Gregory of Nazianzus on the Trinity and the Knowledge of God

Consul of God (Routledge Revivals) May 08 2021 Gregory the Great, whose reign spanned the years between 590 and 604 A.D., was one of the most remarkable figures of the early medieval Papacy. Aristocrat, administrator, teacher and scholar, he ascended the throne of St Peter at a time of acute crisis for the Roman Church. Consul of God, first published in 1980, revises the traditional picture of Pope Gregory. It examines how he organised the central administration of the Papacy and his unremitting war on heresy and schism. Gregory also pioneered a new pastoral tradition in learning, promoted monasticism, and trained the episcopate. Jeffrey Richards demonstrates that Gregory was both a conservative and a pioneer, and just as his reign looked forward to the medieval world it also looked back to a vanishing world of imperial unity. He was thus the last representative of those Roman senators whose fortitude and energy he emulated, earning the epitaph 'Consul of God'.

Gregory of Nyssa and the Grasp of Faith Jul 10 2021 Scholars of Gregory of Nyssa have long acknowledged the centrality of faith in his theory of divine union. This study elucidates important auxiliary themes that accrue to Gregory's notion of faith as a faculty of apophatic union with God.

action and remarkable individuals. In Tom Clancy Support and Defend, covert agent Dominic Caruso faces the deadliest challenge of his career. Dominic Caruso. Nephew of President Jack Ryan. FBI agent. And operator for the top secret U.S. intelligence agency known as The Campus. Already scarred by the death of his brother, Caruso is further devastated when he is unable to save a friend and his family from a terrorist attack. Ethan Ross was a mid-level staffer for the National Security Council. Now he's a wanted fugitive on the run with a microdrive that contains enough information to destroy American intelligence efforts around the world. The CIA is desperate to get the drive back before it's captured by the Russians or one of the various terrorist groups also vying for it. Only Caruso stands in their way—but can he succeed without the aid of his Campus colleagues?

Jehovah's Witnesses Defended Jul 22 2022

Preserve and Defend May 20 2022 America finds itself in a perilous situation. Years of corrupt leadership, unrestrained and insatiable fiscal policies has led the nation to the brink of economic disaster, and international irrelevancy. An unpopular incumbent President having fought off a primary challenge, now faces a tough general election when rancher, businessman, philanthropist Carl Wesley threatens his second term. Desperate to win, and driven by the Progressive Party, he makes a covert deal that puts Americas national and economic security behind his own interests. After an attack on Christian missionaries, the disappearance of five CIA assets, and the killing of an Ambassador. Matt Hearn begins to unravel the evil plans and leads a remnant in the intelligence community to save the nation while a hard hitting investigative journalist searches for the truth. Caught in the crossfire of international politics is the future of Israel!

Attorney for Gary Ridgway, thought: "This can't be the Green River Killer! He's too ordinary! He's too small. He's too calm. He's too polite! He can't possibly have murdered forty-nine women. They can't be serious! They must have screwed up! I didn't realize then, but I was right. Gary Ridgway hadn't killed forty-nine women. He'd killed even more than that." Soon, Mark Prothero faced the question: "How could you possibly defend the most prolific serial killer in United States history, the infamous Green River Killer? If anyone deserved to be executed for his crimes, didn't he?" Mark Prothero, co-lead defense attorney who helped save Gary Ridgway from the death sentence, has heard that question many times. Now he's written a book that reveals the true, inside story of exactly how an idealistic public defender, high school swim coach, husband, and dad could bring himself to spend many months of close confinement with a man who brutally murdered at least 75 young women, often in the act of sex. Defending Gary shows how Prothero could reconcile these monstrous acts knowing the reality of this unassuming fellow Gary Ridgway, a mild-mannered, church-going, devoted husband, father, and former Navy man, with an IQ of around 82 and a longtime job as a truck painter from Auburn, Washington, near Seattle.

Defining and Defending the Open Door Policy Sep 24 2022

There has been little examination of the China policy of the Theodore Roosevelt administration. Works dealing with the topic fall either into brief discussions in biographies of Roosevelt, general surveys of Sino-American relations, or studies of special topics, such as the Chinese exclusion issue, which encompass a portion of the Roosevelt years. Moreover, the subject has been overshadowed somewhat by studies of problems between Japan and the United States in this era. The goal of this study is to offer a more complete examination of the American relationship with China during Roosevelt's presidency. The focus will be on the

two nations from the time Roosevelt took office until he left, something that this book does for the first time. Greater emphasis needs to be placed on creating a more complete picture of Teddy Roosevelt and China relations, especially in regard to his and his advisers' perceptual framework of that region and its impact upon the making of China policy. The goal of this study is to begin that process. Special attention is paid to the question of how Roosevelt and the members of his administration viewed China, as it is believed that their viewpoints, which were prejudicial, were very instrumental in how they chose to deal with China and the question of the Open Door. The emphasis on the role of stereotyping gives the book a particularly unique point of view. Readers will be made aware of the difficulties of making foreign policy under challenging conditions, but also of how the attitudes and perceptions of policymakers can shape the direction that those policies can take. A critical argument of the book is that a stereotyped perception of China and its people inhibited American policy responses toward the Chinese state in Roosevelt's Administration. While Roosevelt's attitudes regarding white supremacy have been discussed elsewhere, a fuller consideration of how his views affected the making of foreign policy, particularly China policy, is needed, especially now that Sino-American relations today are of great concern.

