In the Eye of the Storm Jan 19 2022 One day in the life of Christ. Call it a tapestry of turmoil: A noisy pictorial in which the golden threads of triumph knot against the black, frazzled strings of tragedy. Call it a symphony of emotions: A sunrise-to-sunset orchestration of extremes. One score is brassy with exuberance -- the next moans with sorrow. Whatever you call it -- call it real. Author Max Lucado calls it "the second most stressful day in the life of our Savior." Before the morning becomes evening Jesus has reason to weep, then run, then shout, the curse, then praise, then doubt. Within a matter of moments his world is turned upside down. Sound familiar? The pink slip comes. The doctor calls. The divorce papers arrive. The check bounces. The life that had been calm is now chaotic. The world that had been serene is now stormy. Assailed by doubts. Pummeled by demands. If you've ever wondered if God in heaven can relate to you on earth, then read and re-read this pressure-packed day in the life of Christ. It is the only day, aside from the crucifixion, that all four gospels recorded. Lucado has interwoven their accounts in such a way that you will be assured that God knows how you feel. And you will be assured that within every torrent there is a calm center -- a place you can stand when your world gets windy. The Eye of the Storm.

Settling the Storm: A Guide to Facilitating Grief Groups May 23 2022 Technically, there are two types of grief groups. The informative/supportive grief groups'™ purpose is to promote grief education and awareness. It covers grief and bereavement in a more didactic fashion. The second type of grief group is therapeutic in nature. It is personal growth oriented groups focusing on facilitating the individual participant's™ own personal loss process. Though many commonalities exist between these two types of groups each has its own unique dynamics and concerns. This book focuses on the second type of group, sometimes referred to as Grief Recovery Groups. I prefer the term "Grief Management." I learned a long time ago that there is no recovery from grief precipitated by the loss of a beloved, but we can overcome. Settling the Storm is particularly designed for all who are currently leading a group, who are thinking about facilitating a grief group in the future or would like to learn some additional skills or ideas in creating a grief group within a small gathering of people. It was created and organized to help Facilitators plan and facilitate grief groups. It takes off by inviting you to self assess readiness to lead griever on the journey through grief, reviews the typical characteristics of effective Facilitators, and accentuates the vital skills necessary for ensuring positive outcomes. The next chapter moves you on to a refresher glance at the anatomy of grief and bereavement by considering elements that influence grief; explores the categories of grief and discusses issues relative to grief of the elderly. The third section focuses on the essentials for group preparation and helps you organize your thoughts and ideas about groups. The practical aspects of goals and objectives, and other information are included to provide you with an adequate blueprint for the implementation of your first group session. The "Content of the Session" provides you with some thoughts and suggestions on what to do in your grief groups. In addition, setting up group guidelines, structuring cathartic activities and evaluating the group process are also covered. You will be given tried and proven methodologies used to promote the emotional and spiritual well-being of grieving group members and fundamental tools needed for ensuring the best possible results. A grief group curriculum that can be used as a model is integrated into the overall presentation. Optional resources are appended.

Storms of Life Mar 09 2021 This book demonstrates the awareness of storms and how real storms are based on individual experiences, and Biblical application. Storms of life cannot be prevented except through God's grace and intervention. This book makes us realize that there are different types of storms- unexpected storm, instant storm or financial storm to mention a few. Whatever type of storm it may be, it gives no notice before it manifest. Storm is no respecter of any one; it does not care about whom you are or your personality. It does not recognize whether you are prayerful or not, but it will strike. The storm brought us sadness and hurt and some famine; but yet we still rise by His Grace. The book exposes us to the facts that there will be storms in life. Storms are unpredictable; and we should not allow our faith to be moved during the storm; because there are times we feel like we have lost the battle. However, just as surely as the Lord is in control of our blessings, He is in charge of our storms. When things look the bleakest, God will show up! There is always an entry and exit to every storm. The test always brings testimony if we put Jesus in the middle of the Storm. It is safer in the storm with Jesus. The book indicates various ways we can deal with storms of life without allowing it to affect our health. During the storm we need to focus on God and take advice from the right people. We should have faith and act to stop the storm. Self-pity cannot help, but a courageous mind that will not accept defeat. The storm is temporary, and you will overcome it by God's Grace through praying and trusting in the Lord.

The number of mortg. entering the FC process reached an all-time high in mid-2007. The FC surge was created by a perfect storm of events. First, the share of sub-prime mortg. originations increased. Second, FC rates for adjustable-rate mortg. (ARMs) have increased, esp. for sub-prime ARMs. Finally, high loan-to-value originations, coupled with stagnant or falling home prices, have left many people with insufficient equity to sell or to refinance their homes. Here is a dissection of the current FC surge. Discusses why the FC situation is likely to get worse over the next 2-3 years & why it is likely to improve afterward. Illus.
