**Humorous Crosswords** Nov 21 2019 Puns can make you laugh or groan, but when they're clues to these challenging and fun crossword puzzles, they'll make you smile with satisfaction. Can you find the five-letter word for "a race that's always a tie"? (Answer: ASCOT.) How about the three-letter word for "performing a scull operation"? (Answer: ROW.) If you can get those in short order, how about moving on to a 10-letter word for "small fries." (That answer is MICROCHIP.) Most of the puzzles are built around themes with several related words such as vegetables, insects, or Dr. Seuss books. But watch out--the vegetables may be spelled backwards; the insects are puns; and some of the Dr. Seuss puzzle answers include FIGURE OF SNEETCH, GRINCH MEAN TIME, and LAUNCHED A WOCKET. You can find the answers in back, but they're scattered around to make it harder to cheat.

**Big General Knowledge Crossword Puzzle Book** Aug 19 2019 Play General Knowledge Crossword Puzzles General knowledge crosswords are one of the more popular variants of the standard crossword puzzle. The puzzle plays and solves exactly the same way as a normal crossword, the only difference is that, as opposed to quick crosswords that tend to have shorter, definition based clues and answers, general knowledge puzzles - as the name implies - test your knowledge, and therefore the clues can be a little longer. For instance, whereas a quick crossword might test your knowledge of synonyms, a general knowledge puzzle is more likely to test knowledge of subjects such as history, entertainment, art and literature, sport, science and more besides.

Therefore you can expect clues based around the words of Shakespeare, particles in physics, the date of famous historical battles and much more besides in the general knowledge crosswords. As a result not only are general knowledge crosswords very satisfying to solve, they are also a fantastic and fun way of learning new information, as from time to time unless you have superb general knowledge you'll need to look up or research an answer or two in order to complete some of the puzzles. It's worth noting that all general knowledge crosswords here are compiled in the UK, so for our friends around the world you may find some references a little UK-centric, for instance names of TV personalities or sports star, although many people we mention will be known around the globe; equally geographical clues are not overly obscure in the majority of cases but generally refer to well-known cities and rivers and so on.
