*South of Broad* Oct 25 2022 Leopold Bloom King is the son of an amiable, loving father who teaches science at the local high school. His mother, a former nun, is the high school principal and a respected Joyce scholar. He has had an unremarkable, happy family life. But after Leo's ten-year-old brother commits suicide, the family struggles with the shattering effects of his death, and Leo, lonely and isolated, searches for something to sustain him. Eventually, he finds his answer when he becomes part of a tight knit group of older high school students that includes Sheba and Trevor Poe - glamorous twins with an alcoholic mother and a prison-escapee father - hard-scrabble mountain runaways Niles and Starla Whitehead; socialite Molly Huger and her boyfriend, Chadworth Rutledge X. It's an ever-widening circle whose liaisons will ripple across two decades, from 1960s counterculture through to the dawn of the AIDS crisis in the 1980s. The ties among them endure for years, surviving marriages happy and troubled, unrequited loves and unspoken longings, hard-won successes and devastating breakdowns, as well as the American South's dark legacy of racism and class divisions. But the final test of friendship that brings them to San Francisco is something no one is prepared for.

**The Pat Conroy Cookbook** Jan 24 2020 America's favorite storyteller, Pat Conroy, is back with a unique cookbook that only he could conceive. Delighting us with tales of his passion for cooking and good food and the people, places, and great meals he has experienced, Conroy mixes them together with mouthwatering recipes from the Deep South and the world beyond. It all started thirty years ago with a chance purchase of The Escoffier Cookbook, an unlikely and daunting introduction for the beginner. But Conroy was more than up to the task. He set out with unwavering determination to learn the basics of French cooking—stocks and dough—and moved swiftly on to veal demi-glace and pâte brisée. With the help of his culinary accomplice, Suzanne Williamson Pollak, Conroy mastered the dishes of his beloved South as well as the cuisine he has savored in places as far away from home as Paris, Rome, and San Francisco. Each chapter opens with a story told with the inimitable brio of the author. We see Conroy in New Orleans celebrating his triumphant novel *The Prince of Tides* at a new restaurant where there is a contretemps with its hardworking young owner/chef—years later he discovered the earnest young chef was none other than Emeril Lagasse; we accompany Pat and his wife on their honeymoon in Italy and wander with him, wonderstruck, through the markets of Umbria and Rome; we learn how a dinner with his fighter-pilot father was preceded by the Great Santini himself acting out a perilous night flight that would become the last chapters of one of his son's most beloved novels. These tales and more are followed by corresponding recipes—from Breakfast Shrimp and Grits and Sweet Potato Rolls to Pappardelle with Prosciutto and Chestnuts and Beefsteak Florentine to Peppercorn Peaches and Creme Brulee. A master storyteller and passionate cook, Conroy believes that “A recipe is a story that ends with a good meal.” “This book is the story of my life as it relates to the subject of food. It is my autobiography in food and meals and restaurants and countries far and near. Let me take you to a restaurant on the Left Bank of Paris that I found when writing *The Lords of Discipline*. There are meals I ate in Rome while writing *The Prince of Tides* that ache in my memory when I resurrect them. There is a shrimp dish I ate in an elegant English restaurant, where Cuban cigars were passed out to all the gentlemen in the room after dinner, that I can taste on my palate as I write this. There is barbecue and its variations in the South, and the subject is a holy one to me. I write of truffles in the Dordogne Valley in France, cilantro in Bangkok, catfish in Alabama, scuppernon in South Carolina, Chinese food from my years in San Francisco, and white asparagus from the first meal my agent took me to in New York City. Let me tell you about the fabulous things I have eaten in my life, the story of the food I have encountered along the way. . . .”

*No One Is Talking About This* Jul 10 2021 FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE “A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving.” —New York Times Book Review, Editors' Choice “Wow. I can't remember the last time I laughed so much reading a book. What an inventive and startling writer...I'm so glad I read this. I really think this book is remarkable.” —David Sedaris From “a formidably gifted writer” (*The New York Times Book Review*), a book that asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms “the portal,” where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats—from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness—begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. “Are we in hell?” the people of the portal ask themselves. “Are we all just going to keep doing this until we die?” Suddenly, two texts from her mother pierce the fray: “Something has gone wrong,” and “How soon can you get here?” As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, *No One Is Talking About This* is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.

