[The Mighty Weakness of John Knox](#) Oct 28 2022 John Knox, the great Reformer of Scotland, is often remembered as something akin to a biblical prophet born out of time--strong and brash, thundering in righteous might. In truth, he was "low in stature, and of a weakly constitution," a small man who was often sickly and afflicted with doubts and fears. Author Douglas Bond shows that Knox did indeed accomplish herculean tasks, but not because he was strong and resolute in himself. Rather, he was greatly used because he was submissive to God; therefore, God strengthened him. --from publisher description

[The Comparative 1st Century Aramaic Bible in Plain English \(8th ed.\) & King James Version New Testament with Psalms and Proverbs](#) Nov 05 2020 This is the 3rd comparative edition of the 8th edition translation of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament displayed in two columns--one has the King James Version on the left and the other has the translation of the Aramaic Peshitta on the right. This translation is derived from the author's Aramaic-English Interlinear New Testament. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 659 pages in 6x9" paperback. The parallel Psalms and Proverbs of both versions are included after the NT.

Following the Footsteps of Simon Peter Dec 06 2020 Simon Peter was a disciple of Jesus. He walked with, talked to, and learned from Jesus for three years. He was even in Jesus' inner INNER circle of a few with a front row view of incredible miracles. After Jesus' resurrection and the gift of the Holy Spirit, Peter became a powerful leader in the early church. You might think Peter was gifted with amazing leadership skills, perfect temperament, highly trained and educated, pristine social skills and awareness, impeccable timing for knowing when to listen and when to speak. Maybe you are thinking you have nothing in common with Peter. Do you often feel unqualified? Did you find it not hard to follow Jesus, but yet HARD to follow Jesus? Are you often all in...ready to jump into action, many times prematurely? Do you like to take matters in your own hands? Do you find your intentions are often so much better than your actions? Do you often act before you should? Do you sometimes just miss the point? Do you put your foot in your mouth way more than you should? But do you also love deeply and you want so badly to be doing this life you have been given right? If you can relate, you may be more like Peter than you think. This is the Simon Peter we read about in the Bible. Unqualified on his own, spontaneous, "just fix it" personality, saying all the wrong things at times. And these are the characteristics I see in myself so often. God is ready to use us, quirky

personality and all. He is ready to transform our messy weakness into His strength to do mighty things for His kingdom. He is ready to show us it is all Him, so we can relax and step into this freedom. Dive in with me as we explore the personality and evolution of Peter...from a mess to a mighty warrior for the kingdom. We'll look at the life of Simon Peter as recorded in the Bible...his time with Jesus, the incredible impact he has after the death and resurrection of Jesus, and his two letters preserved in the Bible.

Leading with a Limp Apr 22 2022 Put your flawed foot forward. Pick up most leadership books and you'll find strategies for leveraging your power and minimizing your areas of weakness. But think about the leaders whose names have gone down in history. Most of them were so messed up that, if they were looking for work today, no executive placement service would give them the time of day. God's criteria for choosing leaders runs counter to the conventional wisdom. Our culture equates strength with effectiveness, but God favors leaders who know the value of brokenness. In *Leading With a Limp*, you'll discover what makes flawed leaders so successful. They're not preoccupied with protecting their image, they are undaunted by chaos and complexity, they are ready to risk failure in moving an organization from what is to what should be. God chooses leaders who aren't deceived by the myths of power and control, but who realize that God's power is found in brokenness. If you are a leader—or if you have been making excuses to avoid leading—find out how you can take full advantage of your weakness. A limping leader is the person God uses to accomplish amazing things. To go deeper, check out the *Leading With a Limp Workbook*.

The Saving Lie Jan 27 2020 Hailed as our era's most profound theorist of literary influence, Harold Bloom's own influence on the landscape of literary criticism has been decisive. His wide-ranging critical writings have plumbed the depths of Romanticism, explored the anxiety caused by the influence of one generation of poets on another, wrestled with the idea of a literary canon, and examined the relationship between religion and literature. In this unprecedented full-length study on Harold Bloom, Agata Bielik-Robson explores the many facets of Bloom's critical writings and career. In his work, she argues, Bloom draws on a variety of disparate traditions—Judaism, Gnosis, romanticism, American pragmatism, and Freudianism, but also, especially recently, Victorian Aestheticism—that constitute a dialectical, difficult whole in constant quarrel with itself. *The Saving Lie* brings all these aspects of Bloom's thought together, revealing the organizing thread of "antithetical vitalism" that animates his work. Tracing the development of Bloom's vision of "life-in-antithesis" through a series of highly original and compelling readings, Bielik-Robson offers a much-needed reevaluation of a deeply complex and controversial figure. This pioneering study of Bloom and his contributions will not soon be surpassed.

The Covenanted Reformation Feb 26 2020 This work has been brought up to date and revised to drink from the wells of its zealous and hearty resolve for the truth by those who both preached and taught the doctrine which stood behind both the National Covenant in Scotland, and Solemn League and Covenant. These documents create a religious and binding foundation for the framers of the Westminster Confession of Faith, and the Catechisms. What was their purpose? To uphold the "reformation and defense of religion." They desired this, 1) to preserve "the reformed religion in the Church of Scotland, in doctrine, worship, discipline, and government, against our common enemies," and 2) to bring about the "reformation of religion in the kingdoms of England and Ireland, in doctrine, worship, discipline, and government, according to the Word of GOD, and the example of the best reformed Churches." Such a consensus of unity on the issue of doctrine should be a hearty witness to the 21st century's church. Authors include Samuel Rutherford, James Kerr, Alexander Henderson, Philip Nye, Thomas Case, Joseph Caryl, Edmund Calamy, Robert Douglas, and many more.

Weak Enough to Lead Oct 24 2019 The Bible's version of leadership is pretty different from—and sometimes alien to—that of the business world. It is also dissimilar from our usual assumptions about what makes a great leader in the church, where we tend to focus on preaching ability, strategic hutzpah, and managerial savvy. But what if the Bible actually points toward a different set of characteristics necessary for leadership? What if our weakness is an essential qualification? Do we know our limitations, our inabilities? Do we see clearly our vulnerable, broken selves? Do we really believe that God's strength is perfected in our weakness, and do we lead with that as a core belief? James Howell's *Weak Enough to Lead* is not a list of "leadership principles" from the Bible. This book is an examination of stories about leaders from the Old Testament, where we discover not only them but ourselves. How does family dysfunction or depression or tragic bad luck or larger historical forces figure into the leadership equation? How do biblical characters prosper despite themselves or stumble even while being holy? Can we get inside the head, heart, and the actual administration of King David and reckon with his strength and foibles? How is strength in leadership almost always the downfall of the biblical leader? What kind of leader would Jesus, Esther, Moses, Jeremiah, or Paul be today? Howell explores the careers, struggles, joys, and devastations of various biblical leaders, believing that immersion in scripture's stories is what modern Christian leaders need—not to succeed so much as to be God's people in the world. He roots this unique exploration of leadership in a

prayer of Jehoshaphat: “We do not know what to do, but our eyes are upon you.”
