The Inside Job Aug 25 2022 Hale, who turned double-agent against the corrupt spy organization he was raised in, knows his super-spy parents can't come home until the Sub Rosa Society is neutralized--and that he and his friends are all that's standing between SRS and their worldwide crimes. So Hale wants to hit the bad guys where it hurts: their bank account. Hale and his allies all travel to Switzerland and discover that this won't be a smash-and-grab job like they expected. SRS doesn't have any actual money that can be taken--it's all hidden in secret digital accounts. Oh, and some super heavy gold bars. To take them down, Hale's crew will have to undo SRS's crimes and get to the inside man at the bank, all while artfully evading SRS's notice. There's plenty of action, a big fluffy show dog, a nefarious clown, and, as readers expect from this series, all kinds of comedic, high-stakes adventure.

see who can finagle their way onto the nearby private course, their friendship is tested in ways they had never expected in this humorous novel from Rick Reilly, one of America's most popular sportswriters. *Missing Links* is the story of four middle class buddies who live outside of Boston and for years have been 1) utterly obsessed with golf and 2) a regular foursome at Ponkaquoque Municipal Course and Deli, not so fondly known as Ponky, the single worst golf course in America. Just adjacent to these municipal links lies the Mayflower Country Club, the most exclusive private course in all of Boston and a major needle in their collective sides. Frustrated by the Mayflower's finely manicured greens and snooty members, three of Ponky's finest and most courageous—Two Down, Dannie, and Stick—set up a bet: \$1,000.00 apiece, and the first man to somehow finagle his way on to the Mayflower course takes all. Lying, cheating, and forgery are encouraged, to put it mildly, and with the constant heckling and rare aid of Chunkin' Charlie, Hoover, and Bluto--a few more of Ponky's elite--the games begin. One of the three will eventually play the Mayflower's course, but their friendships--and everything else--will change as various truths unravel and the old Ponky starts looking like the home they never should have left.

addiction by Dr. Phil's leading interventionist and recovering addict Joani Gammill. "Exuding the same passion and purpose as the author herself, Joani Gammill's *The Interventionist* is a heartfelt game changer and long overdue. You deserve to read it." --Dr. Phil McGraw, host of CBS's nationally syndicated show *Dr. Phil* Inspiring stories from the frontlines of the battle against addiction by Dr. Phil's leading interventionist Joani Gammill. Joani Gammill, an average suburban mom on the outside, was secretly addicted to multiple forms of opiates and amphetamine for years, and almost died as a result. Through the life-changing intervention staged by Dr. Phil on his show, Gammill not only committed to getting help for her addiction, but she also went on to become a professional interventionist, helping thousands of others in distress. In *The Interventionist*, she intertwines her experiences with depictions of her often harrowing and always inspiring interventions of the addicts and families she's worked with over the years. In each chapter she recounts details of a client's unique battle with addiction and the devastation that led to a loved one's request for her help. Gammill's intriguing story--and the equally captivating stories of the brave people who come to her for help--demonstrates how it is possible to emerge from the seemingly hopeless world of out-of-control drug use and not only regain one's sanity, but actually discover that life clean and sober can be more meaningful than it ever was before. About the author Joani Gammill, RN, BRI I, appears regularly on the *Dr. Phil* show where she leads interventions that have inspired millions of his viewers. Before her career as an interventionist, she worked as a registered nurse in medical facilities, then in a state-run drug-and-alcohol-rehabilitation center.

Shortly after this statement Charlie Stephens, a 81-year-old former filmmaker, is murdered. The incident is made to look like an accident, but why? Going through his father's effects, Gary Stephens - a director of beer and yogurt ads - discovers seven cans of old 35mm film. Dated before the landing, they're identical to the footage NASA claims was shot by the Apollo 11 crew. The US flag is not and has never been in the Sea of Tranquillity, and only Tricky Dick and a handful of others knew it. Why was the real nature of the Apollo 11 mission kept hidden? And what measures will be taken to keep the secret buried?

Pot Farm Apr 09 2021 After eight months in his childhood home helping his mother through her bout with cancer, Matthew Frank and his wife were themselves desperate for comfort. They found sanctuary in the most unlikely place—amid a collection of outcasts and eccentrics on a plot of land miles outside their comfort zone: a “mostly medical” marijuana farm in California. Pot Farm details the strange, sublime, and sometimes dangerous goings-on at Weckman Farm, a place with hidden politics and social hierarchies, populated by recovering drug addicts, alternative healers, pseudo-hippie kids, and medical marijuana users looking to give back. There is also Lady Wanda, the massive, elusive, wealthy, and heavily armed businesswoman who owns the farm and runs it from beneath a housedress and a hat of peacock feathers. Frank explores the various roles that allow this industry to work—from field pickers to tractor drivers, cooks to yoga instructors, managers to snipers, illegal immigrants to legal revisionists, and the delivery crew to the hospice workers on the other end. His book also looks at the blurry legislation regulating the marijuana industry as well as the day-to-day logistics of running such an operation and all the relationships that brings into play. Through firsthand observations and experiences (some influenced by the farm's cash crop), interviews, and research, Pot Farm exposes a thriving but unsung faction of contemporary American culture.