**A Libertarian Walks Into a Bear** Jul 30 2020 A tiny American town's plans for radical self-government overlooked one hairy detail: no one told the bears. Once upon a time, a group of libertarians got together and hatched the Free Town Project, a plan to take over an American town and completely eliminate its government. In 2004, they set their sights on Grafton, NH, a barely populated settlement with one paved road. When they descended on Grafton, public funding for pretty much everything shrank: the fire department, the library, the schoolhouse. State and federal laws became meek suggestions, scarcely heard in the town's thick wilderness. The anything-goes atmosphere soon caught the attention of Grafton's neighbors: the bears. Freedom-loving citizens ignored hunting laws and regulations on food disposal. They built a tent city in an effort to get off the grid. The bears smelled food and opportunity. A Libertarian Walks Into a Bear is the sometimes funny, sometimes terrifying tale of what happens when a government disappears into the woods. Complete with gunplay, adventure, and backstabbing politicians, this is the ultimate story of a quintessential American experiment -- to live free or die, perhaps from a bear.

*The Lords of Discipline* Oct 21 2019 Dramatically interweaves themes of brotherhood and betrayal as senior cadet, Will McLean, courageously struggles to forge his own honor code and manhood in a regimented, venerable, but corrupt Southern military academy

*The Lords of Discipline* Oct 13 2021 A cadet encounters hazing and racism at an elite military academy in this novel from the #1 New York Times–bestselling author of *The Prince of Tides*. As Will McLean begins his studies at the Carolina Military Institute, the American South is in turmoil over desegregation. An outsider to the harsh authoritarianism of the military, Will survives the school's notorious freshman hazing, and avoids attention from its fabled and menacing secret society, the Ten. But when he is asked to mentor the school's first black student, Will is drawn into the intense racial politics—and the threat of violence—simmering beneath the surface. Based on Conroy's own military school experience and featuring his lush prose and richly drawn characters, *The Lords of Discipline* is a powerful story of a young man's stand for justice and the friendship, love, and courage he finds along the way.

**Beach Music** Aug 23 2022 With the spectacular worldwide success of his unforgettable novel *The Prince of Tides*, Pat Conroy established himself as a major international writer. He is known for his anguished and painfully honest insights into families and the human heart. He now returns with *Beach Music*, a story which tells of a family haunted by dark memories that reach back into the unutterable terrors of the Holocaust. Jack McCall, an American living in Rome with his young daughter, is trying to find peace after the recent trauma of his wife's suicide. But his solitude is disturbed by the appearance of his sister-in-law, who begs him to return home, and of two school friends, who want his help in tracking down another classmate who went underground as a Vietman protester and never resurfaced. These requests launch Jack on a journey that encompasses the past and the present in both Europe and the American South: a quest that leads him to shocking and ultimately liberating truths.

*My Reading Life* Mar 18 2022 Bestselling author Pat Conroy acknowledges the books that have shaped him and celebrates the profound effect reading has had on his life. Pat Conroy, the beloved American storyteller, is a voracious reader. Starting as a childhood passion that bloomed into a life-long companion, reading has been Conroy's portal to the world, both to the farthest corners of the globe and to the deepest chambers of the human soul. His interests range widely, from Milton to Tolkien, Philip Roth to Thucydides, encompassing poetry, history, philosophy, and any mesmerizing tale of his native South. He has for years kept notebooks in which he records words and expressions, over time creating a vast reservoir of playful turns of phrase, dazzling flashes of description, and snippets of delightful sound, all just for his love of language. But for Conroy reading is not simply a pleasure to be enjoyed in off-hours or a source of inspiration for his own writing. It would hardly be an exaggeration to claim that reading has saved his life, and if not his life then surely his sanity. In *My Reading Life*, Conroy revisits a life of reading through an array of wonderful and often surprising anecdotes: sharing the pleasures of the local library's vast cache with his mother when he was a boy, recounting his decades-long relationship with the English teacher who pointed him onto the path of letters, and describing a profoundly influential period he spent in Paris, as well as reflecting on other pivotal people, places, and experiences. His story is a moving and personal one, girded by wisdom and an undeniable honesty. Anyone who not only enjoys the pleasures of reading but also believes in the power of books to shape a life will find here the greatest defense of that credo. **BONUS:** This ebook edition includes an excerpt from Pat Conroy's *The Death of Santini*.

