*Mediation Practice Guide* Oct 04 2020 Written in a user-friendly style, the book is intended for lawyers and businesspersons alike and provides invaluable and straightforward understanding of key suitability, preparation and advocacy issues in mediation.

*Construction Dispute Resolution Handbook* Nov 17 2021 This handbook provides up-to-date information on the various forms of dispute resolution which have recently become available and discusses the more established procedures.

*A Handbook of Dispute Resolution* Jul 25 2022 A Handbook of Dispute Resolution examines the theoretical and practical developments that are transforming the practice of lawyers and other professionals engaged in settling disputes, grievance-handling and litigation. The book explains what distinguishes ADR from other forms of dispute resolution and examines the role ADR can play in a range of contexts where litigation would once have been the only option, such as family law and company law. In some areas, like industrial relations, ADR is not an alternative, but the main method of conflict-intervention, and several contributors draw on their experience of negotiating between management and unions. A wide variety of methods is open to the non-litigious, including resort to Ombudsmen, negotiation, small claims courts and mini-trials; these and other options receive detailed attention. Given the newness of ADR as a discipline, questions about the training of mediators and about the role of central government have not yet been resolved. The final section of the book is devoted to discussion of these issues. Case studies are drawn from the international arena - examples from China, Canada, Australia, Germany and North America place ADR in a cultural and historical perspective.

*The Jackson ADR Handbook* Jan 27 2020 Provides an in-depth overview of ADR before covering in detail the principles, processes, and enforcement options involved. This fully revised third edition integrates a range of important new case law and specifically locates ADR within an increasingly digital landscape.

**AAA Handbook on Mediation - Second Edition** Mar 09 2021 Assembled from *Dispute Resolution Journal* - the flagship publication of the American Arbitration Association - the chapters in the Handbook have all, where necessary, been revised and updated prior to publication. The book is succinct, comprehensive and a practical introduction to the use of arbitration and ADR, written by leading practitioners and scholars. The Handbook begins with a thorough introduction into the practice of mediation and offers advice and strategies in preparing for and conducting successful mediations. It explores the use of mediator evaluations, (i.e. opinions as to the likely outcome or value of legal claims), reframing (i.e. restating or rephrasing statements of conflict), risk analysis, the underlying psychology and bridging of cultural gaps, among many other areas included to assist mediators in achieving the best results. Attorneys are provided with guidance on establishing a mediation practice, preparing clients for mediation, negotiation tactics, and how to answer a client's questions regarding the process of mediation. It discusses confidentiality and ethics in mediation and also addresses the use of mediation in specific types of disputes, such as business to business matters, construction, medical malpractice, governmental agencies including environmental agencies, and in the workplace. Lastly, it touches on various mediation issues as they arise in the legal system. The chapters were selected from an extensive body of writings and, in the main, represent world-class assessments of arbitration and ADR practice. All the major facets of the field are addressed and provide the reader with comprehensive and accurate information, lucid evaluations, and an indication of future developments. They not only acquaint, but also ground the reader in the field.

*EU Mediation Law Handbook* Feb 20 2022 Mediation is rapidly becoming a norm in cross-border dispute resolution among European Union (EU) Member States. Accordingly, an important question for legal advisers to ask themselves is: Which jurisdiction offers the best legal framework to support a potential future mediation of my client's dispute? This book responds to this question by examining the law on mediation in each Member State on a chapter-by-chapter basis. Each country analysis applies the book's overarching principle of a specially designed Regulatory Robustness Rating System, which is thoroughly explained in an introductory chapter. This framework offers a highly effective way to analyse the quality and robustness of each of the EU's twenty-nine national jurisdictions' legal frameworks relevant to mediation (including legislation, case law, practice directions, codes of conduct, standards, and other regulatory instruments) and factor such an analysis into choices about governing law in mediation clauses and other agreements. Among the issues and topics covered are the following: • congruence of domestic and international legal frameworks; • transparency and clarity of content of mediation laws; • standards and qualifications for mediators; • rights and obligations of participants in mediation; • access to mediation services; • access to internationally recognised and skilled mediators; • enforceability of clauses and mediated settlement agreements; • confidentiality and flexibility; • admissibility of evidence from mediation in subsequent proceedings; • impact of commencement of mediation on litigation limitation periods; • relationship and attitude of courts to mediation; and • regulatory incentives for legal advisers to engage in mediation. This detailed analysis clearly allows users and other regulatory stakeholders to look closely and critically at regulatory regimes for mediation in order to make informed choices and develop appropriate strategies in relation to the law that governs their mediation. This is the first book to consider authoritatively what makes good mediation law and what makes a jurisdiction attractive for cross-border mediation purposes in terms of its regulatory framework. As a resource that identifies potential strengths and weaknesses of each EU Member State's regulatory regime, it has no peers and will be welcomed and put to use by the alternative dispute resolution community in Europe and beyond.

