[It Takes a Village](#) Dec 17 2021 In celebration of the tenth anniversary of "It Takes a Village, " this splendid edition includes photographs and a new Introduction by Senator Hillary Rodham Clinton. A decade ago, then First Lady Hillary Rodham Clinton chronicled her quest -- both deeply personal and, in the truest sense, public -- to help make our society into the kind of village that enables children to become smart, able, resilient adults. "It Takes a Village" is "a textbook for caring.... Filled with truths that are worth a read, and a reread" "(The Dallas Morning News)." For more than thirty-five years, Senator Clinton has made children her passion and her cause. Her long experience -- not only through her roles as mother, daughter, sister, and wife but also as advocate, legal expert, and public servant -- has strengthened her conviction that how children develop and what they need to succeed are inextricably entwined with the society in which they live and how well it sustains and supports its families and individuals. In other words, it takes a village to raise a child. In her new Introduction, Senator Clinton reflects on how our village has changed over the last decade -- from the impact of the Internet to new research in early child development and education. She discusses issues of increasing concern -- security, the environment, the national debt -- and looks at where we have made progress and where there is still work to be done. "It Takes a Village" has become a classic. As relevant as ever, this anniversary edition makes it abundantly clear that the choices we make today about how we raise our children and how we support families will determine how our nation will face the challenges of this century.

[Hillary Rodham Clinton: First Lady, Senator, and Secretary of State](#) Jun 18 2019 "Hillary Rodham Clinton's fascinating journey from a little girl in Chicago, Illinois to secretary of state for the United States and the impact she has made on women's rights and human rights within the United States and beyond." -- P. [4] of cover.

[Hillary Rodham Clinton](#) Aug 25 2022 As a young girl, Hillary Diane Rodham's parents told her she could be whatever she wanted--as long as she was willing to work for it. Hillary took those words and ran. In a life on the front row of modern American history, she has always stood out--whether she was a teen campaigning for the 1964 Republican presidential candidate, winning recognition in Life magazine for her pointed words as the first

student commencement speaker at Wellesley College, or working on the Richard Nixon impeachment case as a newly minted lawyer. For all her accomplishments, scrutiny and scandal have followed this complex woman since she stepped into the public eye—from her role as First Lady of Arkansas to First Lady of the United States to becoming the first female U.S. senator from New York to U.S. secretary of state. Despite intense criticism, Hillary has remained committed to public service and dedicated to health-care reform, children's issues, and women's rights. Now, she aspires to a bigger role: her nation's first woman president. In *Hillary Rodham Clinton: A Woman Living History*, critically acclaimed author Karen Blumenthal gives us an intimate and unflinching look at the public and personal life of Hillary Rodham Clinton. Illustrated throughout with black-and-white photographs and political cartoons, this is a must-have biography about a woman who has fascinated--and divided--the public, who continues to push boundaries, and who isn't afraid to reach for one more goal. "After decades in the public eye, Hillary Rodham Clinton is still an enigma, as Blumenthal (*Tommy: The Gun That Changed America*) emphasizes in this compelling portrait of the former U.S. Senator and Secretary of State's journey from budding activist to presidential aspirant." —Publishers Weekly, starred review

*It Takes a Village* Nov 23 2019 A new picture book from Simon & Schuster. Simon & Schuster has a great book for every reader.

**Hell to Pay** Oct 03 2020 In *Accomplice*, Olson separates fact from fiction and shows us Hillary's often disturbing complicity in her husband's affairs.

