Why You? Oct 27 2022 ****Revised and updated for 2017 with ten extra tech questions.**** Learn the secrets to excelling at interview, direct from top interviewers and recruiters, in *Why You?* by James Reed, chairman of recruitment specialists REED. You can't prepare an answer for every interview question. So, of the thousands of questions they might ask, which ones will they ask? After extensive research among hundreds of interviewers and thousands of interviewees, finally here's the book that will give you the answer. *Why You?* is based on direct input from top interviewers in REED's unrivalled recruitment network. It offers powerful preparation techniques, the lowdown on how to answer the most common questions and - above all - how to adopt a winning mindset at interview, one that will help you succeed on the day. From classic questions like 'tell me about yourself' and 'what are your greatest weaknesses?' to puzzlers like 'sell me this pen' and 'how many traffic lights are there in London?', James Reed reveals what interviewers are really asking. James Reed is the Chairman of REED, the recruitment specialists. He first joined the company in 1992 after graduating from Harvard Business School; since then REED has more than quadrupled in size and reed.co.uk has become the number one job site in the UK and Europe. REED now receives more than 46 million job applications a year and has delivered over 100 programmes helping more than 140,000 long-term unemployed people back into work. James is co-author of *Put Your Mindset to Work*, winner of the 'Commuter's Read' prize at the CMI Management Book Awards 2012. He is also a Fellow of the Chartered Institute of Personnel and Development (CIPD).

GUIDE TO A WINNING INTERVIEW Feb 25 2020 Looking for a way to excel at your next interview? Want to appear more confident in the interview room? Then keep reading this. The truth of the matter is, going through an interview is much harder than it actually looks. No matter what others say, when it comes to being inside the room with the interviewer, everyone falters. If you want to be a success at your interviews, then you need to inculcate or develop a certain frame of mind. This will depend mostly on your pre-interview preparations. If you are aware of what are some of the basic questions that all interviews basically boil down to, then you have much of the territory covered. So, what are these questions that you need to know about that will get you in prime position for the job? This is precisely what is covered in Guide to a Winning Interview. The ultimate aim of the book is to disclose all the properly guarded secrets of being a success at interviews without trying to be someone else. All you need is a little self-confidence and the technical know-how that is associated with the job. Through this book, you will learn: How to determine your career goals and strategies How to go about answering the most common job interview questions in the context of case examples A list of things that you should ask the interviewer to know more about the job What to say, if anything, after the interview is over A list of Dos and Don'ts in a job interview, explaining why they need to be followed How to make the best of your body language and its importance All about your dress code The secret to remain calm, which will end up making a positive impression on the interviewer Guide to a Winning Interview will be your bible until you are able to find the job that you have always dreamed of. Not only it will teach you a variety of things that will enable you to crack every interview that you give, but it will also help you build certain habits that will stick with you for the entirety of your professional career. Even if you are just starting out and have no idea as to how to go about preparing for an interview, you can still have an edge over others after reading this book. Preparing for interviews is not rocket science, but it does require a certain guideline that, if you follow it religiously, will guarantee you success at every stage of your career. Are you interested in knowing more? Get this book and start preparing for your dream job today.
