**The First Heroes** Feb 17 2022 18 April 1942. Sixteen planes take off from a US Navy carrier in the mid-Pacific. A squadron of young, barely trained flyers under a famous daredevil, Jimmy Doolittle, they are America's first retaliation towards Japan since Pearl Harbor. Their mission: to bomb Japan's five main cities including Tokyo. Critically compromised by the discovery of the US fleet by Japanese spies, they are not expected to come back. Having successfully delivered their bombs, most of the squadron run out of fuel and are forced to crash land in Japan, China and the Soviet Union. The stories of their journeys home are as heroic as that of the raid itself. Incredibly of the 80 flyers who left the USS ... 90% eventually returned alive to the US. *The First Heroes* tells the extraordinary story of the daring raid and shows for the first time the real story of what was to be the turning point in the war against Japan.

*A Soldier's Story* Aug 23 2022 The memoirs of "the G.I. General", who, surrounded by a sea of prima donnas during World War II, never stopped quietly learning his trade until he became, during the conquest of Germany in 1945, arguably the most progressive and important senior American commander in the European theater.

**Henry Clay** Aug 19 2019 Discusses the life and career of the American statesman who, through political compromise, kept the Union together during the early nineteenth century.

**How I Discovered Poetry** Jan 04 2021 A powerful and thought-provoking Civil Rights era memoir from one of America's most celebrated poets. Looking back on her childhood in the 1950s, Newbery Honor winner and National Book Award finalist Marilyn Nelson tells the story of her development as an artist and young woman through fifty eye-opening poems. Readers are given an intimate portrait of her growing self-awareness and artistic inspiration along with a larger view of the world around her: racial tensions, the Cold War era, and the first stirrings of the feminist movement. A first-person account of African-American history, this is a book to study, discuss, and treasure.

*The King of Compton!* May 20 2022 Omar Bradley is "a man who grew up trapped in the shadow of despair associated with his blackness. His life unfolds before our eyes as a school boy, teenager, college student, teacher, mayor of Compton, three times, and finally, resident of the penal system in the state of California"--P. [4] of cover.

*Big Dreams and Powerful Prayers Illustrated Bible* Mar 26 2020 Mark Batterson, the New York Times bestselling author of *The Circle Maker*, presents thirty inspiring stories from the Old and New Testaments that will help children understand and embrace the power of prayer in their everyday lives. Alongside stunning illustrations from Omar Aranda, this powerful book will touch the hearts of young readers and help connect them to God. With prayer, all things are possible! Because prayer can change everything. In *Big Dreams & Powerful Prayers Illustrated Bible*, thirty powerful Bible stories are paired with real-life applications that show God can do anything if we come to him with an open heart. From Adam and Eve to David, Daniel, the disciples, Paul, and more, God has done the seemingly impossible when his people dream and pray big. And he promises to do the same for you and your child today. *Big Dreams & Powerful Prayers Illustrated Bible*: Pairs Mark Batterson's insightful lessons on prayer with Bible stories that illustrate how God provides for his people when they trust and pray Includes Scripture taken from the NIV translation Includes some stories not often found in storybook Bibles Contains short Prayer Points after each story that encourage children to talk to God and open their hearts to allow him to work in their lives.

**Omar Nelson Bradley** Jan 24 2020 Omar Nelson Bradley is a commemorative biography of one of America's great military leader. A product of the interwar Army, Bradley honed his leadership and warfighting skills during the 1920s and 1930s and then led America's Army through war and peace in the difficult decades of the 1940s and 1950s. Written in remembrance of the centennial anniversary of Bradley's birth (February 1883), this publication by Charles E. Kirkpatrick traces the young Bradley through the prewar period, follows his rapid transition to positions of greater authority during the war years, and concludes with his assumption of greater responsibilities in the changing postwar world. The biography gives us some valuable insights into the life of a truly legendary figure.

*A is for Oboe: The Orchestra's Alphabet* Feb 05 2021 This deeply imaginative and entertaining poetry collection details the pleasures of the orchestra, from strong-willed A to satisfied Z. Two widely acclaimed poets--one a composer and classical pianist as well--have come together to create this extraordinary portrait of the orchestra in all of its richness and fascination, using the structure of the alphabet in a way that's entirely new and delightful. A is for the first note you hear as you take your seat in the concert hall, played by the headstrong oboe. B is for the bassoon, "the orchestra's jester, complaining impatiently through his nose." And C is for the conductor, "like the captain on the bridge of a great ship, navigating the composer's musical charts." Onward the text goes, soaring in reverie and making thought-provoking observations while not taking itself too seriously--illuminating all the various details that flow together to create the nourishing experience of playing or listening to music.

**Mbokodo** Jun 16 2019 Account of human rights abuses by the security wing of the ANC in exile in other parts of Africa.