*Hard Choices* Apr 21 2022 Hillary Rodham Clinton's inside account of the crises, choices, and challenges she faced during her four years as America's 67th Secretary of State, and how those experiences drive her view of the future. "All of us face hard choices in our lives," Hillary Rodham Clinton writes at the start of this personal chronicle of years at the center of world events. "Life is about making such choices. Our choices and how we handle them shape the people we become." In the aftermath of her 2008 presidential run, she expected to return to representing New York in the United States Senate. To her surprise, her former rival for the Democratic Party nomination, newly elected President Barack Obama, asked her to serve in his administration as Secretary of State. This memoir is the story of the four extraordinary and historic years that followed, and the hard choices that she and her colleagues confronted. Secretary Clinton and President Obama had to decide how to repair fractured alliances, wind down two wars, and address a global financial crisis. They faced a rising competitor in China, growing threats from Iran and North Korea, and revolutions across the Middle East. Along the way, they grappled with some of the toughest dilemmas of US foreign policy, especially the decision to send Americans into harm's way, from Afghanistan to Libya to the hunt for Osama bin Laden. By the end of her tenure, Secretary Clinton had visited 112 countries, traveled nearly one million miles, and gained a truly global perspective on many of the major trends reshaping the landscape of the twenty-first century, from economic inequality to climate change to revolutions in energy, communications, and health. Drawing on conversations with numerous leaders and experts, Secretary Clinton offers her views on what it will take for the United States to compete and thrive in an interdependent world. She makes a passionate case for human rights and the full participation in society of women, youth, and LGBT people. An astute eyewitness to decades of social change, she distinguishes the trendlines from the headlines and describes the progress occurring throughout the world, day after day. Secretary Clinton's descriptions of diplomatic conversations at the highest levels offer readers a master class in international relations, as does her analysis of how we can best use "smart power" to deliver security and prosperity in a rapidly changing world—one in which America remains the indispensable nation.

*State of Terror* Nov 16 2021 AN INSTANT #1 NEW YORK TIMES BESTSELLER Named one of the most anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political

enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. *State of Terror* is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

**Extreme Makeover of Hillary (Rodham) Clinton** Apr 09 2021 An analysis of Hillary Clinton's efforts to adapt her public image to render her a desirable presidential candidate describes how perceptions about her have changed, in a profile that considers her eligibility and potential for the presidency.

**Hell to Pay** Sep 02 2020 A former congressional investigator discusses Hillary Clinton's radical political agenda, her role in the Clinton scandals, and her true personality.

**Living History** Oct 27 2022 This ebook edition contains the full text version as per the book. Doesn't include original photographic and illustrated material. One of the most intelligent and influential women in America reflects on her eight years as First Lady of the United States in a revealing book - personal, political and newsmaking. During her husband's two administrations, Hillary Rodham Clinton redefined the position of First Lady. How this intensely private woman not only survived but prevailed is the dramatic tale of her book. Hillary Clinton shares the untold story of her White House years and recalls the challenging process by which she came to define herself as a wife, a mother, and a formidable politician in her own right. Mrs Clinton was the first First Lady who played a direct role in shaping domestic policy; she was an unofficial ambassador for human rights and democracy around the world; and she helped save the Presidency during the impeachment crisis.

**Stronger Together** Oct 15 2021 For more than a year, Hillary Clinton has laid out an ambitious agenda to improve the lives of the American people and make our country stronger and safer. *Stronger Together* presents that agenda in full, relating stories from the American people and outlining the Clinton/Kaine campaign's plans on everything from apprenticeships to the Zika virus, including: -Building an economy that works for everyone, not just those at the top. -Making the biggest investment in good-paying jobs since World War II, including infrastructure, manufacturing, clean energy, and small business. -Making debt-free college a reality and tackling the student debt crisis. -Defeating ISIS, strengthening our alliances, and keeping our military strong. -Breaking down the barriers that hold Americans back by reforming our broken immigration system, ending mass incarceration, protecting voting rights, and fixing our campaign finance system. -Putting families first through universal, affordable health care; paid family and medical leave, and affordable child care. *Stronger Together* offers specific solutions and a bold vision for building a more perfect union.