*The Handbook of Family Dispute Resolution* Jun 24 2022 No matter your profession (attorney, clinician, family therapist) or skill level (seasoned

professional or novice), The Handbook of Family Dispute Resolution is an invaluable resource that outlines the most effective mediation approaches, techniques, and skills. The Handbook of Family Dispute Resolution is a practical and comprehensive guide that includes \* A review of professional ethics and standards \* Help for attorneys who are not trained in the skills needed for working with families \* Information about cultural issues that affect families during mediation \* Highlights of key legal and negotiation skills \* Guidelines for understanding complex family dynamics and conflicts \* A screening tool for evaluating domestic violence \* A matrix for starting discussions of parenting plans based on children's needs \* An examination of specialized practices for family mediation \* Direction for assessing one's professional approach to family mediation

**Private Dispute Resolution in International Business: Handbook** Apr 29 2020 Private Dispute Resolution in International Business consists of two books and an interactive DVDRom. Volume I follows the progress of a dispute between two companies, in step-by-step detail, through negotiation, mediation, and arbitration in turn. Volume II provides precise, informed solutions to the problems raised in the first volume's case study. The DVDRom contains not only all contracts and other written documentation produced during the dispute—including all procedural orders and awards rendered by the arbitral tribunal during the arbitration, the text of legal materials such as arbitration laws and rules and international conventions, and further learning and teaching aids—but also almost 100 videos dramatising the negotiation, mediation, and arbitration proceedings described in the books, conducted by highly experienced practitioners active in the field of international dispute resolution. Subtitles in the videos refer the viewer to paragraphs in the books where each relevant legal problem is analysed. In addition, an internet home page provides regular updates. To summarise: ; The Case Study (Volume I) provides a realistic and highly practical approach to learning and teaching the law and practice of private dispute resolution in international business. The Handbook (Volume II) provides a comprehensive comparative study of the law of international dispute resolution. The DVDRom allows for a highly innovative, interactive teaching and learning experience, and provides a comprehensive collection of arbitration rules and other documentary material. The videos on the DVDRom clearly manifest the soft skills and advocacy skills required to successfully resolve international business disputes, including the unique opportunity to draw on-screen comparisons between the negotiation, mediation, and arbitration methods. With its concrete and highly practical approach, this innovative teaching and training tool for international dispute resolution will be of immeasurable value to students and teachers of dispute resolution, corporate counsel, international lawyers, and business people. DVD-ROM (put this in right column) The DVD-ROM has a large number of interactive teaching and learning features which you can use simultaneously with the books or separately. The main menu of the DVD contains seven buttons: 'Parties and Persons', 'Case Development', 'Documents and Events', 'Materials', 'Videos', 'Soft Skills' and 'Links'. The button 'Parties and Persons' provides an overview of the 'actors' who appear in the video section of the DVD-ROM. Under the button 'Case Development' you will find an animated graphical Case Development which enables you to better understand the sequence of events in the first two Scenarios of the Case Study. This tool should therefore be used simultaneously with the Case Study. Under the button 'Documents and Events' you will find a chronological list of events for each Scenario, together with the relevant documents produced by the xvi Private Dispute Resolution in International Business - Handbook parties during the contract negotiations, the negotiations in the Hague, the mediation (fax messages, general contract conditions, etc.) and the arbitration (legal briefs, communications from the DIS Secretariat, orders of the Tribunal, awards, etc.) as pdf files. You should refer to these documents whenever the symbol '( )' indicates that the document is reproduced on the DVD. Under the button 'Materials'

