Defining Moments: Kathryn Kuhlman Jul 12 2021 Each individual Defining Moments ebook is a fascinating look at the remarkable ways in which God has used an ordinary person to change history. But it is about more than history alone—it illuminates the present and unveils the future. Prophetic in nature, it reveals how God wants to work in each of our lives to fulfill His purposes—today, tomorrow, and in the years to come. The stories in the Defining Moments collection of God-encounters carry a prophetic anointing for all who have ears to hear. Author Bill Johnson highlights the significant traits and contributions of many well-known revival leaders, including John Wesley, Charles Finney, Dwight L. Moody, Maria Woodworth-Etter, Carrie Judd Montgomery, Smith Wigglesworth, John G. Lake, Evan Roberts, Rees Howells, Aimee Semple McPherson, Kathryn Kuhlman, Randy Clark, and Heidi Baker. He explains the impact these leaders can have on us today as we respond to the life-changing truths revealed through their life stories. There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives. It is a power that inspires us to hunger for God in such a way that we, too, will have an encounter with Him that launches us into the world of the "impossible," enabling us to fulfill a greater measure of our destiny. Read this ebook with a sense of readiness, and watch what happens.

The Truth of This Life Jun 30 2020 Accessible and elegant teachings from a well-loved and revered woman Zen teacher. "The truth and joy of this life is that we cannot change things as they are." The import of those words can be found beautifully expressed in the work of the woman who spoke them, Katherine Thanas (1927-2012)—in her art, in her writing, and especially in her Zen teaching. Fearlessly direct and endlessly curious, Katherine's understanding of Zen was inseparable from her affinity for the arts. She was an MFA student studying painting with Richard Diebenkorn, the preeminent Californian abstract painter, when she met Shunryu Suzuki, author of Zen Mind, Beginner's Mind, in the sixties. Soon thereafter she decided to drop painting to dedicate herself to Zen, which she did for the last forty years of her life. In these essential teachings taken from her dharma talks—which make up her only book—her love of art and literature shine through in her elegant prose and her vast references, from poets William Stafford and Naomi Shihab Nye to the Zen teachings of Dogen and Robert Aitken. Ranging on subjects from the practice of zazen to the meaning of life, Katherine urges us to "develop an insatiable appetite for inner awareness, to become proficient with this mind." This slim volume is an important contribution by a well-loved and revered teacher.

A Glimpse into Glory Jul 24 2022 For the great God who called me has given me, also, a glimpse of His glory. Kathryn Kuhlman Kathryn Kuhlman introduced the Holy Spirit to a generation who knew Him not. Thousands were born again and healed by the power of God during her miracle services. While most people knew Kathryn Kuhlman only as a woman of miracles, her most lasting contribution to the kingdom is her teaching. Her daily radio broadcasts were gems of truth and wit. This book captures Kathryn's spoken wisdom while also telling the stories of the miracle healings she witnessed. Hundreds of thousands bought her only authorized biography, Daughter of Destiny, to know her better. Then before she died in 1976 she told her biographer, Jamie Buckingham, Tell it all. He realized that what she taught was even more important than what she did. That realization birthed A Glimpse Into Glory. The short chapters that compose A Glimpse Into Glory carefully transcribed and edited from Kathryn's radio teachings represent some of the best messages she preached around the nation. Several are unpublished statements she gave to various magazines and newspapers, taken verbatim from interview tapes. What she had to say gives us not only insight into a woman God used as a prophetic leader, but also provides something far more important: glimpses into His glory.

Next Year, for Sure Feb 19 2022 In this moving and enormously entertaining debut novel, longtime romantic partners Kathryn and Chris experiment with an open relationship and reconsider everything they thought they knew about love. But, as content as they are together, an enduring loneliness continues to haunt the dark corners of their relationship. When Chris tells Kathryn about his feelings for Emily, a vivacious young woman he sees often at the Laundromat, Kathryn encourages her boyfriend to pursue this other woman—certain that her bond with Chris is strong enough to weather a little side dalliance. God in the Rainforest Jun 23 2022 In January of 1956, five young evangelical missionaries were spared to death by a band of the Waorani people in the Ecuadorian Amazon. Two years later, two missionary women--the widow of one of the slain men and the sister of another--with the help of a Wao woman were able to establish peaceful relations with the same people who had killed their loved ones. The highly publicized deaths of the five men and the subsequent efforts to Christianize the Waorani quickly became the defining missionary narrative for American evangelicals during the second half of the twentieth century. God in the Rainforest traces the formation of this story and shows how Protestant missionary work among the Waorani came to be one of the missions most celebrated by Evangelicals and most severely criticized by anthropologists and others who accused missionaries of destroying the indigenous culture. Kathryn T. Long offers a study of the complexities of world Christianity at the ground level for indigenous peoples and for missionaries, anthropologists, environmentalists, and other outsiders. For the first time, Long brings together these competing actors and agendas to reveal one example of an indigenous people caught in the cross-hairs of globalization.