**The Women of Troy** Jul 18 2019 A daring and timely feminist retelling of *The Iliad* from the perspective of the women of Troy who endured it—an extraordinary follow up to *The Silence of the Girls* from the Booker Prize-winning author of *The Regeneration Trilogy* and “one of contemporary literature's most thoughtful and compelling writers” (*The Washington Post*). Troy has fallen and the victorious Greeks are eager to return home with the spoils of an endless war—including the women of Troy themselves. They await a fair wind for the Aegean. It does not come, because the gods are offended. The body of King Priam lies unburied and desecrated, and so the victors remain in suspension, camped in the shadows of the city they destroyed as the coalition that held them together begins to unravel. Old feuds resurface and new suspicions and rivalries begin to fester. Largely unnoticed by her captors, the one time Trojan queen Briseis, formerly Achilles's slave, now belonging to his companion Alcimus, quietly takes in these developments. She forges alliances when she can, with Priam's aged wife the defiant Hecuba and with the disgraced soothsayer Calchas, all the while shrewdly seeking her path to revenge.

*The Water is Wide* Aug 19 2019 "Pat Conroy spent a year teaching black children on an impoverished island off the South Carolina coast." --Jacket.

Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground.

*The Prince of Tides* Jun 21 2022 New York Times bestseller: A “powerful” Southern drama about the destructive repercussions of keeping an unspeakable family secret (*The Atlanta Journal*). Tom Wingo has lost his job, and is on the verge of losing his marriage, when he learns that his twin sister, Savannah, has attempted suicide again. At the behest of Savannah's psychiatrist, Dr. Susan Lowenstein, Tom reluctantly leaves his home in South Carolina to travel to New York City and aid in his sister's therapy. As Tom's relationship with Susan deepens, he reveals to her the turbulent history of the Wingo family, and exposes the truth behind the fateful day that changed their lives forever. Drawing richly from the author's own troubled upbringing, *The Prince of Tides* is a sweeping, powerful novel of unlocking the past to overcome the darkest of personal demons—it's Pat Conroy at his very best.

**The Sunday Wife** Sep 19 2019 Married for 20 years to the Reverend Benjamin Lynch, a handsome, ambitious minister of the prestigious Methodist church, Dean Lynch has never quite adjusted her temperament to the demands of the role of a Sunday wife. When her husband is assigned to a larger and more demanding community in the Florida panhandle, Dean becomes fast friends with Augusta Holderfield, a woman whose good looks and extravagant habits immediately entrance her. As their friendship evolves, Augusta challenges Dean to break free from her traditional role as the preacher's wife. Just as Dean is questioning everything she has always valued, a tragedy occurs, providing the catalyst for change in ways she never could have imagined.

**The Ghost Road** Aug 31 2020 Winner of the 1995 Booker Prize Set in the closing months of World War I, this towering novel combines poetic intensity with gritty realism as it brings Pat Barker's *Regeneration* trilogy to its stunning conclusion. In France, millions of men engaged in brutal trench warfare are all “ghosts in the making.” In England, psychologist William Rivers, with severe pangs of conscience, treats the mental casualties of the war to make them whole enough to fight again. One of these, Billy Prior, risen to the officer class from the working class, both courageous and sardonic, decides to return to France with his fellow officer, poet Wilfred Owen, to fight a war he no longer believes in. Meanwhile, Rivers, enfevered by influenza returns in memory to his experience studying a South Pacific tribe whose ethos amounted to a culture of death. Across the gulf between his society and theirs, Rivers begins to form connections that cast new light on his—and our—understanding of war.

