Come Out and Play Jun 11 2021 I got sucked into Ms. Daggett's influence because I was young and stupid and had an overabundance of lust and a shortage of common sense. Worse, I had a thing for older women. Even worse, I let my weaknesses result in losing my job and dignity. That was fine because I then encountered Ms. Daggett, she took me in hand and put me on a short leash. I was her caged possession. It was everything I wanted...until it wasn't. And then I just wanted it more. This is a 60,000 word erotic novella that contains explicit sex and sexual descriptions. It focuses on explicit sex, sex between adults of significant age difference, a femme domme submissive male cuckolding relationship, bisexuality, male chastity, risky sex, sexual domination, complicated sexual relationships, and other sexually explicit themes and language that not all members of the public will enjoy. All characters are 18 or older. Originally published in 6 parts. Excerpt: I couldn't help myself. My eyes automatically fell to Kris's bottom as she led me through the halls of the office. It was pleasantly big and round. Maybe the skirt she was wearing was a little too tight or maybe she had put on a few pounds recently, either way I didn't mind. Since I was coming to the end of my probationary first year at the investment bank with the clever moniker of Consolidated Investments and Financial Advisors, I figured she had summoned me for some paperwork. Ms. Taylor, as she liked to be addressed by everyone who was her subordinate, always had a frown on her face and never looked happy. Oddly, that was a turn-on to me; I had a thing for older women. It had started in high school and went with me to college. I had tried bedding a few of my teachers but never with any success. Out in the workforce, I had hopes that my charm and good looks would take me further into the bedroom of these experienced and worldly women. The HR head indicated the folder. "Please read the document." Two seconds after I did, my heart sank and my stomach tightened. I was certain I was going to throw up. They were my words, and they put in the crudest of terms exactly what I wanted to do to Ms. Strohmman.

But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. River of Fire Jul 20 2019 'Riveting ... Providing a window into the upheaval in the church during the 1960s and 70s, Prejean's engrossing memoir also fleshes out how she rose to be an influential voice within the church before becoming a renowned proponent of abolishing the death penalty. Informing and entertaining, Prejean's exceptional memoir will be of special interest to social justice advocates. Publishers Weekly In this revelatory, intimate memoir from the author of *Dead Man Walking*, America's foremost leader in efforts to abolish the death penalty shares the story of her growth as a spiritual leader, speaks out about the challenges of the Catholic Church and shows that joy and religion are not mutually exclusive. Sister Helen Prejean's work as an activist nun, campaigning to educate Americans about the inhumanity of the death penalty, is known to millions worldwide. Less widely known is the evolution of her spiritual journey from praying for God to solve the world's problems to engaging full-tilt in working to transform societal injustices. Sister Helen grew up in a well-off Baton Rouge family that still employed black servants. She joined the Sisters of St Joseph at the age of eighteen and was in her forties when she had an awakening that her life's work was to immerse herself in the struggle of poor people forced to live on the margins of society. In this honest and fiercely open account, Sister Helen writes about the relationships with friends, fellow nuns and mentors who have shaped her over the years, as well as the close friendship with a priest that challenged her vocation in the 'new territory of the heart'. The final page of *River of Fire* ends with the opening page of *Dead Man Walking*, when she was first invited to correspond with a man on Louisiana's death row. *River of Fire* is a book for anyone interested in journeys of faith and spirituality, doubt and belief and 'catching on fire' to purpose and passion. Written in accessible, luminous prose, it is a book about how to live a spiritual life that is wide awake to the sufferings and creative opportunities of our world.

Of Chastity and Power Jun 30 2020 Elizabeth I was one of the most powerful women rulers in European history. What can feminism reveal about the attitudes of her male subjects towards this enigmatic figure? Through readings of key Elizabethan texts by Lyly, Raleigh, Chapman, Shakespeare, and Spenser, Philippa Berry shows that while Elizabeth's combination of chastity with political and religious power was repeatedly idealized, it was also perceived as extremely disturbing. The figure of the unmarried queen implicitly challenged the masculine focus of Renaissance discourses of love, philosophy and

absolutist political ideology. In her exploration of the potent combination of themes of sexuality and politics with classical myth and Neoplatonic mysticism, Berry offers a radical reassessment of the status of 'oman' as a bearer of meaning within Renaissance literature and culture.--Amazon.com.

Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband. Mar 08 2021 Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication,

they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

Performing Virginity and Testing Chastity in the Middle Ages Jan 06 2021 This book challenges the belief that female virginity can be reliably and unambiguously defined, tested and verified. Kelly analyses a variety of medieval Western European texts - including medical treatises and their Classical antecedents - and historical and legal documents. The main focus is the representation of both male and female virgins in saints' legends and romances. The author also makes a comparative study of examples from contemporary fiction, television and film in which testing virginity is a theme. *Performing Virginit*y and Testing Chastity in the Middle Ages presents a compelling and provocative study of the paradox of bodily and spiritual integrity as both presence and absence.

Of Male Chastity Jan 18 2022 In this industrious tale of revenge, women of latent power rebel, turn the tides and end their frustration. A frustrated Millicent Hayward decides to end husband Harold's annoying attempts to please himself with his inadequate equipment, locking away an organ which the women of the world will never miss. In doing so she finds a level of arousal not before achieved and a Harold who begins to better perform orally. Curious body modifications assist in Harold's new role and Millicent enters a new world of feminine authority. After training her husband to offer pleasure but never to receive, she next turns the tables on her once wealthy libertine boss, and Millie learns that she is not alone in her quest to transform male desire into meaningful and ardent feminine ecstasy. The boss has secret penchants that led to an expensive divorce and enables his proficient assistant, the experienced Penepole Teasdale, to take control a very lucrative enterprise. Readers will thrill in learning of Miss Teasdale's background. Just where does a prim and well educated woman learn to so thoroughly control the male organ? Millie is also joined by her jaded neighbor and nurse Julie Danforth who will finally take control of her philandering husband. In the author's world of feminine dominion, the phallus is deemed superfluous to sexual gratification. Oral pleasure rules. Therefore the penis is best locked away and relegated to being a source of control and torment rather than enjoyment. Instead it is the tongue which best satisfies. And what better way to ensure fervent oral servitude than to demand thorough chastity and thus assure that the male desire for ecstasy be experienced only vicariously, felt through she holding the key to an ineluctable chastity device.

Male Chastity Keyholder Guide Jul 24 2022 There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One

particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.
