**Rules for Reformers** Feb 05 2021 In Rules for Reformers, Douglas Wilson poaches the political craft of radical progressives and applies it to Christian efforts in the current culture war. The result is a spicy blend of combat manual and cultural manifesto. Rules for Reformers is a little bit proclamation of grace, a little bit Art of War, and a little bit analysis of past embarrassments and current cowardice, all mixed together with a bunch of advanced knife-fighting techniques. As motivating as it is provocative, Rules for Reformers is just plain good to read. Thanks to Saul Alinsky's Rules for Radicals: A Practical Primer for Realistic Radicals--a book well-beloved by Barack Obama, Hillary

Clinton, and many others--for much of the shrewd advice, and for none of the worldview.

**We'll Tell You What to Think** Sep 19 2019 "A mightily telling book!" John Pilger Big Tech is shutting down the left and the right. Digital propaganda is telling you how to think and what to think about. In this new book, Dr. T.J. Coles exposes the hidden hands behind Wikipedia: the encyclopedia that anyone can use and anyone can edit. But who--other than paid trolls and dedicated PR operatives--has the time in our neoliberal capitalist order to spend all day editing and re-editing Wikipedia? With big money from big banks and big oil, the Wikimedia Foundation shapes the faux liberal culture that smears peace activists, attacks dissident journalists, hides the truth about nuclear weapons, distorts facts on climate change, and promotes US-led wars of aggression. The book also documents the Google-YouTube-Wiki axis that creates thought bubbles and attempts to discredit outside thinkers. The book calls for the democratization of information and frames the issue as a class struggle.

But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him.