**So Many Books, So Little Time** Sep 12 2021 “Will make many readers smile with recognition.”—The New Yorker “Readaholics, meet your new best friend.”—People “This book is bliss.”—The Boston Globe Sometimes subtle, sometimes striking, the interplay between our lives and our books is the subject of this unique memoir by well-known publishing correspondent and self-described “readaholic” Sara Nelson. The project began as an experiment with a simple plan—fifty-two weeks, fifty-two books—that fell apart in the first week. It was then that Sara realized the books chose her as much as she chose them, and the rewards and frustrations they brought were nothing she could plan for. From Solzhenitsyn to Laura Zigman, Catherine M. to Captain Underpants, the result is a personal chronicle of insight, wit, and enough infectious enthusiasm to make a passionate reader out of anybody.

**A Soldier's Story** Jul 22 2022 A behind-the-scenes account of World War II offers personal reminiscences of General Patton, Eisenhower, and Montgomery, and of events such as D-Day, the Battle of the Bulge, and the liberation of Paris.

**The Guys** Mar 18 2022 First performed in a hit off-off-Broadway production, and soon to be a film starring Sigourney Weaver and Anthony LaPaglia, *The Guys* is a timeless drama about the surprising truths people can discover in ordinary lives, and the connections we make with others and ourselves in times of tragedy. Paralyzed by grief and unable to put his thoughts into words, Nick, a fire captain, seeks out the help of a writer to compose eulogies for the colleagues and friends he lost in the catastrophic events of September 11, 2001. As Joan, an editor by trade, draws Nick out about “the guys,” powerful profiles emerge, revealing vivid personalities and the substance and meaning that lie beneath the surface of seemingly unremarkable people. As the individual talents and enthusiasms of the people within the small firehouse community are realized, we come to understand the uniqueness and value of what each person has to contribute. And Nick and Joan, two people who under normal circumstances never would have met, jump the well-defined tracks of their own lives, and so learn about themselves, about life, and about the healing power of human connection, through talking about the guys.

**City Kid** Dec 23 2019 Traces the author's rise from a youth spent in Brooklyn's Brownsville housing project to a Grammy Award winner and two-time National Book Critics Circle Award finalist, in an account that describes his early family life, the pop culture that inspired his career, and his collaborations with such figures as Spike Lee and Chris Rock.

**It's About Damn Time** Jun 28 2020 “A hero's tale of what's possible when we unlock our potential, continue the search for knowledge, and draw on our lived experiences to guide us through the darkest moments.”—Stacey Abrams From a Black, gay woman who broke into the boys' club of Silicon Valley comes an empowering guide to finding your voice, working your way into any room you want to be in, and achieving your own dreams. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FORTUNE** In 2015, Arlan Hamilton was on food stamps and sleeping on the floor of the San Francisco airport, with nothing but an old laptop and a dream of breaking into the venture capital business. She couldn't understand why people starting companies all looked the same (White and male), and she wanted the chance to invest in the ideas and people who didn't conform to this image of how a founder is supposed to look. Hamilton had no contacts or network in Silicon Valley, no background in finance—not even a college degree. What she did have was fierce determination and the will to succeed. As much as we wish it weren't so, we still live in a world where being underrepresented often means being underestimated. But as someone who makes her living investing in high-potential founders who also happen to be female, LGBTQ, or people of color, Hamilton understands that being undervalued simply means that a big upside exists. Because even if you have to work twice as hard to get to the starting line, she says, once you are on a level playing field, you will sprint ahead. Despite what society would have you believe, Hamilton argues, a privileged background, an influential network, and a fancy college degree are not prerequisites for success. Here she shares the hard-won wisdom she's picked up on her remarkable journey from food-stamp recipient to venture capitalist, with lessons like “The Best Music Comes from the Worst Breakups,” “Let Someone Shorter Stand in Front of You,” “The Dangers of Hustle Porn,” and “Don't Let Anyone Drink Your Diet Coke.” Along the way, she inspires us all to defy other people's expectations and to become the role models we've been looking for. Praise for *It's About Damn Time* “Reading Arlan Hamilton's *It's About Damn Time* is like having a conversation with that frank, bawdy friend who somehow always manages to make you laugh, get a little emo, and, ultimately, think about the world in a different way. . . . The book is warm, witty, and unflinching in its critique of the fake meritocracy that permeates Silicon Valley.”—Shondaland

**Unhinged** Feb 23 2020 In the #1 New York Times bestseller, the former Assistant to the President and Director of Communications for the Office of Public Liaison in the Trump White House provides an eye-opening and “explosive” (The Boston Globe) look into the corruption and controversy of the current administration. Few were a member of Donald Trump's inner orbit longer than Omarosa Manigault Newman. Their relationship spanned fifteen years—through four television shows, a presidential campaign, and a year by his side in the most chaotic, outrageous White House in history. But that relationship came to a decisive and definitive end, and Omarosa finally shares her side of the story in this “deftly executed” (The Guardian), jaw-dropping account. A stunning tell-all and takedown from a strong, intelligent woman who took every name and number, *Unhinged* is a must-read for any concerned citizen.