No Conscience, No Crime Aug 13 2021 Kathryn Patton is an energetic, strong-minded mother of three who is always up for a good mystery. While she barely feels part of her marriage and family, Kathryn earnestly strives to be a devoted young professional climbing toward partnership at her CPA firm. However, feelings of despair and ambivalence, over leaving her small children each day, prevent Kathryn from achieving the career success she desires. When a terrible coincidence traps her inside a whirling, real-life murder mystery, plans change and lives are rerouted to unforeseen destinations. Years of reading whodunit novels and watching mystery movies has scarcely prepared Kathryn with the requisite skills to single-handedly solve the perplexing murder--before she herself gets convicted of the crime. Apparently, the small town police chief and his crew are not interested in knowing what really happened to the young murder victim who happens to be a senator's daughter. The chief seems content as he allows obviously inept employees to frighteningly further force Kathryn toward wrongful conviction. Kathryn investigates seemingly endless layers of interconnections until she finally discovers unequivocal criminal corruption. In the search for truth, Kathryn never waivers; but the ultimate conclusion is far too evil for Kathryn to comprehend.

Unnecessary Death Aug 01 2020 Working with figures all her life Eve Somerset is persuaded to look in to the possibility of 'irregularities' within the Greenway Holder Group of companies. The Inland Revenue don't have any issues and the police cannot get involved in an unofficial capacity, Eve is sceptical but agrees to see what she can find. When the body found in the burnt out remains of a stolen car is identified as the editor of the local newspaper, Bert Foxley, everyone is in shock. The unexpected arrival of James Foxley helps Eve in many ways but also adds to her confusion. The investigation in to Bert Foxleys death is going nowhere, no motive, no suspect. Eve is getting nowhere fast as she continues to look into the workings of Greenway Holder getting more confused by the day. But slowly, inexorably the two events are drawing together. A seemingly unconnected comment from James Foxley and the admission that his brother had been the recipient of a hate campaign that had gone on for years send Eve to the hospital bedside of a long-time acquaintance where she hears a terrible confession. Nothing to do with Bert's death, she is assured. The problems at Greenway Holder and Eve's conclusions are handed over to the police and in attempt to help keep an eye on the Greenway Holder staff possibly involved, Eve makes a startling discovery that provides the police with both motive and suspect for the murder of the newspaper editor. The trial of the accused, which should be straight forward and uncomplicated, proves to be anything but. A Not Guilty plea and the arrival of a hot-shot, media savvy defence barrister and the revelations that follow turn the justice system upside down. It's said you can't get away with murder.....Don't you believe it!

Bliss Jun 18 2019 The perfect novel for young readers who love baking and magic! Rosemary Bliss's family has a secret. It's the Bliss Cookery Book—an ancient, leather-bound volume of enchanted recipes like Singing Gingersnaps. Rose and her siblings are supposed to keep the Cookery Book locked away while their parents are out of town, but then a mysterious stranger shows up. "Aunt" Lily rides a motorcycle and also whips up exotic (but delicious) dishes for dinner. Soon boring, non-magical recipes feel like life before Aunt Lily—a lot less fun. So Rose and her siblings experiment with just a couple of recipes from the forbidden Cookery Book. A few Love Muffins and Cookies of Truth couldn't cause too much trouble . . . could they? Kathryn Littlewood's culinary caper blends rich emotional flavor with truly enchanting wit, yielding one heaping portion of hilarious family adventure.

The Philosophy of Gadamer Apr 09 2021 The ideas of the German philosopher, Hans-Georg Gadamer have had considerable influence both in their own right as the leading modern exposition of philosophical hermeneutics and interpreting the works of Heidegger, Plato and Hegel. This work covers the trail of Gadamer's thought. Taking 'Truth and Method' (1960, translated 1975) as the axis of the interpretation of Gadamer's thought, Jean Grondin lays out the key themes of the work - method, humanism, aesthetic judgement, truth, the work of history - with exemplary clarity. Gadamer's concerns are situated in the context of traditional philosophical issues, showing, for example, how Gadamer both continues, and significantly modifies, the philosophical problem as it begins with Descartes and advances rather than simply follows Heidegger's treatment of the relationship of thinking and language. In this way Grondin shows how the issues of philosophical hermeneutics are relevant for contemporary concerns in science and history.
