THE ILIAD May 10 2021 Sing, O goddess, the anger of Achilles son of Peleus, that brought countless ills upon the Achaeans. Many a brave soul did it send hurrying down to Hades, and many a hero did it yield a prey to dogs and vultures, for so were the counsels of Jove fulfilled from the day on which the son of Atreus, king of men, and great Achilles, first fell out with one another. And which of the gods was it that set them on to quarrel? It was the son of Jove and Leto; for he was angry with the king and sent a pestilence upon the host to plague the people, because the son of Atreus had dishonoured Chryses his priest. Now Chryses had come to the ships of the Achaeans to free his daughter, and had brought with him a great ransom: moreover he bore in his hand the sceptre of Apollo wreathed with a suppliant's wreath and he besought the Achaeans, but most of all the two sons of Atreus, who were their chiefs.

As a neuro-diverse kid diagnosed with dyslexia and ADHD who didn't learn to read until he was twelve, the realization that that he wasn't the problem—the system and the concept of normal were—saved Mooney's life and fundamentally changed his outlook. Here he explores the toll that being not normal takes on kids and adults when they're trapped in environments that label them, shame them, and tell them, even in subtle ways, that they are the problem. But, he argues, if we can reorient the ways in which we think about diversity, abilities, and disabilities, we can start a revolution. A highly sought after public speaker, Mooney has been inspiring audiences with his story and his message for nearly two decades. Now he's ready to share what he's learned from parents, educators, researchers, and kids in a book that is as much a survival guide as it is a call to action.