**Left for Dead** Nov 02 2020 For fans of sea battles, adventures, and war stories like *Unbroken*, this is the incredible true story of a boy who helps to bring closure to the survivors of the tragic sinking of the USS Indianapolis, and helps exonerate the ship's captain fifty years later. Hunter Scott first learned about the sinking of the USS Indianapolis by watching the movie *Jaws* when he was just eleven-years-old. This was fifty years after the ship had sunk, throwing more than 1,000 men into shark-infested waters—a long fifty years in which justice still had not been served. It was just after midnight on July 30, 1945 when the USS Indianapolis was torpedoed by a Japanese submarine. Those who survived the fiery sinking—some injured, many without life jackets—struggled to stay afloat as they waited for rescue. But the United States Navy did not even know they were missing. As time went on, the Navy needed a scapegoat for this disaster. So it court-martialed the captain for “hazarding” his ship. The survivors of the Indianapolis knew that their captain was not to blame. For fifty years they worked to clear his name, even after his untimely death. But the navy would not budge—not until Hunter entered the picture. His history fair project on the Indianapolis soon became a crusade to restore the captain's good name and the honor of the men who served under him. Praise for *Left for Dead*: Christopher Award Winner An ALA-YALSA Best Nonfiction for Young Adults Book “Compelling, dreadful, and amazing.”—VOYA “This exciting, life-affirming book about war heroics and justice . . . proves without question the impact one student can

have on history.”—Booklist “Well written and well documented . . . this excellent presentation fills a void in most World War II collections”—School Library Journal “Young readers . . . will no doubt be inspired by the youth’s tenacity—and by the valor of those who served on the Indianapolis.”—The Horn Book

**The Private Life of General Omar N. Bradley** Jun 21 2022 The life and achievements of General Omar Nelson Bradley are legendary. During World War II, the five-star general was a key figure in the D-Day invasion and the Battle of the Bulge. But his private life has always lain just outside the reach of the media. Bradley has long been portrayed as a soft-spoken gentleman. This media-driven stereotype has pushed him aside in America’s collective memory, which more readily recalls flamboyant leaders such as Patton, Eisenhower or George C. Marshall. This book reexamines the prevailing view of Bradley through a reading of unpublished sources and letters, paying special attention to his relationship with his second wife Kitty Buhler and his later years (1951–1981), a period largely ignored by previous research. Bradley’s life was far from boring. Behind closed doors were trysts with Hollywood starlets, a penchant for gambling at the horse track and hobnobbing with high-profile stars, writers and political leaders.

*Me and Sister Bobbie* Jan 16 2022 The untold story of Willie Nelson and his sister, Bobbie, who, over the course of their lives together, supported each other through personal tragedies and triumphs and forged an unbreakable bond through their shared love of music “Tender and intimate.”—The New Yorker “Poignant, beautiful, heartfelt.”—New York Journal of Books **ONE OF THE BEST MUSIC BOOKS OF THE YEAR:** Rolling Stone, Kirkus Reviews Abandoned by their parents as toddlers, Willie and Bobbie Nelson found their love of music almost immediately through their grandparents, who raised them in a small Texas town. Their close relationship was the longest-lasting bond in both their lives. In alternating chapters, this heartfelt dual memoir weaves together both their stories as they experienced their side by side and apart. The Nelsons share powerful, emotional moments from growing up, playing music in public for the first time, and facing trials in adulthood, as Willie pursued songwriting and Bobbie faced a series of challenging relationships and a musical career that took off only when attitudes about women began to change in Texas. This is Bobbie’s only memoir, and in it she candidly shares her life story in full. Her deeply affecting chapters delve into her personal relationships and life as a mother and as a musician with technical skills that even Willie admits surpass his own. In his poignant stories, Willie shares the depth of his bond with his sister, and how that bond carried him through his most troubled moments. Willie and Bobbie supported each other through unthinkable personal heartbreak, and they always shared in each other’s victories. Through dizzying highs and traumatic lows, spanning almost nine decades of life, Willie and Bobbie always had each other’s back. Their story is an inspiring, lyrical statement of how family always finds the way.

*Blessed* Jul 18 2019 Who is Rampaging Roy Slaven? An Australian icon, a raconteur, an athlete of unsurpassable - and some may say improbable - sporting feats. Whether it was riding Rooting King to another Melbourne Cup victory, commentating the Olympics or hobnobbing with the country’s upper crust, Rampaging Roy Slaven has lived an extraordinary life. But even some of the greatest men come from humble beginnings. Before he shot to fame as Australia’s most talented sportsman, he was just another kid in Lithgow, trying to avoid Brother Connell’s strap and garner the attention of Susan Morgan from the local Catholic girls school. *Blessed* follows one year in the life of the boy who would become Rampaging Roy Slaven, a boy who, even at the age of fifteen, knew he was destined for greatness but had to get through high school first.

