still growing. For all those people who helped make his dream come true with the opening of Disneyland in 1955, Walt created a special place called Club 33. Joe Cosgrove was there the day the Club opened in 1967. Club 33 was a secluded hideaway in the Happiest Place on earth for many years until the LA Times wrote a feature titled: "The Most Exclusive Club in the World." Joe reveals some fascinating Club 33 stories during its early secret years. This is also the story of other extraordinary dreamers, visionaries, leaders, innovators and heroes whose lives one day serendipitously intersected with Joe Cosgrove. These ordinary people who did extraordinary things include Joshua Meador, Harrison "Buzz" Price, Bob Hope, Ronald Reagan, Steve Allen, Charles E. Fuller and Billy Graham who are just some of the personalities in this wide reaching story of notable people who help change our world for the better. making news of exceptional individuals motivated by the highest possible standards of excellence who created innovations that greatly changed our imagination, our culture and our world for the better. These true life adventure headline stories are filled with heroes, mentors, tricksters, sidekicks, scoundrels and scallywags just like those we read about in the newspaper every day. These very universal caricatures are seen in the classic stories in the Bible. Walt Disney brought these caricatures to life in such films as Snow White, Pinocchio and Cinderella. It is our intention that our readers accompany each person headlined in order to relate to each of them in a new powerful and personal way.

The rails have reached Nairobi, a still-tiny boom town where wealthy entrepreneurs rub shoulders with cutthroats and railroad workers, but to reach out further, one must travel by foot or wagon, or by one of the ramshackle airships that connect the scattered settlements. One such ship is Kestrel, once a steam powered river lighter designed to haul cargos up the shallow streams that reach inland from the coast. Rescued from the scrapyard and slung beneath a balloon, she has been given a second chance at life as a carrier in the aerial cargo trade. Business is good in the booming colony, but in every pub and hostel, at the end of every pier, in the alley behind each tavern lurk dangerous men (and women!) of questionable motives, each with his own scheme to claim his share of the colony's wealth, by whatever means come readily to hand.