**The SAGE Handbook of Conflict Resolution** Dec 06 2020 ?The SAGE Handbook of Conflict Resolution demonstrates the range of themes that constitute modern conflict resolution. It brings out its key issues, methods and dilemmas through original contributions by leading scholars in a dynamic and expanding field of inquiry. This handbook is exactly what it sets out to be: an indispensable tool for teaching, research and practice in conflict resolution? - Peter Wallensteen, Professor of Peace and Conflict Research, Uppsala University and University of Notre Dame ?Bercovitch, Kremenyuk and Zartman are among the most important figures in the conflict resolution field. They have pieced together, with the help of more than 35 colleagues from numerous countries, a state-of-the-art review of the sources of international conflict, available methods of conflict management, and the most difficult challenges facing the individuals and organizations trying to guide us through these conflict-ridden times. The collection is brimming with penetrating insights, trenchant analyses, compelling cases, and disciplined speculation. They help us understand both the promise of as well as the obstacles to theory-building in the new field of conflict resolution? - Lawrence Susskind, Professor and Director of the MIT - Harvard Public Disputes Program ?The last three sentences of this persuasive book: "We conclude this volume more than ever convinced that conflict resolution is not just possible or desirable in the current international environment. It is absolutely necessary. Resolving conflicts and making peace is no longer an option; it is an intellectual and practical skill that we must all possess." If you are part of that "we," intellectually or professionally, you will find this book a superb companion? - Thomas C Schelling, Professor Emeritus, Harvard University and University of Maryland Conflict resolution is one of the fastest-growing academic fields in the world today. Although it is a relatively young discipline, having emerged as a specialized field in the 1950's, it has rapidly grown into a self-contained, vibrant, interdisciplinary field. The SAGE Handbook of Conflict Resolution brings together all the conceptual, methodological and substantive elements of conflict resolution into one volume of over 35 specially commissioned chapters. The Handbook is designed to reflect where the field is today by drawing on the contributions of experts from different fields presenting, in a systematic way, the most recent research and practice. Jacob Bercovitch is Professor of International Relations, and Fellow of the Royal Society, at the University of Canterbury in Christchurch, New Zealand. Victor Kremenyuk is deputy director of the Institute for USA and Canada Studies, Russian Academy of Sciences, Moscow. He is also a research associate at IIASA. I. William Zartman is Jacob Blaustein Professor of Conflict Resolution and International Organization at the Nitze School of Advanced International Studies of Johns Hopkins University

**Construction Arbitration and Alternative Dispute Resolution** Aug 22 2019 This book provides comprehensive, rigorous and up-to-date coverage of key issues that have emerged in the first quarter of the 21st Century in transnational construction arbitration and alternative dispute resolution (ADR). Covering four general themes, this book discusses: the increasing internationalisation of dispute resolution in construction law; the increasing reliance on technology in the management of construction projects and construction arbitration/ADR; the increasing prominence of collaborative contracting in construction and infrastructure projects; the increasing importance of contractual adjudication such as dispute boards in construction and infrastructure projects; the increasing prevalence of statutory adjudication mechanisms across the world; and the greater incidence of investment disputes and disputes against States and State entities over construction and infrastructure concessions and agreements. Tapping on their substantial expertise in practice and in research, the contributor team of senior practitioners and academics in the area of construction law and dispute resolution provide readers with information that balances an intellectually rigorous academic contribution against the backdrop of real concerns raised in practice. Construction Arbitration and Alternative Dispute Resolution is an invaluable resource for practitioners in the field, academics in arbitration and construction law, and post-graduate students in construction law and dispute resolution.

**Bypass Court** Jun 12 2021 "Recourse to dispute resolution processes such as mediation and arbitration is increasing as litigants look for more practical means of resolving their disputes. This authoritative and accessible work provides practical advice on how to select, prepare for and engage in a range of dispute resolution processes. Practical and portable, and including examples, forms, checklists and sample documents, this handbook is a reference source for anyone who is involved in a dispute resolution process."--Pub. desc.