**DK Life Stories Nelson Mandela** Dec 15 2021 In this kids biography, discover the inspiring story of Nelson Mandela, who became the first black president of South Africa after spending 27 years in prison. In 1964, Nelson Mandela was sentenced to a lifetime in jail. His crime? Attempting to overthrow a government that openly discriminated against its black citizens. After spending 27 years behind bars, Mandela was released, allowing him to continue his struggle for equality in South Africa—and to become the country’s first black president. In this biography book for kids ages 8-11, learn all about Mandela’s incredible life, his fight against apartheid, and how he helped bring peace to his nation. This new biography series from DK goes beyond the basic facts to tell the true life stories of history’s most interesting people. Full-colour photographs and hand-drawn illustrations complement thoughtfully written, age-appropriate text to create an engaging book children will enjoy reading. Definition boxes, information sidebars, maps, inspiring quotes, and other nonfiction text features add depth, and a handy reference section at the back makes this the one biography series everyone will want to collect. Each book also includes an author’s introduction letter, a glossary, and an index.

**Cat’s First Baby** Jul 10 2021 I am a cat. Are you a cat? Cat is curious. There’s a new addition to the family, but who exactly is this small being? This new arrival doesn’t meow like a cat, or smell like a cat, or even have a tail like a cat. As Cat investigates, he might just come to appreciate this loud, silly family member. After all, they both enjoy a good catnap. In *Cat’s First Baby*, the feline companion to *Dog’s First Baby*, Natalie Nelson captures the wonder and humor of a new family member through a cat’s eyes. Sure to delight kids and cat parents alike, this board book promises to be a repeat read-aloud.

**A General’s Life** Oct 01 2020 Draws on Bradley’s diaries and papers to recount his experiences as American commander at Normandy, as ground-war strategist in Europe, and as first Chairman of the Joint Chiefs of Staff

**A General’s Life** May 28 2020 Draws on Bradley’s diaries and papers to recount his experiences as American commander at Normandy, as ground-war strategist in Europe, and as first Chairman of the Joint Chiefs of Staff

*Abuela’s Weave* Aug 31 2020 A 1993 Parent’s Choice Award honoree, this story about the importance of family pride and personal endurance introduces children to the culture of Guatemala through the eyes of little Esperanza, who works with her abuela—her grandmother—on weavings to sell at the public market. Full color throughout.

*The Life List* Oct 13 2021 **INTERNATIONAL BESTSELLER** In this utterly charming debut—perfect for fans of Cecelia Ahern’s *P.S., I Love You* and Allison Winn Scotch’s *Time of My Life*—one woman sets out to complete her old list of childhood goals, and finds that her lifelong dreams lead her down a path she never expects. 1. Go to Paris 2. Have a baby, maybe two 3. Fall in love Brett Bohlinger seems to have it all: a plum job, a spacious loft, an irresistibly handsome boyfriend. All in all, a charmed life. That is, until her beloved mother passes away, leaving behind a will with one big stipulation: In order to receive her inheritance, Brett must first complete the life list of goals she’d written when she was a naïve girl of fourteen. Grief-stricken, Brett can barely make sense of her mother’s decision—her childhood dreams don’t resemble her ambitions at age thirty-four in the slightest. Some seem impossible. How can she possibly have a

relationship with a father who died seven years ago? Other goals (Be an awesome teacher!) would require her to reinvent her entire future. As Brett reluctantly embarks on a perplexing journey in search of her adolescent dreams, one thing becomes clear. Sometimes life's sweetest gifts can be found in the most unexpected places. Praise for *The Life List* "A wonderful, touching story that reminds us to live life to its fullest."—Cecelia Ahern, New York Times bestselling author of *P.S., I Love You* "Spielman's debut charms."—Kirkus Reviews "You won't want to miss Lori Nelson Spielman's remarkable debut, an intensely emotional novel of transformation and trust. It's about how we let go, and how we never let go. *The Life List* has great heart, and even greater soul."—Sarah Addison Allen, New York Times bestselling author of *The Peach Keeper* "Irresistible! Everything I love and look for in women's fiction. A clever, funny, moving page-turner."—Susan Elizabeth Phillips, New York Times bestselling author of *The Great Escape* Look for special features inside. Join the Random House Reader's Circle for author chats and more.

**Omar Nelson Bradley** Oct 25 2022 When Omar Nelson Bradley began his military career more than a century ago, the army rode horses into combat and had less than 200,000 men. No one had heard of mustard gas. At the height of his career, Bradley (known as "Brad" and "The GI's General") led 1.23 million men as commander of 12 Army Group in the Western Front to bring an end to World War II. Omar Nelson Bradley was the youngest and last of nine men to earn five-star rank and the only army officer so honored after World War II. This new biography by Steven L. Ossa gives an account of Bradley's formative years, his decorated career, and his postwar life. Bradley's decisions shaped the five Northwest European Campaigns from the D-Day landings to VE Day. As the man who successfully led more Americans in battle than any other in our history, his long-term importance would seem assured. Yet his name is not discussed often in the classrooms of either civilian or military academies, either as a fount of tactical or operational lessons learned, or a source of inspiration for leadership exercised at Corps, Army, Group, Army Chief, or Joint Chiefs of Staff levels. The Bradley image was tailor-made for the quintessential homespun American heroic ideal and was considered by many to be a simple, humble country boy who rose to the pinnacle of power through honesty, hard work, loyalty and virtuous behavior. Even though his classmates in both high school and at West Point made remarks about his looks, and Bradley was always self-conscious about smiling because of an accident involving his teeth, he went on to command 12 Army Group, the largest body of American fighting men under a single general. Bradley's postwar career as administrator of the original GI Bill and first Chairman of the Joint Chiefs of Staff during the Korean War ensures his legacy. These latter contributions, as much as Bradley's demonstrable World War II leadership, shaped U.S. history and culture in decisive, dramatic, and previously unexamined ways. Drawing on primary sources such as those at West Point, Army War College and Imperial War Museum, this book focuses on key decisions, often through the eyes of eyewitness and diarist, British liaison officer Major Thomas Bigland. The challenges our nation faces sound familiar to his problems: fighting ideologically-driven enemies across the globe, coordinating global strategy with allies, and providing care and benefits for our veterans.

