tradition of literary analyses of the musical artwork. Simply put, all musicology - any writing about music - is an attempt at making analogies between what happens within the world of sound and language itself. This study considers this analogy from the opposite perspective: authors attempting to structure words using musical forms and techniques. It's a viewpoint much more rarely explored, and none of the extant studies of novelists' musical techniques have been done by musicians. Can a novel follow the form of a symphony and still succeed as a novel? Can musical counterpoint be mimicked by words on a page? Alan Shockley begins looking for answers by examining music's appeal for novelists, and then explores two brief works, a prose fugue by Douglas Hofstadter, and a short story by Anthony Burgess modeled after a Mozart symphony. Analyses of three large, emblematic attempts at musical writing follow. The much debated 'Sirens' episode of James Joyce's Ulysses, which the author famously likened to a fugue,

Burgess' largely ignored Napoleon Symphony: A Novel in Four Movements, patterned on Beethoven's Eroica, and Joyce's Finnegans Wake, which Shockley examines as an attempt at composing a fully musicalized language. After these three larger analyses, Shockley discusses two quite recent brief novels, William Gaddis' novella Agagape and David Markson's This is not a novel, proposing that each of these confounding texts coheres elegantly when viewed as a musically-structured work. From the perspective of a composer, Shockley offers the reader fresh tools for approaching these dense and often daunting texts.

**How Lovely Is Thy Dwelling Place (from "Requiem")** Jul 13 2021 Organ and piano duet teams will appreciate Billie Nastelin's skillful arrangement of the beautiful "How Lovely Is Thy Dwelling Place" from the Brahms Requiem. Each player has opportunities with both melody and accompaniment, and congregations and audiences will request this over and over. Two copies of the music are included. Also arranged for organ/piano duet by Nastelin: "And the Glory of the Lord," from Messiah (GOPD9901),

**Performing Brahms** Apr 22 2022 A great deal of evidence survives about how Brahms and his contemporaries performed his music. But much of this evidence - found in letters, autograph scores, treatises, publications, recordings, and more - has been hard to access, both for musicians and for scholars. This book brings the most important evidence together into one volume. It also includes discussions by leading Brahms scholars of the many issues raised by the evidence. The period spanned by the life of Brahms and the following generation saw a crucial transition in performance style. As a result, modern performance practices differ significantly from those of Brahms's time. By exploring the musical styles and habits of Brahms's era, this book will help musicians and scholars understand Brahms's music better and bring fresh ideas to present-day performance. The value of the book is greatly enhanced by the accompanying CD of historic recordings - including a performance by Brahms himself.

**Lincoln Center** Sep 22 2019 "But much remained to be done before Lincoln Center could fulfill Rockefeller's dream. In defining its purposes beyond that of real estate manager, Lincoln Center had to overcome serious financial woes and the perception by outsiders that it lacked a true sense of community. Lincoln Center: A Promise Realized, 1979-2006 is the story of how Lincoln Center, the umbrella organization for its resident artistic companies, evolved to serve and support its "family" in their own remarkable artistic achievements while at the same time it broadened its own offerings, drawing new audiences to the campus and enlivening its public spaces."

*Die Kaapse bibliotekaris* May 31 2020 Issues for Nov. 1957- include section: Accessions. Aanwinste, Sept. 1957- (also published separately) *Brahms's A German Requiem* Feb 20 2022 Examines in detail the contexts of Brahms's masterpiece and demonstrates that, contrary to recent consensus, it was performed and received as an inherently Christian work during the composer's life.

**Choral Masterpieces** Apr 10 2021 In Choral Masterpieces: Major and Minor, historian Nicholas Tarling offers short essays on over 28 works,

from major masterpieces such as Handel's Messiah and Bach's St. Matthew's Passion to off-the-beaten path choral works such as Samuel Coleridge-Taylor's Hiawatha and Frederick Delius' A Mass of Life. Throughout, Tarling offers assessments that sparkle with unique insights and at the same time ground listeners in the historical contexts of these works' production and performance. Each work is transformed in Tarling's able hands from musical composition to a window into the mind and milieu of the composer.