**Handbook of ICC Arbitration** Apr 10 2021 Handbook of ICC Arbitration provides expert analysis of the whole process of using and adhering

to the ICC Arbitration Rules. It examines close up the diverse issues that can occur during an arbitration and hosts essential information related to arbitration on an international level with reference to published and unpublished awards and procedural orders, as well as to many decisions of national courts.

*The Cambridge Handbook of Judicial Control of Arbitral Awards* Sep 22 2019 A unique collaboration between academic scholars, legal practitioners, and arbitrators, this handbook focuses on the intersection of arbitration - as an alternative to litigation - and the court systems to which arbitration is ultimately beholden. The first three parts analyze issues relating to the interpretation of the scope of arbitration agreements, arbitrator bias and conflicts of interest, arbitrator misconduct during the proceedings, enforceability of arbitral awards, and the grounds for vacating awards. The next section features fifteen country-specific reviews, which demonstrate that, despite the commonality of principles at the international level, there is a significant amount of differences in the application of those principles at the national level. This work should be read by anyone interested in the general rules and principles of the enforceability of foreign arbitral awards and the grounds for courts to vacate or annul such awards.

*Engineer's Dispute Resolution Handbook* Aug 26 2022 This handbook provides up-to-date information on the various forms of dispute resolution which have recently become available and discusses the more established procedures. It is written by a team of chartered engineers with hands-on experience and practising barristers from one of the UK's top specialist chambers who deal exclusively with engineering and construction disputes in straightforward language, without jargon and without assuming prior knowledge.

*Handbook on the Peaceful Settlement of Disputes Between States* Nov 24 2019

**The Oxford Handbook of Conflict Management in Organizations** Aug 02 2020 New ways of managing conflict are important features of work & employment in organizations. World's leading scholars examine range of innovative alternative dispute resolution practices, drawing on international research, scholarship, covering case studies of major exemplars & developments in different parts of global economy. Aust & NZ content.

**Dispute Resolution in the Energy Sector** Aug 14 2021 This title provides a practical, user-friendly overview of the essentials of dispute resolution in the energy industry. Leading practitioners from international law firms and global companies consider, among other things, the drafting of dispute resolution clauses, the effective use of international arbitration, the management of large-scale energy disputes, and the development of case law in oil and gas disputes, construction disputes, environmental disputes and disputes arising in the renewables and nuclear sectors."

**LITIGATION HANDBOOK** Feb 26 2020

*A Handbook on the WTO Dispute Settlement System* May 31 2020 The WTO dispute settlement system plays an important role in clarifying and enforcing the legal obligations contained in the WTO Agreement. It has gained a strong practical relevance as more than 300 disputes have been brought from 1 January 1995 through October 2003. While dispute settlement is certainly not the only activity taking place within the WTO, it has become an important part of the practical reality of the Organization. WTO dispute settlement has also become an important tool in the management by WTO Members of their international economic relations at large. The objective of this handbook is to give the reader a good understanding of the practical operation of this system. Working through this guide, the reader will be introduced to all elements of the dispute settlement process, from the initiation of a case through to the implementation of the decision.

*Appropriate Dispute Resolution (ADR) in Ireland* Jul 21 2019 In Irish family law, Appropriate Dispute Resolution (ADR) is a huge growth area which is being promoted both by government, at a policy level and by statute, and also by knowledgeable clients. The economic climate has facilitated a shift toward cost saving and non-court resolution options, such as collaborative practice and mediation. Ireland's draft Mediation Bill 2012 provides that solicitors and barristers have a duty to provide information and advice on mediation. This book is the first on this topic devoted to the requirements of the Irish market and assists family lawyers to embrace ADR as an integral part of their practice and educate family law clients on the workings and advantages of ADR. Contents include: the development of family law in Ireland since the introduction of judicial separation and divorce \* the adversarial nature of the family court system \* the lack of resources within the current system \* mediation \* collaborative practice \* neutral experts in family ADR \* finality within reason