**Neighbor George** Nov 14 2021 A lonely young woman and a mysterious man meet in a northern California landscape populated by poets, New Agers, stoners, and dropouts. Do you know the language of the birds? *Summer, 1979*: A lonely young woman housesitting for her aunt and uncle in an isolated bohemian enclave finds troubling reminders of a past family tragedy surfacing in odd and unsettling ways. When a mysterious man moves in next door, Dovey hopes for a romance like the ones in the novels she secretly devours. But a dark truth hidden since childhood erupts shockingly in a violent otherworldly intrusion, catapulting her into a desperate struggle for her life and sanity. Set in a haunted northern California landscape populated by poets, New Agers, stoners, and burnouts, *Neighbor George* is a deeply atmospheric story of psychological horror enacted in the liminal space where the natural collides with the supernatural.

**Brothers, Rivals, Victors** May 08 2021 NATIONAL BESTSELLER • The intimate true story of three of the greatest American generals of World War II, and how their intense blend of comradery and competition spurred Allied forces to victory. "One of the great stories of the American military."—Thomas E. Ricks, Pulitzer Prize-winning author of *The Generals* Dwight Eisenhower, George Patton and Omar Bradley shared bonds going back decades. All three were West Pointers who pursued their army careers with a remarkable zeal, even as their paths diverged. Bradley was a standout infantry instructor, while Eisenhower displayed an unusual ability for organization and diplomacy. Patton, who had chased Pancho Villa in Mexico and led troops in the First World War, seemed destined for high command and outranked his two friends for years. But with the arrival of World War II, it was Eisenhower who attained the role of Supreme Commander, with Patton and Bradley as his subordinates. Jonathan W. Jordan's New York Times bestselling *Brothers Rivals Victors* explores this friendship that waxed and waned over three decades and two world wars, a union complicated by rank, ambition, jealousy, backbiting and the enormous stresses of command. In a story that unfolds across the deserts of North Africa to the beaches of Sicily, from D-Day to the Battle of the Bulge and beyond, readers are offered revealing new portraits of these iconic generals.

**The Goodness of St. Rocque** Dec 03 2020 Manuela was tall and slender and graceful, and once you knew her the lithe form could never be mistaken. She walked with the easy spring that comes from a perfectly arched foot. To-day she swept swiftly down Marais Street, casting a quick glance here and there from under her heavy veil as if she feared she was being followed. If you had peered under the veil, you would have seen that Manuela's dark eyes were swollen and discoloured about the lids, as though they had known a sleepless, tearful night. There had been a picnic the day before, and as merry a crowd of giddy, chattering Creole girls and boys as ever you could see boarded the ramshackle dummy-train that puffed its way wheezily out wide Elysian Fields Street, around the lily-covered bayous, to Milneburg-on-the-Lake. Now, a picnic at Milneburg is a thing to be remembered for ever. One charts a rickety-looking, weather-beaten dancing-pavilion, built over the water, and after storing the children - for your true Creole never leaves the small folks at home - and the baskets and mothers downstairs, the young folks go up-stairs and dance to the tune of the best band you ever heard. For what can equal the music of a violin, a guitar, a cornet, and a bass viol to trip the quadrille to at a picnic? Then one can fish in the lake and go bathing under the prim bath-houses, so severely separated sexually, and go rowing on the lake in a trim boat, followed by the shrill warnings of anxious mamans. And in the evening one comes home, hat crowned with cool gray Spanish moss, hands burdened with fantastic latanier baskets woven by the brown bayou boys, hand in hand with your dearest one, tired but happy.

**Ubuntu!** Apr 26 2020 A powerful story about the African philosophy of teamwork and collaboration that has the power to reshape our workplaces, our relationships with our coworkers, and our personal lives, written by the bestselling coauthor of *Fish!* and the bestselling

author of *1001 Ways to Reward Employees*. John Peterson, a new manager in the credit department at a major big-box retailer, is struggling in his job. The people under him are not working as well or effectively as they need to, and his department is falling behind in meeting its goals. His only solution is to take on more work himself, burning the midnight oil and coming in most weekends to pick up the slack and keep his department above water. When one of the employees stays behind to help him—a young man who came to America from a small village in Africa—he learns of the ancient wisdom and hidden power of the African philosophy of Ubuntu. Before long, it begins to change the way he thinks about the people he works with, about himself, and about how he runs his department and his life. In an engaging and completely fresh narrative that holds a unique message for today's business world, *Ubuntu!* shows us a way to overcome our fears, insecurities, and the “me-ism” that so often permeates our workplaces, and replace it with a culture of genuine respect and collaboration. It promises to take its place alongside *Fish!* and other business parables as the next bestselling classic in the business category.