Pat Conroy Feb 05 2021 For Pat Conroy Fans, a Loving, Laughter-Filled Homage to a Loyal, Big-Hearted Friend Pat Conroy, the bestselling author of *The Prince of Tides* and *The Great Santini* among many other books, was beloved by millions of readers. Bernie Schein was his best friend from the time they met in a high-school pickup basketball game in Beaufort, South Carolina, until Conroy's death in 2016. Both were popular athletes but also outsiders as a Jew and a Catholic military brat in the small-town Bible-Belt South, and they bonded. Wiseass and smart aleck loudmouths both, they shared an ebullient sense of humor and romanticism, were mesmerized by the highbrow and reveled in the low, and would sacrifice entire evenings and afternoons to endless conversation. As young teachers in the Beaufort area and later in Atlanta, they were activists in the civil rights struggle and against institutional racism and bigotry. Bernie knew intimately the private family story of the Conroys and his friend's difficult relationship with his Marine Corps colonel father that Pat would draw on repeatedly in his fiction. A love letter and homage, and a way to share the Pat he knew, this book collects Bernie's cherished memories about the gregarious, welcoming, larger-than-life man who remained his best friend, even during the years they didn't speak. It offers a trove of insights and anecdotes that will be treasured by Pat Conroy's many devoted fans.

*Body of Evidence* Apr 07 2021 #1 New York Times bestselling author Patricia Cornwell's suspense fiction classic, featuring gutsy medical examiner Kay Scarpetta. *The Silence of the Girls* Mar 26 2020 A Washington Post Notable Book One of the Best Books of the Year: NPR, The Economist, Financial Times Shortlisted for the Costa Novel Award Finalist for the Women's Prize for Fiction Here is the story of the Iliad as we've never heard it before: in the words of Briseis, Trojan queen and captive of Achilles. Given only a few words in Homer's epic and largely erased by history, she is nonetheless a pivotal figure in the Trojan War. In these pages she comes fully to life: wry, watchful, forging connections among her fellow female prisoners even as she is caught between Greece's two most powerful warriors. Her story pulls back the veil on the thousands of women who lived behind the scenes of the Greek army camp—concubines, nurses, prostitutes, the women who lay out the dead—as gods and mortals spar, and as a legendary war hurtles toward its inevitable conclusion. Brilliantly written, filled with moments of terror and beauty, *The Silence of the Girls* gives voice to an extraordinary woman—and makes an ancient story new again.

*My Exaggerated Life* Apr 26 2020 Pat Conroy's memoirs and autobiographical novels contain a great deal about his life, but there is much he hasn't revealed to readers—until now. *My Exaggerated Life* is the product of a special collaboration between this great American author and oral biographer Katherine Clark, who recorded two hundred hours of conversations with Conroy before he passed away in 2016. In the spring and summer of 2014, the two spoke for an hour or more on the phone every day. No subject was off limits, including aspects of his tumultuous life he had never before revealed. This oral biography presents Conroy the man, as if speaking in person, in the colloquial voice familiar to family and friends. This voice is quite different from the authorial style found in his books, which are famous for their lyricism and poetic descriptions. Here Conroy is blunt, plainspoken, and uncommonly candid. While his novels are known for their tragic elements, this volume is suffused with Conroy's sense of humor, which he credits with saving his life on several occasions. The story Conroy offers here is about surviving and overcoming the childhood abuse and trauma that marked his life. He is frank about his emotional damage—the depression, the alcoholism, the divorces, and, above all, the crippling lack of self-esteem and self-confidence. He also sheds light on the forces that saved his life from ruin. The act of writing compelled Conroy to confront the painful truths about his past, while years of therapy with a clinical psychologist helped him achieve a greater sense of self-awareness and understanding. As Conroy recounts his time in Atlanta, Rome, and San Francisco, along with his many years in Beaufort, South Carolina, he portrays a journey full of struggles and suffering that culminated ultimately in redemption and triumph. Although he gained worldwide recognition for his writing, Conroy believed his greatest achievement was in successfully carving out a life filled with family and friends, as well as love and happiness. In the end he arrived at himself and found it was a good place to be.