**The LegalTech Book** Sep 15 2021 Written by prominent thought leaders in the global fintech and legal space, The LegalTech Book aggregates diverse expertise into a single, informative volume. Key industry developments are explained in detail, and critical insights from cutting-edge practitioners offer first-hand information and lessons learned. Coverage includes: · The current status of LegalTech, why now is the time for it to boom, the drivers behind it, and how it relates to FinTech, RegTech, InsurTech, WealthTech and PayTech · Applications of AI, machine learning and deep learning in the practice of law; e-discovery and due diligence; AI as a legal predictor · LegalTech making the law accessible to all; online courts, online dispute resolution · The Uberization of the law; hiring and firing through apps · Lawbots; social media meets legal advice · To what extent does LegalTech make lawyers redundant or more efficient? · Cryptocurrencies, distributed ledger technology and the law · The Internet of Things, data privacy, automated contracts · Cybersecurity and data · Technology vs. the law; driverless cars and liability, legal rights of robots, ownership rights over works created by technology · Legislators as innovators · Practical LegalTech solutions helping Legal departments in corporations and legal firms alike to get better legal work done at lower cost

**The Mediation Handbook** May 23 2022 The Handbook of Mediation gathers leading experts across fields related to peace, justice, human rights, and conflict resolution to explore ways that mediation can be applied to a range of spectrums, including new age settings, relationships, organizations, institutions, communities, environmental conflicts, and intercultural and international conflicts. The text is informed by cogent theory, state-of-the-art research, and best practices to provide the reader with a well-rounded understanding of mediation practice in contemporary times. Based on four signature themes—contexts; skills and competencies; applications; and recommendations—the handbook provides theoretical, applicable, and practical insight into a variety of key approaches to mediation. Authors consider modern conflict on a local and global scale, emphasizing the importance of identifying effective strategies, foundations, and methods to shape the nature of a mediation mindfully and effectively. With a variety of interdisciplinary perspectives, the text complements the development of the reader's competencies and understanding of mediation in order to contribute to the advancement of the mediation field. With a conversational tone that will welcome readers, this comprehensive book is essential reading for students and professionals wanting to learn a wide range of potential interventions for conflict.

**The LAT Handbook** Mar 29 2020

*A Handbook on the WTO Dispute Settlement System* Apr 22 2022 The WTO dispute settlement system has become one of the most dynamic, effective and successful international dispute settlement systems in the world over the past twenty years. This second edition of A Handbook on the WTO Dispute Settlement System has been compiled by the dispute settlement lawyers of the WTO Secretariat with a view to providing a practice-oriented account of the system. In addition to describing the existing rules and procedures, this accessibly written handbook explains how those rules and procedures have been interpreted by dispute settlement panels and the Appellate Body, and how they have evolved over time. The handbook provides practical information to help various audiences understand the day-to-day operation of the WTO dispute settlement system.

*AAA Handbook on Commercial Arbitration* Jun 19 2019 Assembled from Dispute Resolution Journal - the flagship publication of the American Arbitration Association - the chapters in the Handbook have all, where necessary, been revised and updated prior to publication. The book is

succinct, comprehensive and a practical introduction to the use of arbitration and ADR, written by leading practitioners and scholars. The Handbook begins with an exploration of drafting commercial arbitration clauses and provides advice on selecting the right arbitrator for any given commercial arbitration dispute. It supplies practitioners with guidelines for use in their arbitration practice and covers such topics as evidence and discovery, arbitral subpoena powers, procedural and interim orders. It also offers guidance on witness preparation, expert testimony, and cross-examination. There are chapters that specifically address the arbitration of large complex cases, healthcare disputes, and entertainment industry disputes. Arbitrators are provided with recommendations regarding professional conduct and responsibility. Arbitral awards and remedies are covered extensively and arbitrators are provided with practical approaches and information on drafting awards, punitive damages, the finality of awards and, post-decision debriefing. Lastly, this book discusses commercial arbitration as it relates to the legal system. The chapters were selected from an extensive body of writings and, in the main, represent world-class assessments of arbitration and ADR practice. All the major facets of the field are addressed and provide the reader with comprehensive and accurate information, lucid evaluations, and an indication of future developments. They not only acquaint, but also ground the reader in the field.