**The Seduction of Hillary Rodham** Feb 19 2022 A biography of the controversial first lady examines the political and social influences that have

shaped her, her role in the Clinton White House, and her struggle to maintain her personal and political integrity

**Hillary Rodham Clinton** May 22 2022 Chronicles the life of former first lady Hillary Rodham Clinton, focusing on her activities during the ten years leading up to her national prominence and her influence on her husband's presidential administration.

*Living History* Apr 28 2020 The U.S. senator from New York offers an thought-provoking, candid chronicle of her eight years as First Lady of the United States, looking back on her husband's two administrations, the challenges she faced during the period, the impeachment crisis, her own political work, and more. 1,250,000 first printing. \$500,000 ad/promo.

**Hillary Rodham Clinton: Do All the Good You Can** Jan 06 2021 An inspiring and meticulously researched middle grade biography of Hillary Rodham Clinton—First Lady, senator, secretary of state, and the first female presidential nominee in United States history. Hillary Rodham Clinton is a true leader. Growing up in Park Ridge, Illinois, Hillary was inspired by the philosophy of John Wesley, who urged his followers to "do all the good you can." Rising to prominence in 1992 as the First Lady of the United States, Hillary captured the world's attention with her bold ideas and political forcefulness. From her time at Wellesley to her life at the White House and beyond, Hillary has been at the forefront of huge change—and despite setbacks and political scandals, she has worked for good in the world. Acclaimed author Cynthia Levinson creates a compelling and personal portrait of Hillary's historic journey from her childhood to her service as secretary of state and beyond. Includes a timeline of Hillary Rodham Clinton's life and a photo insert. "This extensively researched and comprehensive biography tells us more of the woman who is that public figure, from some of her inspirations (like Dr. Martin Luther King, Jr. and the Birmingham protests) and the impact of her religious faith on her commitment to service" (Brightly.com).

**The Making of Hillary Clinton** Sep 21 2019 Beginning with the 1992 presidential campaign that propelled them to two terms in the White House, Hillary and Bill Clinton have occupied the American political stage like no other couple in history. Indeed, it is impossible to understand the past twenty-five years of American politics without understanding the Clintons. Hillary redefined the role of First Lady, taking an office in the West Wing and becoming a key member of the president's inner circle of policymakers. As the Clinton presidency ended, Hillary won a seat in the US Senate, where she served for eight years until President Barack Obama appointed her secretary of state. Hillary's strong campaigns for the Democratic presidential nomination in 2008 and 2016 shattered the barriers against women running for America's highest political office and made it possible to believe that a woman can now become president of the United States. Hillary's quarter century in the public spotlight and 2016 presidential bid offer a natural opportunity to look back at her transformation into a national policymaker, a transformation that occurred behind the scenes in the Clinton White House. One observer who had inside access to Hillary Clinton as she grew from advocate to policymaker was the former Clinton White House photographer, Robert McNeely. In *The Making of Hillary Clinton*, he presents a richly observed psychological portrait of Hillary's work in the White House, comprising one hundred previously unpublished photographs drawn from his archive at the Dolph Briscoe Center for American History at the University of Texas at Austin. McNeely reveals Hillary's central participation in areas of politics and policy, ranging from health care reform and other domestic issues to international conflicts, far beyond that of any of previous presidential spouse. The photographs clearly show how her experiences in the White House laid the groundwork for her future political career as senator from New York, secretary of state, and presidential candidate. Accompanying the images is an introduction by the acclaimed presidential historian Douglas Brinkley, who reflects on the White House years that McNeely recorded and on the dynamic role that Hillary Clinton continues to play as a trailblazer for women in American politics.

[Hillary Rodham Clinton](#) Nov 04 2020 The beautifully illustrated picture book about Hillary Clinton—now revised and updated with brand-new material about her time as Secretary of State. Before Hillary Clinton was in the running to be president, she was a young girl growing up outside

Chicago who lost the election for student-body president. She wanted to be an astronaut, to soar as high as the stars above. She kept reaching up and up as she grew. There were people who told her no—most of them simply because she was a girl—but she didn't listen to them. There were people who didn't think she could do it. But she believed in herself. And Hillary has been making history ever since. This is the inspiring story of a girl with dreams as big as the open sky.