[General Bradley's Decision at Argentan \(13 August 1944\)](#) Jul 30 2020

**A General's Life: An Autobiography** Sep 24 2022 In this autobiography, Omar N. Bradley (1893-1981) recounts his youth in Missouri, his years at the US Military Academy at West Point (he graduated in 1915 alongside Dwight D. Eisenhower), his assignments on the US-Mexico border and in Montana guarding copper mines during World War I, his tours teaching mathematics at West Point and in 1941, commanding of the US Army Infantry School at Fort Benning, his active duty during World War II in North Africa, Sicily, Normandy and eventually commanding 43 divisions and 1.3 million Americans in Europe, linking up with Soviet forces on the Elbe in April 1945, sealing the defeat of Nazi forces. Bradley provides vivid descriptions of key figures in the liberation of Europe, including Marshall, Eisenhower, Patton, Churchill and Montgomery. Back in Washington, Bradley describes his years heading the Veterans Administration, his tenure as Army Chief of Staff and as first Chairman of the Joint Chiefs of Staff starting in 1949. After being promoted to the rank of General of the Army (five stars) in 1950, Bradley was the senior military commander when the Korean War started; he supported President Truman's wartime policy of containment and was instrumental in persuading Truman to dismiss General MacArthur in 1951 after MacArthur resisted administration attempts to scale back the war's strategic objectives. “The narrative deals skillfully with the planning and execution of campaigns that changed history... an unmatched panorama of 40 years of American military history... A great many writers have taken a crack at describing the 1944 Allied landings in Normandy [but] no overall description of that long, bitter battle on the American beaches, Utah and Omaha, is better than the one in this book.” — Drew Middleton, *The New York Times* “The most unassuming of the WW II military chiefs has (in recompense?) the last, stinging word... a vigorous, accomplished, exceptionally unconstrained narrative... Explosive yet likable.” — Kirkus Reviews “[A] surprisingly candid account from a man long reputed to be mild-mannered, discreet, and uncritical of the figures of his time... General Bradley has given us a very informative autobiography. Especially interesting are the sections on American military participation in the North African and Sicilian campaigns, and Eisenhower's role there; the Normandy landings and subsequent breakout; the Battle of the Bulge; and President Truman's removal of General MacArthur from command in Korea... He is very frank in his comments on Eisenhower's weaknesses as Allied commander in North Africa and Sicily, and of Patton's ill-advised behavior and remarks during that period and later. He is also harshly critical of Montgomery's “prima donna”-like behavior and his continual efforts to push Eisenhower into giving him the supreme command of all Allied ground troops... With the loss of General Bradley, there are unlikely to be any more top-rank firsthand accounts of this period in US military history. Bradley's book, therefore, may have the last word, but he hasn't abused that privilege. He was too fair a man for that.” — Howard C. Thomas, *The Christian Science Monitor* “[A] superb book... a remarkably smooth-flowing account of the life of one of this country's most distinguished military leaders... Bradley's candid appraisals of his superiors, subordinates and peers, notably Patton, Montgomery, Eisenhower, Simpson and Hodges, make fascinating reading... this is a first-rate addition to the growing number of biographies of prominent World War II military personalities. Besides being eminently enjoyable reading for casual consumption, it is of significant value to the student of military history.” — Lieutenant Colonel William A. de Palo, Jr., *Infantry Magazine*

**Carlisle vs. Army** Nov 21 2019 A stunning work of narrative nonfiction, *Carlisle vs. Army* recounts the fateful 1912 gridiron clash that pitted one of America's finest athletes, Jim Thorpe, against the man who would become one of the nation's greatest heroes, Dwight D. Eisenhower. But beyond telling the tale of this momentous event, Lars Anderson also reveals the broader social and historical context of the match, lending it his unique perspectives on sports and culture at the dawn of the twentieth century. This story begins with the infamous massacre of the Sioux at Wounded Knee, in 1890, then moves to rural Pennsylvania and the Carlisle Indian School, an institution designed to “elevate” Indians by uprooting their youths and immersing them in the white man's ways. Foremost among those ways was the burgeoning sport of football. In 1903 came the man who would mold the Carlisle Indians into a juggernaut: Glenn “Pop” Warner, the son of a former Union Army captain. Guided by Warner, a tireless innovator and skilled manager, the Carlisle eleven barnstormed the country, using superior team speed, disciplined play, and tactical mastery to humiliate such traditional powerhouses as Harvard, Yale, Michigan, and Wisconsin—and to, along the way, lay waste American prejudices against Indians. When a troubled young Sac and Fox Indian from Oklahoma named Jim Thorpe arrived at Carlisle, Warner sensed that he was in the presence of greatness. While still in his teens, Thorpe dazzled his opponents and gained fans across the nation. In 1912 the coach and the Carlisle team could feel the national championship within their grasp. Among the obstacles in Carlisle's path to dominance were the Cadets of Army, led by a hardnosed Kansan back named Dwight Eisenhower. In Thorpe, Eisenhower saw a legitimate target; knocking the Carlisle great out of the game would bring glory both to the Cadets and to Eisenhower. The symbolism of this matchup was lost on neither Carlisle's footballers nor on Indians across the country who followed their exploits. Less than a quarter century after Wounded Knee, the Indians would confront, on the playing field, an emblem of the very institution that had slaughtered their ancestors on the field of battle and, in defeating them, possibly regain a measure of lost honor. Filled with colorful period detail and fascinating insights into American history and popular culture, *Carlisle vs. Army* gives a thrilling, authoritative account of the events of an epic afternoon whose reverberations would be felt for generations. “*Carlisle vs. Army* is about football the way that *The Natural* is about baseball.” —Jeremy Schaap, author of *I*