*Tell Me a Story* Nov 21 2019 “Tell Me a Story is breathtakingly tender, heartbreakingly true...The best memoir I've read.” — Mary Alice Monroe, New York Times bestselling author of *The Beach House Reunion* Bestselling author Cassandra King Conroy considers her life and the man she shared it with, paying tribute to her husband, Pat Conroy, the legendary figure of modern Southern literature. Cassandra King was leading a quiet life as a professor, divorced “Sunday wife” of a preacher, and debut novelist when she met Pat Conroy. Their friendship bloomed into a tentative, long-distance relationship. Pat and Cassandra ultimately married, ending Pat's long commutes from coastal South Carolina to her native Alabama. It was a union that would last eighteen years, until the beloved literary icon's death from pancreatic cancer in 2016. In this poignant, intimate memoir, the woman he called King Ray looks back at her love affair with a natural-born storyteller whose lust for life was fueled by a passion for literature, food, and the Carolina Lowcountry that was his home. As she reflects on their relationship and the eighteen years they spent together, cut short by Pat's passing at seventy, Cassandra reveals how the marshlands of the South Carolina Lowcountry ultimately cast their spell on her, too, and how she came to understand the convivial, generous, funny, and wounded flesh-and-blood man beneath the legend—her husband, the original Prince of Tides.

*The Water Is Wide* Apr 19 2022 New York Times Bestseller: The “miraculous” memoir of an inspiring teacher and the students who changed his life on an impoverished South Carolina island (Newsweek). Though the children of Yamacraw Island live less than two miles from the southern mainland, they can't name the US president or the ocean that surrounds them. Most can't read or write. Many of the students are the descendants of slaves, handicapped by poverty and isolation. When Pat Conroy arrives, an eager young teacher at the height of the civil rights movement, he finds a community still bound by the bitter effects of racism, but he is determined to broaden its members' horizons and give them a voice. In this poignant memoir, which Newsweek called “an experience of joy,” the New York Times–bestselling author of *The Prince of Tides* plumbs his experiences as a young teacher on an isolated South Carolina island to reveal the shocking inequalities of the American education system.

*Synners* Nov 02 2020 In *Synners*, the line between technology and humanity is hopelessly slim. To be a Synner is to join the online hardcore, an outlaw band of hackers, simulation pirates, and reality synthesizers hooked on artificial reality and virtual space. Now you can change yourself to suit the machines - all it costs you is your freedom, and your humanity. *Synners* shows us a world perilously close to our own. A constant stream of new technology spawns new crime before it hits the streets, and the human mind and the external landscape have fused to the point where any encounter with “reality” is incidental. Equal parts thrill-ride and cautionary tale, this classic novel by the Queen of Cyberpunk offers us a terrifying glimpse into the future of our race. Winner of the Arthur C. Clarke Award for best novel, 1992

*Understanding Pat Conroy* Dec 23 2019 An insightful look at the life and work of the extraordinary popular Southern writer. Pat Conroy's novels and memoirs have indelibly shaped the image of the South in the American imagination. His writing has rendered the physical landscape of the South Carolina lowcountry familiar to legions of readers, and has staked out a more complex geography as well—one defined by domestic trauma, racial anxiety, religious uncertainty, and cultural ambivalence. In *Understanding Pat Conroy*, Catherine Seltzer engages in a sustained consideration of Conroy and his work. The study begins with a sketch of Conroy's biography, which, while fascinating in its own right, is employed here to illuminate many of the motifs and characters that define his work and to locate him within southern literary tradition. Seltzer then explores each of Conroy's major works, tracing the

evolution of the themes within and among each of his novels, including *The Great Santini*, *The Lords of Discipline*, *The Prince of Tides*, *Beach Music*, and *South of Broad*, and his memoirs, among them *The Water Is Wide* and *My Losing Season*. Seltzer's insightful close readings of Conroy's work are supplemented by interviews and archival material, shedding new light on the often-complex dynamics between text and context in Conroy's oeuvre. More broadly, Understanding Pat Conroy explores the ways that Conroy delights in troubling the boundaries that circumscribe the literary establishment—and links his work to existing debates about the contemporary American canon.