**An Invitation To The White House** May 10 2021 The First Lady celebrates the history, culture, and food of the White House, in an illustrated volume that captures the significance of this great house in American life.

**Who Is Hillary Clinton?** Jan 26 2020 Who Is Hillary Clinton? Readers of our New York Times best-selling series can find out now! At age fourteen, Hillary Clinton thought it would be thrilling to become an astronaut, so she sent an application to NASA. The reply was a flat out rejection: the space program didn't take women. It was a critical moment for the young girl, one that made her realize the world she lived in needed changing and that she had better try to make those changes happen. Clinton's life has been a thrilling series of firsts—First Lady of the US, then first First Lady to become a US Senator, Secretary of State, and the first woman to run as the Democratic candidate for President. This easy-to-read biography gives readers a firm grounding not only in Clinton's life history but the history of the times in which she's lived. It comes out as she makes her historic run for the White House.

*Extreme Makeover of Hillary (Rodham) Clinton* Oct 23 2019 Buchanan, former U.S. treasurer and sister of former presidential nominee Pat Buchanan, takes Hillary Clinton to task in this unapologetically partisan biography. Buchanan outlines how Clinton's personality and character changed after she was elected to the Senate, casting mock sympathy as she goes: "It must be a terrible thing to be as deeply insecure as Hillary. It has made her so incredibly susceptible to the ideas of others." Subsequent chapters criticize the senator's positions on hot-button issues, including healthcare, same-sex partnerships and the war in Iraq. Buchanan backs up many of her points with outside scholarship and Clinton's own interviews and records (both as senator and student).

**Hillary's History** Aug 13 2021 This historical summary is for the benefit of Millennials and younger people who, perhaps as first time voters, may not have a personal remembrance of the history of Hillary Clinton and her husband Bill. This book will also help refresh the memories of those people, like me, who have experienced the careers of the Clinton couple. The coming 2016 Presidential elections will be pivotal to the future of the United States. During Hillary's tenure as Senator and Secretary of State and under the Obama Administration the Democratic Party has continued its move to a socialist America. Hillary will be the standard-bearer of that policy if elected President, seeking greater government control over the lives, the security, and the money of Americans. The Clinton-Obama foreign policy has weakened America's standing in the world. Our Allies can't trust us and our Enemies don't fear us. Wrong foreign policy decisions begun by Hillary Clinton and carried forward by Barak Obama in Russia, Libya, Syria, Afghanistan, and Iraq have made the world a less safe and more volatile place. Under Clinton- Obama they have enabled the rise of the Islamic State while failing to provide a clear strategy to defeat ISIS and global Islamic terrorism. Hillary Clinton has been a key and significant participant in this alarming trend. From her wrong assessment of Russia to her statements about the attacks in Benghazi, and her mishandling of State Department E-mails, Hillary continually appears unfit to fill the role of President of the United States. There is a saying that if we forget our history we are doomed to repeat it. This book is a recounting of the history of Hillary Rodham Clinton in a short overview fashion. It will highlight the reasons why Hillary Clinton should not be elected President. You decide.

**Rewriting History** Dec 25 2019 Now, for the first time, Fox News political analyst and former Clinton adviser Dick Morris turns his sharp-eyed gaze on Hillary, the longtime First Lady, current New York senator, and bestselling author. For, as he argues, no politician in America today is better