**American Ace** Apr 07 2021 This riveting novel in verse, perfect for fans of Jacqueline Woodson and Toni Morrison, explores American history and race through the eyes of a teenage boy embracing his newfound identity Connor's grandmother leaves his dad a letter when she

dies, and the letter's confession shakes their tight-knit Italian-American family: The man who raised Dad is not his birth father. But the only clues to this birth father's identity are a class ring and a pair of pilot's wings. And so Connor takes it upon himself to investigate—a pursuit that becomes even more pressing when Dad is hospitalized after a stroke. What Connor discovers will lead him and his father to a new, richer understanding of race, identity, and each other.

**A Nation of Deadbeats** Aug 11 2021 The story of America is a story of dreamers and defaulters. It is also a story of dramatic financial panics that defined the nation, created its political parties, and forced tens of thousands to escape their creditors to new towns in Texas, Florida, and California. As far back as 1792, these panics boiled down to one simple question: Would Americans pay their debts—or were we just a nation of deadbeats? From the merchant William Duer's attempts to speculate on post-Revolutionary War debt, to an ill-conceived 1815 plan to sell English coats to Americans on credit, to the debt-fueled railroad expansion that precipitated the Panic of 1857, Scott Reynolds Nelson offers a crash course in America's worst financial disasters—and a concise explanation of the first principles that caused them all. Nelson shows how consumer debt, both at the highest levels of finance and in the everyday lives of citizens, has time and again left us unable to make good. The problem always starts with the chain of banks, brokers, moneylenders, and insurance companies that separate borrowers and lenders. At a certain point lenders cannot tell good loans from bad—and when chits are called in, lenders frantically try to unload the debts, hide from their own creditors, go into bankruptcy, and lobby state and federal institutions for relief. With a historian's keen observations and a storyteller's nose for character and incident, Nelson captures the entire sweep of America's financial history in all its utter irrationality: national banks funded by smugglers; fistfights in Congress over the gold standard; and presidential campaigns forged in stinging controversies on the subject of private debt. *A Nation of Deadbeats* is a fresh, irreverent look at Americans' addiction to debt and how it has made us what we are today.

**The Death of Rhythm and Blues** Oct 21 2019 From Nelson George, supervising producer and writer of the hit Netflix series, "The Get Down," this passionate and provocative book tells the complete story of black music in the last fifty years, and in doing so outlines the perilous position of black culture within white American society. In a fast-paced narrative, Nelson George's book chronicles the rise and fall of "race music" and its transformation into the R&B that eventually dominated the airwaves only to find itself diluted and submerged as crossover music.

**An Unknown Future and a Doubtful Present** Apr 19 2022 CMH Pub. 93-10. 1st printing. On cover: World War 2 50th Anniversary Commemorative Edition. Spine title reads: Writing the Victory Plan of 1941. Describes the planning process that Major Albert Coady Wedemeyer used in the summer of 1941 to write the plan that became the outline for mobilization and operations during World War 2. Includes an appendix, "The Army Portion of the Victory Plan, Ultimate Requirements Study, Estimate of Ground Forces." Also includes photographs, footnotes, a bibliography, and an index.