**My Losing Season** Feb 17 2022 NEW YORK TIMES BESTSELLER • A deeply affecting coming-of-age memoir about family, love, loss, basketball—and life itself—by the beloved author of *The Prince of Tides* and *The Great Santini* During one unforgettable season as a Citadel cadet, Pat Conroy becomes part of a basketball team that is ultimately destined to fail. **The Death of Santini** Nov 14 2021 NEW YORK TIMES BESTSELLER • “A brilliant storyteller, a master of sarcasm, and a hallucinatory stylist whose obsession with the impress of the past on the present binds him to Southern literary tradition.”—*The Boston Globe* Pat Conroy's great success as a writer has always been intimately linked with the exploration of his family history. As the oldest of seven children who were dragged from military base to military base across the South, Pat bore witness to the often cruel and violent behavior of his father, Marine Corps fighter pilot Donald Patrick Conroy. While the publication of *The Great Santini* brought Pat much acclaim, the rift it caused brought even more attention, fracturing an already battered family. But as Pat tenderly chronicles here, even the oldest of wounds can heal. In the final years of Don Conroy's life, the Santini unexpectedly refocused his ire to defend his son's honor. *The Death of Santini* is a heart-wrenching act of reckoning whose ultimate conclusion is that love can soften even the meanest of men, lending significance to the oft-quoted line from Pat's novel *The Prince of Tides*: “In families there are no crimes beyond forgiveness.” Praise for *The Death of Santini* “A painful, lyrical, addictive read that [Pat Conroy's] fans won't want to miss.”—*People* “Conroy's conviction pulls you fleetly through the book, as does the potency of his bond with his family, no matter their sins.”—*The New York Times Book Review* “Vital, large-hearted and often raucously funny.”—*The Washington Post* “Conroy writes athletically and beautifully, slipping through painful memories like a point guard splitting the defense.”—*Minneapolis Star Tribune*

I often wonder if we are living the wrong life in the wrong country. Talia is being held at a correctional facility for adolescent girls in the forested mountains of Colombia after committing an impulsive act of violence that may or may not have been warranted. She urgently needs to get out and get back home to Bogotá, where her father and a plane ticket to the United States are waiting for her. If she misses her flight, she might also miss her chance to finally be reunited with her family. How this family came to occupy two different countries, two different worlds, comes into focus like twists of a kaleidoscope. We see Talia's parents, Mauro and Elena, fall in love in a market stall as teenagers against a backdrop of civil war and social unrest. We see them leave Bogotá with their firstborn, Karina, in pursuit of safety and opportunity in the United States on a temporary visa, and we see the births of two more children, Nando and Talia, on American soil. We witness the decisions and indecisions that lead to Mauro's deportation and the

family's splintering—the costs they've all been living with ever since. Award-winning, internationally acclaimed author Patricia Engel, herself a dual citizen and the daughter of Colombian immigrants, gives voice to all five family members as they navigate the particulars of their respective circumstances. Rich with Bogotá urban life, steeped in Andean myth, and tense with the daily reality of the undocumented in America, *Infinite Country* "is as much an all-American story as it is a global one" (Booklist, starred review).

**The City, Not Long After** Dec 03 2020 A chilling postapocalyptic novel of hope, despair, art, and war from the Nebula and Philip K. Dick Award-winning author of *The Falling Woman*. A plague wiped out most of the population, but some have been spared. In San Francisco, those who were left—painters, writers, dreamers—began rebuilding the city in their image: a society based on art, community, and peace. But not everyone has the same pacifist ideals. When a mysterious young woman, Jax, appears in San Francisco, she brings disturbing news. There's a power-hungry man, a general, moving across California, annexing cities and rebuilding his own version of America, willing to destroy anyone who stands in his way. His sights are set on the Golden Gate Bridge, and his army will soon descend, bringing guns, determination, and violence. If Jax and her allies are to survive, they'll have to defend themselves with nothing more than their creativity—and the soul of a city that refuses to be dominated. Drawing comparisons to the mind-bending work of Gabriel García Márquez, this lush and thought-provoking dystopian novel is an examination of human spirit, for better or worse, and a magical journey into what it means to survive.