**A Practical Guide for Performing, Teaching, and Singing the Brahms "Requiem"** Nov 17 2021 This book is intended to help those who are contemplating performing or studying the Brahms Requiem. It provides historical information, performance considerations, musical analysis, and resource material for all who enjoy the musicology behind this magnificent work. It is especially directed toward conductors, but it is also useful for choristers and soloists as well. A wonderful instructional tool!

**Approaches to Auschwitz** Mar 09 2021 Distinctively coauthored by a Christian scholar and a Jewish scholar, this monumental, interdisciplinary study explores the various ways in which the Holocaust has been studied and assesses its continuing significance. The authors develop an analysis of the Holocaust's historical roots, its shattering impact on human civilization, and its decisive importance in determining the fate of the world. This revised edition takes into account developments in Holocaust studies since the first edition was published.

**The Whole Story** Dec 06 2020 This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences.

The Great Composers Aug 26 2022 "Bernard Shaw's essays on music include some of the most scintillating ever written on the subject. In this volume, Louis Crompton has brought together Shaw's major articles on Bach, Handel, Mozart, Beethoven, Wagner, and a host of other composers, articles culled from six miscellaneous volumes of criticism made up largely of untitled reviews. Concert goers and opera enthusiasts will enjoy comparing Shaw's views of familiar works with their own, and professional music critics will find much to engage them in his pungent opinions. Throughout these pages Shaw's sparkling wit is everywhere in evidence, along with the intellectual vigor that him one of the mentors of his age. Crompton's extensive introduction discusses Shaw's views on musical greatness and traces connections between his thinking on music and the social and aesthetic currents of his time."--Publisher's description.

Of Mozart, Parrots and Cherry Blossoms in the Wind Jul 01 2020 The exhilarating mix of humour, philosophy, fact and whimsy that marks these essays derives from more than 200 lectures Bruce Adolphe has given over more of the past decade, at the Chamber Music Society of Lincoln Centre and at music festivals around the States. The composer of four operas as well as chamber music, concertos and orchestral works, Adolphe has written for Itzhak Perlman, David Shifrin, the Beaux Arts Trio, the Orpheus Chamber Orchestra and many other

renowned musicians. His essays, however divergent their apparent subjects, all serve a common purpose: to deepen our understanding of how music comes to be and how it may be enjoyed.

**German Requiem** Jun 24 2022 'One of the greatest anti-heroes ever written' LEE CHILD The war may be over, but the remnants of the Nazis are still causing trouble for Bernie Gunther - a hard-boiled noir thriller for fans of Raymond Chandler and John le Carré In postwar Vienna, the term 'peace' is relative - the Americans, British and Russians govern the city in an uneasy truce, and the main difference is that now it's the Soviet secret police making people disappear rather than the Nazis. When Bernie is asked by a high-ranking Soviet official to clear an old Kripo colleague's name of the murder of an American officer, he quickly realises he's in over his head. Bernie's ex-colleague Becker was working for a secret society of Nazi hunters, tracking down and executing war criminals who faked their own deaths to escape the noose at Nuremberg. Infiltrating the group, Bernie finds himself face to face with men he thought he'd never see again. They've cheated justice once - now Bernie must see that they don't get away a second time.

**Field Grey** Oct 24 2019 'A man doesn't work for his enemies unless he has little choice in the matter.' So says Bernie Gunther, when he finds himself working for French Intelligence - it was either that or hang for murder. His job is to meet and greet POWs returning to Germany, and to find a French war criminal and member of the French SS who has been posing as a German Wehrmacht officer. The French are anxious to catch up with this man and deal with him in their own ruthless way. But Bernie's past is about to catch up with him - in a way he could never have foreseen.