aligned to become president in 2008—and none would bring more baggage to the White House—than Mrs. Clinton. In *Rewriting History*, Morris draws on his own long working relationship with the Clintons, as well as his trademark deep research and candid, nonpartisan analysis, to create a rebuttal to Hillary's bestselling autobiography, *Living History*. Morris documents how Hillary hides her true self behind a "Hillary" brand that is chatty, charming, giggly, and warm—but is far from her true personality. In *Rewriting History*, Morris pierces the mask to get at the truth behind the distortions and omissions of Hillary's memoir. Here we meet the real Hillary, both good and bad: the manager who makes the trains run on time, but also the paranoid who sees all those who disagree with her as personal enemies; the idealist, but also the "advice addict" easily misled by the guru of the moment. Morris describes Hillary's sense of entitlement, and warns that it may lead deep into financial scandal. And he demonstrates how Hillary dodges criticism by pretending that every attack is directed not just at her, but at every working woman in America. Ultimately, Morris argues, the Hillary Clinton of today is marketing a false front, obscuring both her wants and her assets behind the phony facade of a domestic Everywoman. But as she pursues higher office, she also faces a choice. Will she, like Bobby Kennedy, see the error of her ruthless ways, and embrace the sincere idealism she professes? Or, like Richard Nixon, will she allow the darker angels of her nature to overcome her, jeopardizing herself and the country in the process? As *Rewriting History* suggests, we can only hope that Hillary Clinton's past performance is no guarantee of future results.

*Hillary Rodham Clinton: Some Girls Are Born to Lead* Mar 08 2021 In the spirit of Barack Obama: Son of Promise, Child of Hope and Amelia and Eleanor Go for a Ride comes an inspiring portrait of Hillary Rodham Clinton, the first female presidential nominee in United States history: a girl who fought to make a difference—and paved the way for women everywhere—from Michelle Markel and LeUyen Pham. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It's a fun way to learn to read and as a supplement for activity books for children. In the 1950s, it was a man's world. Girls weren't supposed to act smart, tough, or ambitious. Even though, deep inside, they may have felt that way. And then along came Hillary. Brave, brilliant, and unstoppable, she was out to change the world. They said a woman couldn't be a mother and a lawyer. Hillary was both. They said a woman shouldn't be too strong or too smart. Hillary was fearlessly herself. It didn't matter what people said—she was born to lead. With illustrations packed full of historical figures and details, this gorgeous and informative picture book biography is perfect for every budding leader. Includes a timeline, artist's note, and bibliography.

### **Language and Gender Ideology** Aug 01 2020

*Both/And* Aug 21 2019 In this beautifully written and propulsive memoir, Huma Abedin—Hillary Clinton's famously private top aide and longtime adviser—emerges from the wings of American political history to take command of her own story. The daughter of Indian and Pakistani intellectuals and advocates who split their time between Saudi Arabia, the UK, and the United States, Abedin grew up in many worlds. *Both/And* grapples with family, legacy, identity, faith, marriage, and motherhood with wisdom and sophistication. Abedin launched full steam into a college internship in the office of the first lady in 1996, never imagining that her work at the White House would blossom into a career in public service, nor that the career would become an all-consuming way of life. Still in her twenties and thirties, she thrived in rooms with diplomats and sovereigns, entrepreneurs and artists, philanthropists and activists, and witnessed many crucial moments in 21st-century American history—Camp David for urgent efforts at Middle East peace in the waning months of the Clinton administration, Ground Zero in the days after the 9/11 attacks, the inauguration of the first African American president of the United States, the convention floor when America nominated its first female presidential candidate. Abedin's relationship with Clinton has seen both women through extraordinary personal and professional highs, as well as unimaginable lows. Here, for the first time, is a deeply personal account of Hillary Clinton as mentor, confidante, and role model. Abedin cuts through caricature, rumor, and misinformation to reveal a crystal-clear portrait of Clinton as a brilliant and caring leader a steadfast friend, generous, funny, hardworking, and

dedicated. *Both/And* is a candid and heartbreaking chronicle of Abedin's marriage to Anthony Weiner, what drew her to him, how much she wanted to believe in him, the devastation wrought by his betrayals—and their shared love for their son. It is also a timeless story of a young woman with aspirations and ideals coming into her own in high-pressure jobs, and a testament to the potential for women in leadership to blaze a path forward while supporting those who follow in their footsteps. *Both/And* describes Abedin's journey through the opportunities and obstacles, the trials and triumphs, of a full and complex life. Abedin's compassion and courage, her resilience and grace, her work ethic and mission are an inspiration to people of all ages. "This journey has led me through exhilarating milestones and devastating setbacks," said Abedin. "I have walked both with great pride and in overwhelming shame. It is a life I am—more than anything—enormously grateful for and a story I look forward to sharing."