**The Mediator's Handbook** Oct 16 2021 Experienced mediators take you step-by-step through the mediation process, offering strategies to apply in particular contexts and valuable tips to help develop and enhance skills. This highly practical approach reflects in checklists, comments and casenotes throughout including shuttle negotiation and mediation.

**A Handbook of Dispute Resolution** Sep 27 2022 A Handbook of Dispute Resolution examines the theoretical and practical developments that are transforming the practice of lawyers and other professionals engaged in settling disputes, grievance-handling and litigation. The book explains what distinguishes ADR from other forms of dispute resolution and examines the role ADR can play in a range of contexts where litigation would once have been the only option, such as family law and company law. In some areas, like industrial relations, ADR is not an alternative, but the main method of conflict-intervention, and several contributors draw on their experience of negotiating between management and unions. A wide variety of methods is open to the non-litigious, including resort to Ombudsmen, negotiation, small claims courts and mini-trials; these and other options receive detailed attention. Given the newness of ADR as a discipline, questions about the training of mediators and about the role of central government have not yet been resolved. The final section of the book is devoted to discussion of these issues. Case studies are drawn from the international arena - examples from China, Canada, Australia, Germany and North America place ADR in a cultural and historical perspective.

**Arbitration Law Handbook** Jan 07 2021 The Arbitration Law Handbook collects together in one volume the laws in force in more than twenty countries, with the main procedural rules used in each of those countries. Each section has a short overview identifying relevant treaty obligations, the main arbitral bodies and the principal laws in force. Additionally, there is an international section in which the UNCITRAL Model Law and Arbitration Rules are set out and in which the major international conventions relating to arbitration, such as the New York Convention and table of signatories, are reproduced. The section also includes the ICSID Arbitration Rules (applicable to the settlement of investment disputes), as well as those of WIPO (applicable to the settlement of intellectual property disputes)

**The Handbook of Conflict Resolution Education** Sep 03 2020 Based on the principles of cooperation and problem solving, conflict resolution helps students solve problems themselves by identifying underlying needs and finding solutions that meet everyone's interests to the fullest extent possible. With an easy-to-use workbook format.

**FAMILY DISPUTE RESOLUTION HANDBOOK.** Jul 13 2021

**Keating Construction Dispute Resolution Handbook** Dec 18 2021

**Interdisciplinary handbook of dispute resolution** Jul 01 2020 L'ouvrage a pour objectif de faire le point sur le fonctionnement et l'efficacité de ces processus de résolutions. Les articles s'articuleront autour du thème des MARC et traiteront de manière transversale des aspects théoriques, empiriques, pédagogiques.

**The Handbook of Conflict Resolution** Jan 19 2022 The Handbook of Conflict Resolution, Second Edition is written for both the seasoned professional and the student who wants to deepen their understanding of the processes involved in conflicts and their knowledge of how to manage them constructively. It provides the theoretical underpinnings that throw light on the fundamental social psychological processes involved in understanding and managing conflicts at all levels—interpersonal, intergroup, organizational, and international. The Handbook covers a broad range of topics including information on cooperation and competition, justice, trust development and repair, resolving intractable conflict, and working with culture and conflict. Comprehensive in scope, this new edition includes chapters that deal with language, emotion, gender, and personal implicit theories as they relate to conflict.

**Litigation Services Handbook** Oct 24 2019 Here's all the information you need to provide your clients with superior litigation support services. Get up to speed quickly, with the aid of top experts, on trial preparation and testimony presentation, deposition, direct examination, and cross-examination. Authoritative and highly practical, this is THE essential guide for any financial expert wanting to prosper in this lucrative new area, the lawyers who hire them, and litigants who benefit from their efforts. "This work of amazing breadth and depth covers the central issues that arise in financial expert testimony. It is an essential reference for counsel and practitioners in the field."—Joseph A. Grundfest, The William A. Franke Professor of Law and Business, Stanford Law School; former commissioner, United States Securities and Exchange Commission.