**Flamethrower** Sep 19 2019 Late in the Pacific War, as Americans were fighting their way to the home islands of Japan, one of the fiercest battles of WWII was raging. The Japanese had created perhaps the best defended area anywhere on an island called Iwo Jima. Days into the battle, casualties were high. U.S. Marines were taking an awful pounding out in the open from enemy fortified positions. Japanese soldiers in pillboxes and bunkers knew that the greatest danger they faced was from a flamethrower if it could get near enough to hit them. Imagine a little guy strapping on a highly flammable 70-pound weapon, instantly drawing heavy enemy fire as he maneuvered close enough with a small team of Leathernecks to destroy a pillbox. "Woody" Williams did just that on the hellishly hot and sulfurous, volcanic island of Iwo, destroying Japanese emplacements against dire odds. He, along with numerous comrades, did it again and again, taking out hundreds of fortifications which had stalled their regiment's advance to secure the islands airfields. The capture of Iwo helped the new B-29s have P-51 fighter-plane escorts to help the bombers pound Japan into submission. Iwo actually was a backup landing zone for the Enola Gay if she had difficulties delivering her atomic bomb on 6 August 1945 at Hiroshima, a bomb American leaders hoped would bring Hirohito to his knees begging for surrender. Accomplished historian, Bryan Rigg, reconstructs Woody Williams' remarkable story, from his youth on a dairy farm in West Virginia to his experiences as a Marine on Guadalcanal, on Guam and on Iwo. Rigg tells Williams' story vividly, and objectively, and places it in the context of the broader Pacific theater of World War II. Using never-before-seen documents and interviews, Rigg brings out new information about the Pacific War unknown until now. As he explores Woody's life, Rigg enables the reader to better appreciate the brave Marines and their heroics. Moreover, Rigg explores the numerous problems with Woody's narrative. Consequently, this book also documents Woody's controversial Medal of Honor process, one of the most controversial MOH stories to come out of WWII.

**Breathe My Name** Jun 09 2021 Frances can forgive. She can even forget. But she can never escape her past. . . . In this compelling psychological thriller from the acclaimed author of *Teach Me*, Frances Robinson has the perfect life: loving adoptive parents, a great best friend, and a cute new boyfriend. But Frances has a secret. Once upon a time she wasn't Frances Robinson. She was Shine, and she lived with her three sisters and her birth mother, Afton Jelks, far out in the country. But the loneliness overtook Afton's fragile mind, and one day she smothered her daughters, one after another. Only Frances escaped. Now Afton is out of prison. And she wants to finish what she started. . . .

**Open Water** Mar 06 2021 WINNER OF THE COSTA FIRST NOVEL AWARD 2021 WINNER OF DEBUT NOVEL OF THE YEAR AT THE BRITISH BOOK AWARDS 2022 A No.1 BESTSELLER IN THE TIMES 'A tender and touching love story, beautifully told' Observer 'Hands-down the best debut I've read in years' The Times 'A beautiful and powerful novel about the true and sometimes painful depths of love' Candice Carty-Williams, bestselling author of *QUEENIE* 'An unforgettable debut... it's Sally Rooney meets Michaela Coel meets Teju Cole' New York Times 'A love song to Black art and thought' Yaa Gyasi, bestselling author of *HOMEGOING* and *TRANSCENDENT KINGDOM* Two young people meet at a pub in South East London. Both are Black British, both won scholarships to private schools where they struggled to belong, both are now artists - he a photographer, she a dancer - trying to make their mark in a city that by turns celebrates and rejects them. Tentatively, tenderly, they fall in love. But two people who seem destined to be together can still be torn apart by fear and violence. At once an achingly beautiful love story and a potent insight into race and masculinity, *Open Water* asks what it means to be a person in a world that sees you only as a Black body, to be vulnerable when you are only respected for strength, to find safety in love, only to lose it. With gorgeous, soulful intensity, Caleb Azumah Nelson has written the most essential British debut of

recent years. 'An amazing debut novel. You should read this book. Let's hear it for Caleb Azumah Nelson, also known as the future' Benjamin Zephaniah 'A short, poetic and intellectual meditation on art and a relationship between a young couple' Bernardine Evaristo, author of GIRL, WOMAN, OTHER 'A very touching and heartfelt book' Diana Evans, award-winning author of ORDINARY PEOPLE 'A lyrical modern love story, brilliant on music and art, race and London life, I enjoyed it hugely' David Nicholls, author of ONE DAY and SWEET SORROW 'Caleb is a star in the making' Nikesh Shukla, editor of THE GOOD IMMIGRANT and BROWN BABY 'A stunning piece of art' Bolu Babalola, bestselling author of LOVE IN COLOUR 'For those that are missing the tentative depiction of love in Normal People, Caleb Azumah Nelson's Open Water is set to become one of 2021's unmissable books. Utterly transporting, it'll leave you weeping and in awe.' Stylist 'An exhilarating new voice in British fiction' Vogue 'A poetic novel about Black identity and first love in the capital from one of Britain's most exciting young voices' Harper's Bazaar 'An intense, elegant debut' Guardian WINNER OF THE COSTA FIRST NOVEL AWARD WINNER OF DEBUT NOVEL OF THE YEAR AT THE BRITISH BOOK AWARDS SHORTLISTED FOR THE SUNDAY TIMES YOUNG WRITER OF THE YEAR AWARD WINNER OF THE BAD FORM BOOK OF THE YEAR AWARD SHORTLISTED FOR WATERSTONES BOOK OF THE YEAR LONGLISTED FOR THE DYLAN THOMAS PRIZE, THE DESMOND ELLIOTT PRIZE AND THE GORDON BURN PRIZE A NATIONAL BOOK AWARD '5 UNDER 35' HONOREE Pre-order Caleb Azumah Nelson's new novel SMALL WORLDS now