**Hard Choices** Jan 18 2022 Hillary Rodham Clinton's inside account of the crises, choices, and challenges she faced during her four years as America's 67th Secretary of State, and how those experiences drive her view of the future. "All of us face hard choices in our lives, " Hillary Rodham Clinton writes at the start of this personal chronicle of years at the center of world events. "Life is about making such choices. Our choices and how we handle them shape the people we become." In the aftermath of her 2008 presidential run, she expected to return to representing New York in the United States Senate. To her surprise, her former rival for the Democratic Party nomination, newly elected President Barack Obama, asked her to serve in his administration as Secretary of State. This memoir is the story of the four extraordinary and historic years that followed, and the hard choices that she and her colleagues confronted. Secretary Clinton and President Obama had to decide how to repair fractured alliances, wind down two wars, and address a global financial crisis. They faced a rising competitor in China, growing threats from Iran and North Korea, and revolutions across the Middle East. Along the way, they grappled with some of the toughest dilemmas of US foreign policy, especially the decision to send Americans into harm's way, from Afghanistan to Libya to the hunt for Osama bin Laden. By the end of her tenure, Secretary Clinton had visited 112 countries, traveled nearly one million miles, and gained a truly global perspective on many of the major trends reshaping the landscape of the twenty-first century, from economic inequality to climate change to revolutions in energy, communications, and health. Drawing on conversations with numerous leaders and experts, Secretary Clinton offers her views on what it will take for the United States to compete and thrive in an interdependent world. She makes a passionate case for human rights and the full participation in society of women, youth, and LGBT people. An astute eyewitness to decades of social change, she distinguishes the trendlines from the headlines and describes the progress occurring throughout the world, day after day. Secretary Clinton's descriptions of diplomatic conversations at the highest levels offer listeners a master class in international relations, as does her analysis of how we can best use "smart power" to deliver security and prosperity in a rapidly changing world—one in which America remains the indispensable nation. -- Publisher description.

**Dear Socks, Dear Buddy** Jun 11 2021 Collects children's letters to the White House dog and cat

**Rodham** Jul 24 2022 NEW YORK TIMES BESTSELLER • From the author of *American Wife* and *Eligible* . . . He proposed. She said no. And it changed her life forever. "A deviously clever what if."—*O: The Oprah Magazine* "Immersive, escapist."—*Good Morning America* "Ingenious."—*The New York Times* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The New Yorker* • NPR • *The Washington Post* • *Marie Claire* • *Cosmopolitan* (UK) • *Town & Country* • *New York Post* In 1971, Hillary Rodham is a young woman full of promise: Life magazine has covered her Wellesley commencement speech, she's attending Yale Law School, and she's on the forefront of student activism and the women's rights movement. And then she meets Bill Clinton. A handsome, charismatic southerner and fellow law student, Bill is already planning his political career. In each other, the two find a profound intellectual, emotional, and physical connection that neither has previously experienced. In the real world, Hillary followed Bill back to Arkansas, and he proposed several times; although she said no more than once, as we all know, she eventually accepted and became Hillary

Clinton. But in Curtis Sittenfeld's powerfully imagined tour-de-force of fiction, Hillary takes a different road. Feeling doubt about the prospective marriage, she endures their devastating breakup and leaves Arkansas. Over the next four decades, she blazes her own trail—one that unfolds in public as well as in private, that involves crossing paths again (and again) with Bill Clinton, that raises questions about the tradeoffs all of us must make in building a life. Brilliantly weaving a riveting fictional tale into actual historical events, Curtis Sittenfeld delivers an uncannily astute and witty story for our times. In exploring the loneliness, moral ambivalence, and iron determination that characterize the quest for political power, as well as both the exhilaration and painful compromises demanded of female ambition in a world still run mostly by men, *Rodham* is a singular and unforgettable novel.