**Music in European Thought 1851-1912** Dec 26 2019 This volume, in the series Cambridge Readings in the Literature of Music, is an anthology of original German, French and English writings from the period 1851-1912. Throughout the second half of the nineteenth century music continued to be a subject to which philosophers, psychologists, scientists and critics repeatedly addressed themselves. Some of the philosophical approaches followed the tradition of the

German speculative philosophy of the late eighteenth and early nineteenth centuries. Elsewhere the new 'scientific' climate of the nineteenth century left its mark on the work of scientists and psychologists interested in the impact of acoustical stimuli on the human mind or in the role of music and song in the prehistory of mankind.

**The One From The Other** Mar 29 2020 'One of the greatest anti-heroes ever written' LEE CHILD Bernie Gunther has learned the hard way that there's no way to distinguish 'the one from the other'. The cynical P.I. sees through the deceit and hypocrisy of both friend and foe - a lifesaving skill in postwar Germany. Munich, 1949 is home to all the backstabbing intrigue that prospers in the aftermath of war. A place where a private eye can find a lot of not-quite-reputable work: cleaning up the Nazi past of well-to-do locals, abetting fugitives in the flight abroad, sorting out rival claims to stolen goods. It's work that fills Bernie with disgust - but it also fills his sorely depleted wallet. Then a woman seeks him out. Her husband has disappeared. She's not looking to get him back - he's a wanted man who ran one of the most vicious concentration camps in Poland. She just wants confirmation that he's dead. It's a simple enough job. But in post-war Germany, nothing is simple...

Musical Genre and Romantic Ideology Oct 16 2021 European Romanticism gave rise to a powerful discourse equating genres to constrictive rules and forms that great art should transcend; and yet without the categories and intertextual references we hold in our minds, "music" would be meaningless noise. *Musical Genre and Romantic Ideology* teases out that paradox, charting the workings and legacies of Romantic artistic values such as originality and anti-commercialism in relation to musical genre. Genre's persistent power was amplified by music's inevitably practical social, spatial, and institutional frames. Furthermore, starting in the nineteenth century, all music, even the most anti-commercial, was stamped by its relationship to the marketplace, entrenching associations between genres and target publics (whether based on ideas of nation, gender, class, or more subtle aspects of identity). These newly strengthened

correlations made genre, if anything, more potent rather than less, despite Romantic claims. In case studies from across nineteenth-century Europe engaging with canonical music by Bizet, Chopin, Verdi, Wagner, and Brahms, alongside representative genres such as opéra-comique and the piano ballade, Matthew Gelbart explores the processes through which composers, performers, critics, and listeners gave sounds, and themselves, a sense of belonging. He examines genre vocabulary and discourse, the force of generic titles, how avant-garde music is absorbed through and into familiar categories, and how interpretation can be bolstered or undercut by genre agreements. Even in a modern world where transcription and sound recording can take any music into an infinite array of new spatial and social situations, we are still locked in the Romantics' ambivalent tussle with genre.

*American Choral Directors Association* Feb 26 2020 American Choral Directors Association (ACDA) was formed in Kansas City, Missouri, on February 24, 1959, by 35 choral directors from around the United States. They aimed to create an organization that would meet the professional needs of all choir directors. To achieve this goal, they made the promotion of excellence in choral music through performance, composition, publication, research, and teaching their central purpose. In addition, ACDA strives through arts advocacy to elevate choral music's position in American society. From the original steering committee to today's leaders, this central purpose continues to drive ACDA's development. Among the ways that ACDA has promoted excellence in choral music are national and division conventions featuring the best choirs in the world, awards given to individuals who have in some way contributed to the art of choral music, state workshops and clinics, and honor choirs and commissioned works. Each generation that has passed through ACDA has left its indelible mark. The first generation built the foundation and gave ACDA its purpose. The second generation gave ACDA its independence and voice. The third generation leads the organization into a new and more globally connected world. And through it all, ACDA remains true to promoting choral music excellence.