Malicious Intent (Defend and Protect Book #2) Mar 06 2021 Dr. Ivy Collins, founder and CEO of Hedera, Inc., is ready to begin clinical trials of her company's cutting-edge prosthetic. Her work has been heralded by government, medical, and advocacy groups and everyone hopes the device will be a success. Well, almost everyone. Someone is trying to sabotage Hedera and the launch, but to what purpose--and how far will they go to get what they want? Meanwhile, U.S. Secret Service Agent Gil Dixon can't believe he's finally been reunited with Ivy, his childhood best friend. Now that he's found her again, Gil intends to spend the rest of his life with her. But it will take all his skill

Gregory of Nyssa and the Concept of Divine Persons Mar 18 2022

The concept of personhood is central to a wide range of contemporary issues, ranging from reproductive rights to the death penalty and euthanasia. We may think that the concept of person is a modern development. In fact, however, this idea does not originate with our discovery of human rights, consciousness, and individuality. In this study Lucian Turcescu shows that the fourth-century theologian Gregory of Nyssa developed a very sophisticated concept of the person in the context of his attempts to clarify the paradox of the Trinity—a single God comprising three distinct persons. Turcescu offers the first in-depth analysis of Gregory's writings about the divine persons. He shows that Gregory understood personhood as characterized by uniqueness, relationality, and freedom. He reasoned that the three persons of the Trinity have distinctive properties that make them individuals, that is, capable of being enumerated and circumscribed. But this idea of individuation, inherited from the neo-Platonists, falls short of expressing a clear notion of personal uniqueness. By itself it would suggest that a person is merely a collection of properties. Gregory's great contribution was to perceive the importance of relationality to personhood. The three divine persons know and love each other, are in communion with each other, and freely act together in their common will. This understanding, argues Turcescu, adds up to a concept of personal uniqueness much like our modern one. Turcescu's work not only contributes to our knowledge of the history of Trinitarian theology but can be

Tactics Study Guide Aug 31 2020 In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In the Tactics Study Guide, apologist and radio host Gregory Koukl demonstrates how to get in the driver's seat in discussions about faith, keeping any conversation moving with thoughtful, artful tact. Readers will learn how to maneuver comfortably and graciously through potential minefields, stop challengers in their tracks, turn the tables, and—most importantly—get people thinking about Jesus with conversations that look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl demonstrates how to: Initiate conversations effortlessly Present the truth clearly, cleverly, and persuasively Graciously and effectively expose faulty thinking Skillfully manage the details of dialogue Maintain an engaging, disarming style even under attack Designed to be used alongside the Tactics Video Study, the Tactics Study Guide provides a game plan for communicating the compelling truth about Christianity with confidence and grace.

Antiquity Feb 17 2022 A Festschrift offered to Charles Kannengiesser on his 80th birthday, this volume contains twenty-five papers that address major issues pertaining to the reception and interpretation of the Bible in Christianity and Judaism of late antiquity.

Gregory of Nazianzus's Letter Collection Feb 23 2020 Saint Gregory of Nazianzus, also known as Gregory the Theologian, lived an illustrious life as an orator, poet, priest, and bishop. Until his death, he wrote scores of letters to friends and colleagues, clergy members and philosophers, teachers of rhetoric and literature, and high-ranking officials at the provincial and imperial levels, many of which are preserved in his self-designed letter collection. Here, for the first time in English, Bradley K. Storin has translated the complete collection, offering readers a fresh view on Gregory's life, social and cultural engagement, leadership in the church, and literary talents. Accompanying the translation are an introduction, a prosopography, and annotations that situate Gregory's letters in their biographical, literary, and historical contexts. This translation is an essential resource for scholars and students of late antiquity and early Christianity.

Acts Aug 19 2019 The Acts of the Apostles—or the Acts of the Ascended Lord—is part two of Luke's story of "all that Jesus began to do and teach." In this ACCS volume, substantial selections from John Chrysostom and Bede the Venerable appear with occasional excerpts from Arator alongside many excerpts from the fragments preserved in J. A. Cramer's *Catena in Acta SS. Apostolorum*.

Defending and Defining the Faith Apr 26 2020 In *Early Christian Apologetics*, D.H. Williams offers a comprehensive presentation of Christian apologetic literature from the second to the fifth century, considering each writer within the intellectual context of the day. Williams argues that most apologies were not directed at a pagan readership. In most cases, he says, ancient apologetics had a double object: to instruct the Christian and to persuade weak Christians or non-Christians who were sympathetic to Christian claims. Traditionally, scholars of apologetics have focused on the context of persecution in the pre-Constantinian period. By following the links in the intellectual trajectory up though the early fifth century, Williams prompts deeper reflection on the process of Christian self-definition in late antiquity. Taken cumulatively, he finds, apologetic literature was in fact integral to the formation of the Christian identity in the Roman world.

Gregory of Nazianzus on the Trinity and the Knowledge of God

Jun 16 2019 Gregory of Nazianzus, a 4th-century bishop of Constantinople, receives relatively little attention from modern Western scholars, yet he is one of the most influential theologians in the history of Christian doctrine. As an advocate for the conceptual understanding of the Trinity, Gregory set precedents for the way his fellow and future Christians would perceive and worship God. Christopher A. Beeley presents the first

doctrine of the Trinity in the full range of his theological and practical vision of the Christian life.

DEFENDING EVANGELICALISM Aug 11 2021 This book is an important part of the historical record of Dr. Norman L. Geisler. It displays Geisler's intellectual gifts and devotion to the Lordship of Christ in his defense of Christianity and classic evangelicalism. This book, written by one of Geisler's long-time and trusted assistants, will be of importance to those who want a first-hand interpretation of Geisler and the significance of Geisler's method for present-day evangelicalism. It provides a clear assessment of the impact of Geisler's embrace of classical realism, classical theism, the doctrine of inerrancy in the context of twentieth century evangelical theology, while providing a way forward to apply Geisler's method in the twenty-first century.