[Hillary Rodham Clinton](#) Feb 07 2021 Covering all aspects of America's controversial former President's wife, this comprehensive biography offers an unprecedented view of our first baby boomer First Lady, and provides a better understanding of lawyer, board member, and commission member Hillary Clinton.

[A Woman in Charge](#) Jul 12 2021 The nuanced, definitive biography of one of the most controversial and widely misunderstood figures of our time: the woman running a historic campaign as the 2016 Democratic presidential nominee—Hillary Rodham Clinton. Drawing on hundreds of interviews with colleagues and friends and with unique access to campaign records, Pulitzer Prize-winning journalist and bestselling author Carl Bernstein has given us a book that enables us, at last, to address the questions Americans are insistently—even obsessively—asking: Who is she? What is her character? What is her political philosophy? And, what can we expect from Hillary if we elect her President of the United States?

[False Choices](#) Dec 05 2020 Hillary Rodham Clinton is one of the most powerful women in world politics, and the irrational right-wing hatred of Clinton has fed her progressive appeal, helping turn her into a feminist icon. To get a woman in the White House, it's thought, would be an achievement for all women everywhere, a kind of trickle-down feminism. In the run-up to the 2016 presidential election, the mantle of feminist elect has descended on Hillary Clinton, as a thousand viral memes applaud her, and most mainstream feminist leaders, thinkers, and organizations endorse her. In this atmosphere, dissent seems tantamount to political betrayal. In *False Choices*, an all-star lineup of feminists contests this simplistic reading of the candidate. A detailed look at Hillary Clinton's track record on welfare, Wall Street, criminal justice, education, and war reveals that she has advanced laws and policies that have done real harm to the lives of women and children across the country and the globe. This well-researched collection of essays restores to feminism its revolutionary meaning, and outlines how it could transform the United States and its relation to the world. Includes essays from prominent feminist writers Liza Featherstone, Laura Flanders, Moe Tkacik, Medea Benjamin, Frances Fox Piven and Fred Block, Donna Murch, Kathleen Geier, Yasmin Nair, Megan Erickson, Tressie McMillan Cottom, Catherine Liu, Amber A'Lee Frost, Margaret Corvid, Belén Fernández, Zillah Eisenstein, and others.

**Hillary** Mar 28 2020 First . . . student commencement speaker at Wellesley First . . . woman to become full partner at Rose Law Firm First . . . Lady of the United States First . . . First Lady to hold a postgraduate degree First . . . First Lady to win a Grammy Award First . . . elected female Senator of New York First . . . woman to be a presidential candidate in every primary in every state First . . . First Lady to seek the presidency "Always aim high, work hard, and care deeply about what you believe in. . . . And, when you're knocked down, get right back up and never listen to anyone who says you can't or shouldn't go on." -Hillary Rodham Clinton As a young girl growing up in the fifties, Hillary Diane Rodham had an unusual upbringing for the time—her parents told her, "You can do or be whatever you choose, as long as you're willing to work for it." Hillary took those words and ran. Whether it was campaigning at the age of thirteen in the 1964 presidential election, receiving a standing ovation and being featured in *LIFE* magazine as the first student commencement speaker at Wellesley, or graduating from Yale Law School—she was always one to stand out from the

pack. And that was only the beginning. From First Lady of the United States to the first female Senator of New York and most recently as the United States Secretary of State. An activist all her life, she has been devoted to health care reform, child care, and women's rights, among others. *What Happened* Jun 23 2022 "An engaging, beautifully synthesized page-turner" (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton's most personal memoir yet, about the 2016 presidential election. In this "candid and blackly funny" (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. "At her most emotionally raw" (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this "feminist manifesto" (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a "bracing... guide to our political arena" (The Washington Post), *What Happened* lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. *What Happened* is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

