Hugh Roy Cullen Jun 16 2019 This is a new release of the original 1954 edition.

Asian/American Curricular Epistemicide Oct 21 2019 In this important book, Nicholas Hartlep and Daniel Scott ' s detailed analyses on both visual and historical representations of Asian Americans in textbooks and teacher manuals used in our elementary and secondary schools poignantly tell us that generations of children are growing up being fed this single story about Asian Americans. As Hartlep and Scott write. Asian Americans have once again been constructed as the “ good minority ” that can succeed on their own and be used as a political instrument to shame the Blacks for their underachievement and their fight for equality. Over and over again, the media has been telling “ a single story ” about Asian Americans to the public for the past fifty years. The consequence of this fabricated story is that it “ discourages others—even Asian-Americans themselves—from believing in the validity of their struggles ” (Linshi, 2014, p. 1).

American Literature Oct 01 2020 Emory Elliott, one of our outstanding American Literature scholars and critics and his co-editors have assembled an extraordinarily rich, diverse, and iconoclastic anthology. It constitutes a virtual revision of American literary history. -Joyce Carol Oates

America: History of Our Nation 2011 Survey Student Edition Oct 25 2022 Prentice Hall America: A History of Our Nation is a program designed to engage today's students in the exciting story of our nation's past. Built around meeting the way you teach and the way your child learns, the program provides different pathways into the content for all levels and types of learners, while providing cutting-edge support developed to provide a "wow!" factor at each stage of instruction. The program is built around Essential Questions designed to stimulate conversation, emphasize source analysis, hands-on learning, and critical thinking with a goal of helping students to achieve an enduring understanding of America's past. Authors focus on the "why" of history--helping students make meaning of what happened long ago and why it remains important to us today. The Survey Edition - supports all American History courses from the beginnings to the modern day The Beginnings Through 1877 Edition - supports courses covering up to the Civil War and Reconstruction. The Civil War to the Present Edition - can be used for the second part of a two-year American History course and includes a review of American History to the Civil War.

Proceedings and Addresses of the American Philosophical Association Aug 19 2019 List of members in v. 1- .

The Prentice Hall Atlas of World History Sep 12 2021 Thoroughly revised and updated, The Prentice Hall Atlas of World History, Second Edition applies the most modern and innovative map-making techniques to present both a broad overview and a detailed examination of the many strands of global history. Features of the atlas include: an integrated cartographic approach that allows readers to look at world history from a number of different perspectives: global, thematic, regional, and chronological; two-page maps that provide a comprehensive overview of world history at key time periods; and introductions, focus questions, timelines, and map annotations that promote deeper examination of the interplay between geography and history.

American Encounters Jun 28 2020 "Contextual in approach, this text draws on socio-economic and political studies as well as histories of religion, science, literature, and popular culture, and explores the diverse, conflicted history of American art and architecture. Thematically interrelating the visual arts to other material artifacts and cultural practices, the text examines how artists and architects produced artwork that visually expressed various social and political values."--Publisher's website.

Land, People, Nation Jul 30 2020 Based on the CALLA model, the "Land, People, Nation" series is an effective tool for students to acquire English and academic content simultaneously. It also serves as a valuable alternative for students experiencing difficulty with a basal social studies text. New in the Second Edition: Alignment with national history

standards, including correlations to assist in lesson planning. Explicit instruction on learning strategies. The inclusion of CALLA Phases (Preparation, Presentation, Practice, Self-evaluation, and Expansion) on each page of the student text. Website listings to assist instructors in integrating technology into the program.

Major Problems in American Popular Culture Feb 23 2020 MAJOR PROBLEMS IN AMERICAN POPULAR CULTURE follows the highly successful Major Problems format. Each chapter comprises essays and documents that focus on a particular aspect of American popular culture. These essays and documents will prompt students to think about the centrality of popular culture in American life and its powerful role in forging identity, historical memory, and relationships among consumers, producers, citizens, and the state. They reinforce the idea that popular culture is the ground on which cultural and social transformations are worked. Race and class are at the center of the analysis, and these categories, along with gender and nationalism, thread through the chapters. They all argue for seeing popular audiences as active creators rather than passive receivers of popular culture. Authors in Depth Dec 03 2020

Death by China Aug 31 2020 The world's most populous nation and soon-to-be largest economy is rapidly turning into the planet's most efficient assassin. Unscrupulous Chinese entrepreneurs are flooding world markets with lethal products. China's perverse form of capitalism combines illegal mercantilist and protectionist weapons to pick off American industries, job by job. China's emboldened military is racing towards head-on confrontation with the U.S. Meanwhile, America's executives, politicians, and even academics remain silent about the looming threat. Now, best-selling author and noted economist Peter Navarro meticulously exposes every form of "Death by China," drawing on the latest trends and events to show a relationship spiraling out of control. Death by China reveals how thousands of Chinese cyber dissidents are being imprisoned in "Google Gulags"; how Chinese hackers are escalating coordinated cyberattacks on U.S. defense and America's key businesses; how China's undervalued currency is damaging the U.S., Europe, and the global recovery; why American companies are discovering that the risks of operating in China are even worse than they imagined; how China is promoting nuclear proliferation in its pursuit of oil; and how the media distorts the China story--including a "Hall of Shame" of America's worst China apologists. This book doesn't just catalogue China's abuses: It presents a call to action and a survival guide for a critical juncture in America's history--and the world's. Publisher's note - in this book various quotes and viewpoints are attributed to a 'Ron Vara'. Ron Vara is not an actual person, but rather an alias created by Peter Navarro in order to present his views and opinions.

American Literature May 20 2022

Prentice Hall United States History Oct 13 2021 Developed to meet the needs of modern United States history courses. This text includes a review unit bridging early American history content before studying modern times. Authors Emma J. Lapsansky-Werner, Peter B. Levy, Randy Roberts, and Pulitzer Prize winner Alan Taylor inspire today's students by presenting our nation's history as a continuing drama. Their focus on enduring American issues help students understand why history matters. As part of their desire to reach out to every teacher in high school U.S. history classrooms, the authors have contributed their own personal insights about the content and teaching of each chapter. --Website.