**AAA Handbook on Arbitration Practice** Nov 05 2020 The AAA Handbook on Arbitration Practice assembles from Dispute Resolution Journal - the flagship publication of the American Arbitration Association - and other sources the latest thinking on arbitration and dispute resolution. All chapters, where necessary, have been revised and updated by the authors to insure that they represent the most current developments in law and practice. The Handbook is a succinct, comprehensive and a practical introduction to the use of arbitration, written by leading practitioners and scholars, it provides essential orientation and is a "must" for anyone with an interest in the field - from the seasoned to the neophyte. The AAA Handbook on Arbitration Practice brings to the arbitration and dispute resolution professional the latest thinking on arbitration from world-renowned specialists in the field. The chapters in this work were selected from an extensive body of writings and, in the main, represent world-class assessments of arbitration and dispute resolution practice. All the major facets of the field are addressed. The chapters provide the reader with comprehensive and accurate information, lucid evaluations, and useful practical guidance. They not only acquaint, but also ground the reader in the field.

**Alternative Dispute Resolution** May 11 2021 This book examines various ADR practices, giving you the information you need to evaluate each technique and successfully apply them. Includes numerous checklists, practice tips and sample agreements.

**Law, Technology and Dispute Resolution** Dec 26 2019 The use of new information and communication technologies both inside the courts and in private online dispute resolution services is quickly changing everyday conflict management. However, the implications of the increasingly disruptive role of technology in dispute resolution remain largely undiscussed. In this book, assistant professor of law and digitalisation Riikka Koulu examines the multifaceted phenomenon of dispute resolution technology, focusing specifically on private enforcement, which modern technology enables on an unforeseen scale. The increase in private enforcement confounds legal structures and challenges the nation-state's monopoly on violence. And, in this respect, the author argues that the technology-driven privatisation of enforcement - from direct enforcement of e-commerce platforms to self-executing smart contracts in the blockchain - brings the ethics of law's coercive nature out into the open. This development constitutes a new, and dangerous, grey area of conflict management, which calls for transparency and public debate on the ethical

implications of dispute resolution technology.

*The Handbook of Dispute Resolution* Oct 28 2022 This volume is an essential, cutting-edge reference for all practitioners, students, and teachers in the field of dispute resolution. Each chapter was written specifically for this collection and has never before been published. The contributors--drawn from a wide range of academic disciplines--contains many of the most prominent names in dispute resolution today, including Frank E. A. Sander, Carrie Menkel-Meadow, Bruce Patton, Lawrence Susskind, Ethan Katsh, Deborah Kolb, and Max Bazerman. The Handbook of Dispute Resolution contains the most current thinking about dispute resolution. It synthesizes more than thirty years of research into cogent, practitioner-focused chapters that assume no previous background in the field. At the same time, the book offers path-breaking research and theory that will interest those who have been immersed in the study or practice of dispute resolution for years. The Handbook also offers insights on how to understand disputants. It explores how personality factors, emotions, concerns about identity, relationship dynamics, and perceptions contribute to the escalation of disputes. The volume also explains some of the lessons available from viewing disputes through the lens of gender and cultural differences.

**Comparative Dispute Resolution** Feb 08 2021 Comparative Dispute Resolution offers an original, wide-ranging, and invaluable corpus of chapters on dispute resolution. Enriched by a broad, comparative vision and a focus on the processes used to handle disputes, this study adds significantly to the discourse around comparative legal studies. Chapters present new understandings of theoretical, comparative and transnational dimensions of the manner in which societies and their legal systems respond to difficulties in social relations.

**The Blackwell Handbook of Mediation** Mar 21 2022 This handbook invites readers who are interested in mediation, negotiation and conflict resolution to share the perspectives of experts in the field. Contributors include scholars, mediators, trainers and negotiators, all of whom are passionate about their work. Emphasises both internal and external factors as important sources of influence when negotiating conflicts. Explores the cultural and institutional frameworks that have shaped intervention processes. Considers what techniques might work when, how and why. Demonstrates the sophistication of contemporary studies of mediation, negotiation and conflict resolution.