*Hillary Rodham Clinton* May 30 2020 The story of Hillary Rodham Clinton in many ways parallels the story of the United States in the latter half of the 20th century and beginning of the 21st century. As part of the baby boom generation, she came of age at the time of the civil rights movement, the Vietnam war, and Watergate. This biography explores the path that led Hillary from her conservative Republican, middle-class beginnings to her emergence as a leader of the Democratic party. As a woman, she has experienced opportunities and positions that would have been unimaginable to previous generations of women. Hillary Rodham Clinton could be the first female president of the United States, making this timely biography essential reading.

*Hillary Clinton Book* Feb 25 2020 University Press returns with another short and captivating portrait of one of history's most compelling figures, Hillary Clinton. Hillary Clinton is one of the most recognized figures in America. She rose from humble beginnings in Chicago to become a First Lady, senator, Secretary of State, and now, presidential candidate. Clinton is no stranger to scandal. She has made mistakes - many of them public. But she is resilient, tenacious, and smart. Public opinion is strongly divided: her supporters adore her; her detractors abhor her. One thing is certain: The world can't ignore her. This short book tells the intensely human story of a woman who is changing the world in a way that no one else can.

**The First Easter Bunny** Jul 20 2019 A rabbit witnesses the death and resurrection of Jesus and becomes the first Easter bunny.

**The Book of Gutsy Women** Mar 20 2022 Now an eight-part docuseries on Apple TV+ Hillary Rodham Clinton and her daughter, Chelsea, share the stories of the gutsy women who have inspired them—women with the courage to stand up to the status quo, ask hard questions, and get the job done. She couldn't have been more than seven or eight years old. "Go ahead, ask your question," her father urged, nudging her forward. She smiled shyly and said, "You're my hero. Who's yours?" Many people—especially girls—have asked us that same question over the years. It's one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of Life

magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible. CHELSEA: This book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close friends' moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains a big piece of the unfinished business of the twenty-first century. While there's a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely optimistic—they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women—leaders with the courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it's that the world needs gutsy women.

**What Happened** Sep 14 2021 A TIME BEST BOOK OF THE YEAR AND NEW YORK TIMES NOTABLE BOOK "In the past, for reasons I try to explain, I've often felt I had to be careful in public, like I was up on a wire without a net. Now I'm letting my guard down." —Hillary Rodham Clinton, from the introduction of *What Happened* For the first time, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. Now free from the constraints of running, Hillary takes you inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. This is her most personal memoir yet. In these pages, she describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. With humor and candor, she tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. She speaks about the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. She lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. *What Happened* is the story of that campaign and its aftermath—both a deeply intimate account and a cautionary tale for the nation.

**Living History** Sep 26 2022 The author chronicles her eight years as First Lady of the United States, looking back on her husband's two administrations, the challenges she faced during the period, the impeachment crisis, and her own political work.

HRC: State Secrets and the Rebirth of Hillary Clinton Jun 30 2020 'An appraisal of a compelling character who might, at the age of 69 in January 2017, be sworn in as the most powerful woman in the history of the world.' The Times, BOOK OF THE WEEK 'A revealing window into the le Carré-

like layers of intrigue that develop when a celebrity politician who is married to another celebrity politician loses to yet another celebrity politician, and goes on to serve the politician who defeated her.' Washington Post 'Provides useful context and intelligent analysis . . . pumped full of colorful you-are-there details.' New York Times Combining deep reporting and West Wing-esque storytelling, HRC reveals the strategising, machinations and last minute decision-making that have accompanied one of the greatest political comebacks in history.
